Cage Blunt went after the armies of dragons, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the dragons even angrier than ever.

Then, Cage Blunt fired blasts of light that hurt the dragons as they shrieked in pain and anger and we saw it on the big screen.

James Blunt: Cage really got them good.

Christa: But, I never knew my son to be a violent person.

Caleb Maxwell: No, but he will get violent if anyone hurts him or anyone else around him.

Travis Tackett: Or you, Caleb.

The dragons roared angrily at Cage Blunt.

Suddenly, Cage Blunt let out an animalistic roar as he showed his fangs and that really scared the dragons!

Cage Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) But, I'm not going to be the one to kill you.

Then, Lincoln appeared.

Lincoln: That's going to be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of dragons, and one by one, he began absorbing them and he assimilated their Dragon Physiology, Superhuman Strength, Flame Breath, Frost Breath, Napalm Breath, Poison Breath, and Lightning Breath, Flight, Invulnerability, Superhuman Speed, Superhuman Stamina, Superhuman Senses, Immortality added to his True Immortality, Mind Control, and Communication, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the dragons and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the dragons I absorbed, Cage.

Cage Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I forgot we also assimilate the powers and abilities of those you absorb.

They came back inside.

Me: Cage, that was some awesome work you did taking those dragons down.

Nico: But, aren't you disappointed you didn't feast on their blood as well?

Cage Blunt: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nah, next time, I'll feed on some evil dragons if they come after us.

Cage Blunt holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and red planets orbiting around his legs and thirty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer brown tail, and his massive brown angel wings and twenty-four sets of large brown angel wings underneath his massive brown angel wings are permanent.

Caleb Maxwell: Now, it's definitely not for much longer before you transform, Travis.

Travis Tackett: Heh, this should be good.

Then, Cage Blunt got out a videotape.

Me: What's this one about?

Cage Blunt: This was from one of our cases: apparently, a drug deal was taking place in Harlem, New York, and we were going there to break it up and arrest the guys involved, but what we didn't know was that Drake and his gang of lowlives were there, but of course, that also meant the shadow of death was also coming for him: Caleb Maxwell.

Cage Blunt put the videotape in and it played on the big screen and it showed the streets of Harlem, New York at night, and Cage Blunt, Jack Howard, Carter Kenrick, Casey Antonio, Cuffs Lane, Jazz Jackson, and Roxy Drake were there.

Past Jack Howard: Okay, guys. According to the informant, the dealers are going to arrive here in a few minutes to commence the deal, once they've done the deal, we get ready to take them down.

Past Casey Antonio: Got it.

Past Cage Blunt: It seems almost too easy though. Drug deals never go easily, there's the risk of rival drug gangs.

Past Jack Howard: We've dealt with that before, and it never ends well: it always ends with someone getting killed.

Past Cage Blunt: But, this one, I've got a bad feeling about this.

They soon spotted two hooded figures walking to one another, and then, they began a trade off: the first figure got out a suitcase and inside it were bags full of cocaine and the second figure got out his suitcase and inside were hundreds of thousands of dollars. The trade-off was about to commence and the NYPD were about to take action, but then...!

?: YOU LITTLE SHITS! HAND OVER THE MONEY AND DRUGS!

Suddenly, the figures heard the familiar voice of a total asshole, and they turned to see the asshole was none other than Drake Maxwell and his gang of thugs and they were after the drugs and money.

Past Jazz Jackson: Oh great, Drake's here.

Past Roxy Drake: Figures. Where there's drugs and money, of course that parasite would be here.

Past Carter Kenrick: We need to take him down at once along with the drug dealers.

But, Drake Maxwell shot the drug dealers dead and he and his thugs stole the suitcase of drugs and suitcase of money, but before they could get away, the NYPD Nightshift got out.

Past Jack Howard: Hold it right there, Drake! Drop the drugs and money!

Past Drake Maxwell: Screw you, bitch! DIE!

Drake and his thugs got out their guns and were about to fire, but then, a blast of darkness and black and red energy came out and disarmed them of their guns.

?: At it again, Drake? You really don't know when to quit, do you, you parasite?!

They turned around and there not far from their location stood Caleb Maxwell.

Thug: Ah shit, it's Caleb!

Thug 2: This is your fucking fault, Drake, we should've never come out tonight or ever because of the fact your vengeance-driven older brother always coming out! Do you have any idea how many of our men we'd lost to him?! DO YOU!

Past Drake Maxwell: SCREW YOU, BITCH! I'VE LOST EVERYTHING! I NEED TO ROB PEOPLE TO FEED MY ADDICTION AND I NEED TO KILL! SO, SHUT THE FUCK UP, LACKEY!

Past Caleb Maxwell: How about the both of you shut up! You and your bastard lackeys are to blame for this, Drake! Dad made the mistake of disowning you and kicking you out of The Syndicate after I died in 1985, he should've killed you in the very same way you killed me along with the four senior members. Not only did you ruin my life with your violence and bloodthirsty desire to kill me, you also ruined my family and the lives of everyone that I knew. Now, I'm going to make you and every last thug who follows you suffer as much as I have suffered, you will all die a painful gruesome death!

Caleb Maxwell started shooting at Drake Maxwell and his thugs, and many of his bullets hit some of Drake's thugs right in the chest killing them as the bullets pierced their hearts and they screamed as they died, and Drake Maxwell was dodging the bullets as Caleb's dark laughter echoed throughout the streets, and the NYPD Nightshift was horrified, but not Cage Blunt. Drake Maxwell fired a shot, but Caleb dodged the bullet, but it hit another of his thugs, and he ran away as Caleb Maxwell flew to a nearby roof far away from the NYPD Nightshift and he saw his younger brother running away after he lost another handful of his crew.

Past Caleb Maxwell: Run coward, run and hide again. Time and eternity are on my side, and soon, you will meet the rest of your fallen crew in Hell.

The NYPD Nightshift shook off the horrified fear.

Past Jack Howard: W-what the Hell? What was that?!

Past Cage Blunt: That was the foreboding sense of dread and fear that Caleb always brings whenever he confronts his brother.

Jack Howard called this in to Captain Whitten and told him of what happened: the drug bust was a failure thanks to Drake Maxwell showing up and killing the dealers, and it got ugly when Caleb had shown up and killed another handful of his brother's group.

Past Captain Whitten: (Sighs) Alright. Everyone, get the cocaine and money and bring them back to the precinct.

They did just that, and they got the money and drugs into the precinct.

Past Jack Howard: Cage, can I speak with you?

Past Cage Blunt: Okay.

Cage Blunt followed Jack Howard outside.

Past Cage Blunt: What is it you wish to speak to me about? Is this about the...?

Past Jack Howard: No, it's not that. I got to tell you something personally, this is about Caleb.

Past Cage Blunt: What about him?

Past Jack Howard: The Captain and I knew something was off about him back in 1984 and in 1985, he always had this nervous look on his face whenever the sun was about to go down and he always rushed to head back home, and that tattoo he had on his arm, it was rather strange, but every night, as the sun goes down, he always leaves drops of blood on the sidewalk and he winds up running like he's in a panic.

Past Cage Blunt: You don't know how close you are to the truth. Caleb ran away whenever he sensed the presence of a vampire and that vampire cross tattoo on his right arm, that was his mark: the mark of him being a member of the vampires, the first humans to be welcomed into our world for centuries.

Past Jack Howard: Running away whenever he sensed a vampire, but he does know he leaves a blood trail to follow, right?

Past Cage Blunt: Exactly. But, it's not just that, he's also had to run from Drake and the members of The Syndicate whenever they go on the rampage and that made it much worse for Caleb.

Past Jack Howard: How come Caleb didn't report this to the police back in the past? I know he did so when he was 18, but he still should've told the Captain about it to get Drake away.

Past Cage Blunt: What good would that do? The most Drake would get is getting sent to juvie since he was fourteen at the time, and if he got out for good behavior, Caleb's nightmares wouldn't stop not ever, and since his life was shortened at that time, he was going to die by the time he turned 21, and like he said, Drake ruined his life, and there's one thing he now desires: revenge.

The video ends.

Me: Well, that was...disturbing.

Jack Howard: Caleb's interference may have helped in driving Drake away, but Drake's intrusion led to a massive drug bust failure.

Roxy Drake: And ever since then, we implemented some stronger protocols: in the case of Drake and his thugs, we were to shoot to wound, but if he got aggressive, then it's shoot to kill.

Jazz Jackson: Of course, the shoot to kill was already taken by Caleb.

Allie Maxwell: And he wasn't gonna take kindly to you guys trying to kill him, he wanted to be the one to kill him and get his revenge.

Eli: His desire for revenge was what drove your brother.

Me: In the end, it led to his brother's death at his own hand.

Captain Whitten: The Syndicate fell from grace not long after Caleb's death in 1985, after that, The Big Claw Gang took over all their operations and revamped them for their own purposes, and Marcus lost all the power and money from the operations as a result. But, I couldn't forget what happened when Caleb returned to New York, and how he told his father off.

Lincoln: That'll be for another time.

We got a shower, and then, Lincoln, Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia are heading to Float Islands.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all, and Lincoln removed Gishiki Noellia's dark side and destroyed it and sent it to The Black Abyss.

Emberlynn Pinkie: Wow, we're here in Float Islands, it sure is beautiful.

Lincoln: It sure is, Emberlynn, and it's perfect for our first date, shall we?

Lincoln, Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Brazilian Miku: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia and hugged them in their abnormally massive and powerful muscular arms, and

Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Float Islands, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia are now in your harem, Linky.

Brazilian Miku, Emberlynn Pinkie, Jessica Jaclyn, Junko Enoshima, Sonia Nevermind, Ibuki Mioda, Gishki Noellia, and Gishki Natalia showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Brazilian Miku: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Misty, The Pipsqueaks and Xion's 2nd mission

Me: Anyone else want to go with Xion, Misty Brightdawn, and Seashell, Peach Fizz, and Glory? Besides Bloom, Animorphs Jake, Kameo, and Cheese?

Loud House Dante: I'll go.

Skulker: So will I

Nico: Awesome. Anyone else?

Rapunzel: I'll go as well.

Apple Bloom: Me and my friends will go as well too.

Me: Cool. Anyone else?

Twilight Sparkle: Me and my friends will go as well too.

Me: Okay.

Nico: That it?

We nodded.

Nico: Lets go!

We were off.

We arrived.

Zak Storm: Wow it's a pleasure!

Me: And this little guy is Cheese.

Clovis: Oh pleasure Cheese.

Cheese was about to touch some of Zak's equipment.

Cheese: I use the things! I use the things!

Zak: No, little buddy. You might break them!

Me: Cheese stop it! Sorry Cheese is always like that. He has a brain the size of an amoeba and he is one of the biggest idiots we know.

Sunset Shimmer: Yeah but he makes everyone laugh and it's funny.

Apple Bloom: Yeah we get a good laugh out of it.

Seashell: We sure do.

Jake: Why do I get the feeling that later, we're going to fight one of the enemies I contributed to destroying before?

Me: Anything can happen with us Jake.

Zak Storm: It's true.

Apple Bloom: Yeah. Also you may not know this but me and the Crusaders are best known for killing Lila Rossi.

Cece: Who was she?

Lucca: A Heartless monster that everyone on the team hates with a vengeance.

Sweetie Belle: Me and the Crusaders killed her and destroyed her.

Scootaloo: We sure did.

Rarity: And we were very proud of my sister and her friends back then.

Rainbow Dash: Yeah no kidding! That was awesome!

Me: Apple Bloom and her friends are big heroes. That was an awesome story too.

Zak: Misty, what was your life like before meeting J.D, and the rest?

Misty Brightdawn: Oh. (Has a glum look on her face)

Me: She doesn't like talking about it much. Lets just say that she was the right hand girl of one of the most evil enemies we've ever heard about and dealt with.

Cece: Who was it?

Me: Her name was Opaline Arcana. And she was a monster! She was PURE EVIL Incarnate.

Twilight Sparkle: She was a Fire Alicorn that was responsible for destroying everything that I worked so hard to accomplish.

Cece: What was she like?

Me: Well here is her history.

I went over her history and it was SHOCKING

Queen Opaline Arcana is the main antagonist of the fifth generation of the My Little Pony franchise. She is an evil Alicorn Queen, the former boss and the adoptive mother of Misty Brightdawn, and the arch-nemesis of Sunny Starscout.

She is voiced by Athena Karkanis in her first villainous role.

Prior the events of the series, set sometime after the events of the Season 10 Comics, Opaline Arcana was an alicorn from an ancient land known as Skyros. Unlike all of the other alicorns of Skyros, She believed highly of her status and that alicorns were superior to the other pony tribes. This caused the other alicorns to banish her into Equestria.

During Twilight Sparkle's reign after Celestia retired, Opaline invaded Equestria and began absorbing all of the dragonfire from the Dragons, transforming her into a fire alicorn. She aimed to absorb the magic of all three pony races, but Twilight intervened, casting a protection spell across Equestria and encasing all Equestrian magic and Dragon magic inside the three Unity Crystals and the Dragonstone, respectively. Because of this, Spike was forced to be separated from Twilight and her friends and was placed into a long hibernation for many moons.

Weakened, Opaline tries everything she can to regain her power and resume her conquest of Equestria. During then, Opaline searched for the most powerful magic in Equestria to claim back for herself. While searching, she comes across a filly by the name of Misty Brightdawn, who was lost in the woods after following a bunny-corn. Taking pity on the poor unicorn, she raises Misty as her servant and her adoptive daughter.

For moons, Opaline treated Misty poorly by keeping her in her room, which allows her to forget her past, including her father.

While Misty was now working with Opaline, she begins telling a different story of her past. She explains that she was once the all powerful ruler of Equestria, and that all the pony tribes stole her magic from her. She depicts Twilight casting a protective enchantment across Equestria to hide it from her so that she could never reclaim her power again. This fools Misty so much that she actually believes it after all these moons.

Eventually, Opaline tells her another story on her past, claiming that she was always a fire alicorn, and that she was bitterly jealous of both Princess Celestia and Princess Luna, who were also fillies at the time, because of their abilities to control the Sun and Moon respectively, making them popular to the other alicorns in Skyros. This causes Opaline to grow resentful to Celestia and Luna.

Although Misty believes this story, this too was also another falsified story which was meant to spite both Celestia and Luna as she visually made then look like condescending alicorns rather than how they normally act just to make herself sympathetic. Often times, Opaline gives her a 'refresher' of this story so that she could continue manipulating the unicorn into doing her bidding.

My Little Pony: A New Generation

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

My Little Pony: Make Your Mark

Chapter 1

After magic has returned back to Equestria following the events of the movie, Opaline began plotting to take all magic from the land by herself, claiming it to be hers.

Queen Opaline is introduced at the end of the Make Your Markspecial. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

Chapter 2

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", after learning that Twilight is still interfering with her plans, Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", upon learning of Sunny's ability to become a temporal alicorn, Opaline takes advantage of it, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of Chapter One, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful. She later disintegrates an artificial mouse, possibly due to outliving its usefulness.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

Chapter 4

In "Top Remodel", Opaline becomes enraged that Twilight has enchanted the crystals with a secret message after watching Misty's recording of Zipp trying to solve the mysteries of Twilight Sparkle's message on her phone. Misty then told her that Twilight has put all of her magic to Unity Crystals which suggesting that they should steal them, but Opaline finds it impossible to get them because she needs to get strong enough to drain the prisbeam magic from the crystals, even if it means trying to kidnap Sparky again. She told Misty not to fail her again before she left, leaving Misty to get anxious of her decision.

In "The Jinxie Games", Opaline angrily calls Misty down to the throne room after she returns from the Crystal Brighthouse to search for Sparky.

In "Sunny Side Up", after practicing her evil speech, Opaline devised her plans to steal the Mane Five's cutie marks in order to make herself more powerful if she has enough dragonfire on her hooves, but becomes enraged upon discovering that Misty haven't captured Sparky yet. After she tells her a backstory, Opaline immediately "grounds" Misty and sending her to her room, leaving her hooves to be chained by her magic smoke. She leaves her castle and walked around the land until she reached the Dragonstone where the Dragonfire is, plotting to take the artifact in order to make herself powerful. After a long-hour hike to the top, she attempts to touch the Dragonstone but only for the artifact to lose its magic and drops off to the ground. After she returns to the castle, she freeing Misty from her hooves and explaining her plan to get the Dragonstone. However, she later noticed Misty's drawn cutie mark on her flank.

In "The Manesquerade Ball", Opaline tells Misty she's no longer "grounded" and asked her to keep an eye on her castle while she went back to get the Dragonstone.

Unfortunately for her, she wasn't aware that Misty snuck out of the castle to go to the Manesquerade Ball with the Mane Five while she's gone. After Misty returns back to her castle from the event, Opaline returns with a Dragonstone on her hoof before she left. She then enters Misty's room and told her to clean it up.

In "A Little Horse", Opaline was angry at Misty after discovering that Pipp and Zipp have almost found out about who she is, but has no choice but to decide to get Sparky so she could get more dragonfire for herself.

In "Missing the Mark", after Misty managed to capture Sparky and is about to bring him back to the Mane Five, Opaline arrives and became surprised that she brought the baby dragon to her. She then takes him to her study room where she absorbed all of Sparky's dragonfire to the Dragon Stone and is willing to drop him off the castle once the dragonfire is done being drained. When Misty brought the Mane Five to her castle to help them save Sparky, as the group finally meet Opaline face to face, she has them trapped inside her anti-magic bubble. After she reveals Misty's deception to the Mane Five, she explained her intentions of stealing everypony's magic once Sparky's dragonfire is done being drained. After she praises Misty for her accomplishment, Opaline asked her to watch Sparky if he gets dropped off the castle and mercilessly wants him to die instead of keeping him alive.

While absorbing Sparky's dragonfire through the Dragon Stone, she was hearing Misty calling for help and discovering that she was tied up in vines on her throne before she was forced to confront Sunny. After trapping Sunny under the rock, Izzy and Pipp throwing things at Opaline to protect her until they got trapped inside magic bubble. When Opaline is about to do something harmful to both unicorn and Pegasi, Sunny managed to use her Alicorn magic to protect them before they fought. The rest of Sunny's friends, including Misty, are cheering for Sunny, empowering her which gotten Opaline trapped inside the magic bubble back. After the Mane Five left with Sparky they rescued, Opaline furiously releasing Misty from the vines so she could clean up the mess they made. After Misty is done cleaning up the lair, Opaline began to praise her again before Misty secretly left to Crystal Brighthouse to teamed up with the Mane Five so they could defeat her together. Meanwhile back at her castle, Opaline is planning to absorbed more dragonfire from all dragons through Equestria in order to steal all magic.

In "Cutie Blossom Bash", Opaline is seen finding her manebrush called "Gertrude" and complaining about how Misty always failed and begs for her cutie mark. She also reveals that she never intended to give Misty a cutie mark, which she clearly enjoys out of pleasure. After Misty returns, Opaline noticed her new mane color before she gets to tell her about her plans.

In the two-part episode "Family Trees", Opaline was mentioned when Zipp asked Misty about her since she's worried about what the evil queen's planning to do, Hitch explained that Sparky has been tired ever since Opaline has steal all of his dragonfire and the Mane Five theorized that the dragons had left Dragon Lands before Opaline could found them all.

In "Father of the Bridlewood", she was mentioned when Misty remembered her plans of conquering Equestria and Zipp asked the Elder Flower about Queen Opaline.

In "Mane Smelody", after asking Misty where she has been, Opaline explained her plans to invade the Dragon Lands to terrorize the dragons and steal their dragonfire ever since they have awakened from their deep hibernation after magic has returned in Equestria, causing Misty to excuse herself so she could warn both Sunny and Zipp about what Opaline is planning.

In "Nightmare on Mane Street", Opaline discovered that she can use the Together Tree she planted to travel outside her castle to Maretime Bay. However, a Nightmare Night celebration was going on and when she arrives at Maretime Bay, nopony takes her seriously, believing she's wearing a fake alicorn costume. She steals Posey Bloom's cutie mark but doesn't want to spend all night stealing cutie marks so she returns to her castle to form a new plan.

In "The Isle of Scaly", prior to the episode, Opaline has been stealing all cutie marks from everypony to empower herself before moving on to the Isle of Scaly where she drains all of dragonfire from every dragons and later kidnaps both Lava and Jade and brings them to her castle. With Lava and Jade were captured on her hoof, she brainwashed them into her side by singing her own villainous song and using the dragonstone to put the under her control. The dragonstone is later empowered by Lava and Jade's dragonfire and later transferred them to Together Tree. With all cutie marks she has stolen, Opaline brags that nopony can stop her.

In the two-part episode "Roots of All Evil", Opaline has traveled around Equestria with Together Trees to steal all of the cutie marks from everypony. When she returns to her castle, she caught Spike and the dragons for tried to take the Dragonstone back from her and brainwashed them into doing her bidding. After revealing her plans to conquer Equestria after taking all magic from the land, she returns to Maretime Bay where she fought Hitch Trailblazer and takes his cutie mark to put it on her golden necklace where she's storing the Mane Five's cutie marks once she collects all of them.

Opaline and the brainwashed Lava and Jade arrived at the Crystal Brighthouse to break inside and steal Sunny's cutie mark, but the magical barrier prevents them from breaking in. However, she was lured away by Misty to take away her golden necklace that stores the Mane Six's cutie marks until she managed to get away by setting up a drone as a decoy. Arrived at Zephyr Heights through Maretime Bay's Together Tree, she was forced to listening to Pipp's song as a distraction to get her and the dragons covered up in clothes by Zipp for the Pegasi royal sisters to get away, but Opaline managed to capture them and stole their cutie marks. Before she leaves, Misty confronts and standing up to her for all the abuse and mistreatment she received and telling that friendship has changed herself because of the Mane Five, causing Opaline to get angry at her so much that she takes away her cutie mark as petty revenge for her betrayal. Arrived at Bridlewood, she got everything including food thrown at her by Izzy and her fellow unicorns to fight against her. Izzy almost got away by placing her fake cutie mark on her flank, which causing Opaline to grew more angry and takes away her cutie mark in retaliation.

Meanwhile, despite everypony losing their hopes once Opaline stole everypony's cutie marks, they never gave up as they plans to channel their own unity and power of friendship at Together Trees from their respective locations to defeat Opaline and return all of their stolen cutie marks while Sunny went to confront Opaline in her castle by alone. When being confronted by Sunny, Opaline attempts to corrupt her into becoming just like her, but Sunny refused and they fought, but Opaline's magic is growing even stronger than the last time they fought. She then captures

Sunny and takes away her cutie mark, believing she has already won since she finally got all cutie mark magic on her hoof. However, everypony's unity and power of friendship has been channeling through Together Tree to Opaline's which causes the Rainbow of Light to be released from Sunny's pendant and entangled her, allowing Sparky to take back the Dragonstone and returned all of the cutie marks back to everypony, while freeing Lava and Jade from her brainwashing as well. When her castle is about to collapse, Sunny and the dragons escape, leaving Opaline to become enraged and all alone by herself. She's about to go after them, but her cutie mark is taken away from her, and all of her magic with it, and she became imprisoned inside her own Together Tree for eternity. It's unknown if she survived, but it's unlikely she will ever escape imprisonment.

When we were done everyone was shocked!

Cece: WHAT A MONSTER!

Clovis: She is pure evil!

Me: Yep. She was pure evil Incarnate. When we found out all about her we had very little and limited info to go on about her. But as the months went by we learned more and more and then on November 20th, 2022 we summoned our allies from all over the universe and went after her in the Kamchatka Peninsula in Russia. We killed her and defeated her 23 villains she summoned and banished her to the Black Gates.

Nico: Yep And she's active once again.

Me: We found out because of an omen we got. Long and ugly story.

Eli: But she is back for round 2 and we got to search for the Guardians of Harmony to stop her again.

Sunset Shimmer: The Guardians of Harmony which are Twilight and myself and everyone from Sunny's world went into a state of hibernation after making the Unity Crystals.

Me: They have been asleep for over 1,000 years and our mission is to bring them back.

Rarity: It's true.

Me: Yeah.

Cece: Oh man.

Me: Yeah but we're ready for her. And this time finding the Guardians of Harmony from Sunny's world is now more crucial than ever.

Eli: Yep.

Nico: Are any of your enemies active right now?

Zak: Yes there are. I got some photos of them.

He showed us and we saw 6 photos. They were 6 enemies that we faced before! It was ALFRED B. NOBEL, BLACK BART, JACK THE RIPPER, LIZZIE BORDEN, GRIGORI RASPUTIN AND CATHERINE O'LEARY'S COW!

Me: (GASP) WHOA! It's the Nobel 6! We met them and dealt with them a while back.

Crogar: Who are they?

Me: Well Black Bart was an Old West Outlaw and he was a dangerous one too. Jack The Ripper was one of the most wacko serial killers ever to terrorize all of Victorian London. Killed 5 people. Lizzie Borden went nuts and hacked her entire family to death with an axe. Grigori Rasputin was the Satanic Minister that Overthrew the Tsarhood in Russia. Catherine O'Leary's Cow kicked over a lantern and sparked the Great Chicago Fire back in 1871 which lead to over 35% of the city being completely destroyed. Also Alfred B. Nobel was the inventor of the Nobel Peace Prize. But these guys are the ones that us and Time Squad defeated. So they are from an Alternate Universe.

Cece: I see!

Clovis: Whoa!

Nico: Where are they?

Eli: I sense them on that island there!

We saw an island with smoke coming out of it off the port bow.

Me: That must be it.

Xion put on her jumpsuit.

Xion: This will be fun.

Zak: What's the jumpsuit for?

Xion: You'll see.

Kameo turned into Ash.

Cece: WHOA! How did you do that?

Me: Kameo has the powers of 10 Elemental Warriors. She can change into any of them.

Ash: It's true.

We got to the island and got off and went to where the fire was. We saw a campsite. We saw ALFRED B. NOBEL, BLACK BART, JACK THE RIPPER, LIZZIE BORDEN, GRIGORI RASPUTIN AND CATHERINE O'LEARY'S COW!

Me: HEY NOBEL!

They saw us!

Alfred B. Nobel: WHAT THE!?

Me: Long time no punch!

Nico: Remember us?

Jake turned into a tiger and roared ferociously!

Black Bart: Looks like this is gonna be our last roundup!

Alfred B. Nobel: I remember you J.D.! You still leading the team To greatness with your recklessness!?

Nico: He's now my second in command thank you.

Me: I decided to promote Nico. Also for the record Nico has been doing a much better job at leading the team than I was!

Eli: Yeah! So back off!

Lizzie Borden: Well I'm going to hack you all to death!

Nico: Not if we destroy you all first. But I think we have a much better place for you all.

Peach Fizz: Eternal Servitude in the M.O.E.

Me: Yep.

Alfred B. Nobel: We'll see! (Pulls out two boards with nails in them) LETS GET EM BOYS!

THEY WENT AT US AND ROARED!

Me: To Quote Tuddrussel, "GET SOME!"

We went at them!

MASSIVE FIGHTING NOISES AND BRUTAL FIGHTING BLOWS!

Xion concentrated and then in a Swirl of DNA Helix's she turned into DEOXYS!

She was ready!

She fired energy blasts and blasted Nobel and his goons all over.

I clashed with Rasputin and kicked him and punched him and knocked his hammer and sickle out of his hands.

Eli legswept Jack the Ripper and kicked him in his back and punched him down.

Zak Storm faced Lizzie Borden.

Lizzie Borden: 40 Whacks! Coming Up!

Zak clashed with her axe.

Kameo as Ash blasted them all over.

She reverted back and got out her Core Medal.

Kameo: Taste this one!

She fired blasts of energy and blasted them all over.

We had them beat until it was just Nobel left.

Me: Okay Nobel prepare to have your butt beaten into oblivion!

He then jumped high into the air and was ready to smash me!

I pulled out a pole!

Nico: A pole?

Me: Watch.

I stuck it into the ground and jumped out of the way and then...

STABB!

HE GOT SKEWERED IN HIS BUTT AND SCREAMED IN PAIN AS HE HAD A POLE STUCK IN HIS BUTT!

WE LAUGHED HYSTERICALLY AND ROLLED ON THE GROUND LAUGHING AS HE WAS RUNNING AROUND IN PAIN!

Me: (LAUGHS) That was funny!

Nico: (LAUGHS) It sure was!

I pulled out the pole.

Fluttershy used her stare on Catherine O'Leary's cow and calmed her down.

Me: I learned that one from Master Goku. He told me how he did that to Ninja Murasaki.

Nico: (LAUGHS) Kakarot sure did a funny thing.

Jake got out his Core Medal and fired a beam of energy and blasted Nobel.

Me: Take that!

Twilight fired 10 beams of elemental magic.

Sunset Shimmer fired waves of fire.

Rainbow Dash fired waves of lightning.

Fluttershy fired waves of fruit.

Starlight fired waves of skulls.

Rarity fired blasts of water.

Applejack fire waves of earth.

Pinkie Pie fired blasts of metal.

Apple Bloom, Sweetie Belle and Scootaloo fired their blasters And the blasts all hit Nobel and blasted him all over.

Bloom got out ger Core Medal and blasted him with intense fire.

Bloom: YEAH!

Me: Take that!

Then a beam of light hit Nobel and blasted him down.

Me: WHOA!

Nico: Who did that?

Eli: LOOK!

We saw a Gardevoir!

Me: COOL! Gardevoir!

Nico: How'd that get here?

Me: I think it's one of Dark Gale's work.

Gardevoir: (In a girls voice) (GASP) Rapunzel!? Sister is that you!?

She reverted back and was a girl with blond hair and blue eyes and a purple dress and had yellow angel wings and had Gardevoir in the middle of her forehead and on her dress and shirt and she had a cutie mark in the shape of the symbol of Corona. She also had the Keyblade of Corona in her hand.

Me: She can change at will!

Nico: WHAT THE!?

Me: Wait Celine Corona!?

Eli: Sister Celine!? Wow!

Celina Corona: Awesome to see again J.D. And Eli. Wow! Rapunzel it's me Celine. Don't you remember? I'm your twin sister.

Rapunzel: (GASP)

Celine: I should explain. 18 years ago, I was born 15 minutes after you. I was given the powers of the sun flower in my hands and not my hair. When I found out I had a twin sister Rapunzel I prayed that she would one day come back and we would be reunited.

She pulled out a necklace of the sun and it was half of the sun.

Celine: Remember?

She had one half and Rapunzel had the other half and they reconnected them and then Rapunzel gasped and hugged her!

Rapunzel: Oh sister! I've missed you!

Celine: Me too Rapunzel. I'm never going to lose you again. I have a lot to tell you.

Nico: So, we don't have to fight?

Celine: Nope. I reigned in the power of Gardevoir.

* * *

Celine was strapped to a table. But just as she was about to be injected she busted out and blasted numerous baddies with the power of the sun. She flew out. But just as she flew out, a dart hit her and injected her and she felt herself change. Using the experiences of us and what we learned, she reigned in Gardevoir's powers and transformation and can now change at will.

FLASHBACK ENDS.

Me: WHOA! So you escaped Dark Gale just as they injected you.

Celine: I sure did and I used what I learned from you guys watching all your adventures and reigned in the power.

Nico: Your role in Sonya's team?

Celine: I am the Sun Mage of the team. I use the power of the sun to blind and destroy our enemies. Outside the team I look after my mom and dad and have high hopes to bring back Rapunzel. And also bring that monster Gothel to justice.

Me: Well Lola brought her to justice and killed her. We brought Rapunzel back earlier.

Eli: It's a long story.

Me: We'll tell you about it later. Right now we're in the middle of a battle.

Celine: Oh right!

We faced Nobel.

Alfred B. Nobel: Why you!

But then an invisible figure walked in and then...

HOING!

HE GOT A NASTY ATOMIC WEDGIE!

Me: What the!?

Nico: Now who's there?!

We saw Alfred B. Nobel getting punched and smashed all over by something invisible!

Me: He's getting his butt kicked by something invisible!

Eli: I sense it's one of the Blackwing Eatos 12 girls!

I used my Infrared Vision And saw that it was a girl that was REALLY BEATING the living shit out of him!

Me: WHOA!

She turned visible and it was a girl that had purple hair and red eyes and black wings and clothes and had ChamAlien in a tiara.

Me: (GASP) Melanie Merlinia!

Melanie Merlinia: Take this jerk!

POW!

She smashed his face down and knocked him out!

Nico: WHOA! ChamAlien's Embodiment! No wonder we didn't see her!

Me: But I did see her with my infrared vision! Well done Melanie!

Melanie Merlinia: (GRUNT) Thanks. That was cool!

Melanie lost control and turned invisible to sneak up on Skulker

Me: Skulker she's behind you!

Skulker saw footprints coming and he went intangible and she went through him just as she punched him and she fell to the ground

Skulker: She should know better than to punch a ghost!

Clovis: That is true from a fellow ghost.

Skulker fired waves of lasers and missiles and blasted her all over.

I fired the Antidote ray and injected her!

Me: There!

Dante charged at her and fired waves of yellow fire and blasted her.

He then used his core medal and fired waves of yellow energy and blasted her more.

Nico: YEAH!

The Antidote took effect and she had her blue eyes back.

Melanie Merlinia: (Groans) What hit me?

Me: Ugly story.

I helped her up.

Zak: That was awesome!

We tied up Nobel and his associates and sent them to the M.O.E.

Misty Brightdawn: That was awesome and fun!

Seashell: Yeah it was!

Zak: Nice job guys!

Me: Thanks Zak. That was cool.

Xion reverted back in a swirl of DNA Helix's.

Xion: Nicole found a way for us to change and revert back in elemental and mystic swirls. To avoid having people see us naked.

Nico: Wow! That is clever!

Zak Storm: That happened to you a lot?

Me: Yep. My daughter Nicole is very adamant about enforcing the safety and dignity of Women. She hates perverts with a vengeance and if anyone saw a woman naked, she would SMASH THEIR heads in.

Eli: It's true.

Zak: Jeez!

Me: I know.

We later went back home.

We later came back.

May: Hey guys how did it go?

Me: Really awesome May.

We told them everything and they were shocked!

Allenby: Nobel and his cronies came back?!

Me: Yep you heard right Allenby.

Tuddrussel: Wow! You guys had fun on that one! Way to kick some butt!

Goku: (LAUGHS) Yeah and good job using what I did to Murasaki.

Me: I learned that one from the best Master Goku.

Nico: He sure did Kakarot. That was funny.

Goku: (LAUGHS) Yeah.

Alphabittle: But great job Misty.

Misty Brightdawn: Thanks dad.

Pipp Petals: Oh my glitter that was amazing!

Nico: You got that right.

Me: Yep.

Nico: Next time, Will, Eiji, Leo Corbett, Mama Cosma, Dark Riku, and Pintar will come.

Will Vandom: Awesome!

Eiji: Sweet!

Me: The Rowdyruff Boys should come too.

Lucca: Good idea.

Then the alarm went off!

Me: WHOA! Perfect timing!

We went to the computer and saw that Looten Plunder's men are trying to bulldoze Grand Venture State Park!

Me: UH OH! Lets move!

We were off to Grand Venture State Park!

SMASH!

I punched a bulldozer and reduced it to scrap metal!

I punched a man and knocked him out.

Nico: YOU DIRTCLODS HAVE FAILED THIS WORLD!

Eli fired waves of Force Lightning and destroyed the Bulldozers!

Kwame: I knew this would happen!

Me: Me too!

POW BIFF SMASH!

We knocked them all over the place.

They kept coming.

Me: They're like cockroaches!

Mera: Wait. There's someone else here.

Me: Look!

We saw a girl with black hair and green eyes and had African Clothes on and she had green angel wings and had on Looten Plunder's ring of destruction.

Kwame: Nikaira!?

Nikaira: Hello big brother!

Kwame: What are you doing here?

Nikaira: Helping you guys.

Hannah: Looks like The League of Anti-Ecodestruction is joining up with our siblings to help.

Me: The League of Anti-Ecodestruction?

Hannah: It's a special organization me and my friends made to help our siblings bring down their enemies forever and prevent the Earth from being ruined.

Earth: Wow! I am truly honored that you all want to save me and help me stay healthy.

Hannah: Yep.

Nikaira: DEFORESTATION!

She fired a blast of energy and it hit the bulldozers and the men and shockingly turned them into new forest and trees!

Me: WHOA! I guess the rings of destruction have an opposite effect on those that destroy!

Ransack: Still bad for them!

Qin: Yeah!

Lola: But that was cool!

We destroyed the Bulldozers and the men and even sent some of them to prison.

Me: No one destroys national parks on our watch! Especially for Earth Day!

Windcharger: Technically, that's still not today

Me: No but these 8 days are for that.

Windcharger: True.

Nico: Yeah. But thanks for helping us.

Nikaira: No problem.

Nico: Wow! So this is Grand Venture State Park.

Me: Yep. This is where me and Varie first met.

Varie: I'll never forget that. That was so awesome.

Lincoln: Yeah.

Laney: And also this is where I got my powers from.

Me: I remember that! That was awesome.

We rounded up the last of the men and sent them off to prison. Also we regrew trees.

Ransik: Those are the last of them.

Qin: Yep.

Me: Good. Whew! This is gonna send a message to Looten Plunder that we're comind for him.

Varie: Yeah we sure are.

We went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the next Eco-Villain, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Looten Plunder, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Looten Plunder, and he's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Kwame: I knew we'd be going after him first, this time, he's going to pay for everything he's done.

Suddenly, Lincoln also spotted another figure with Looten Plunder, and to our anger, it was none other than Orm A.K.A. Ocean Master, he's back from The Warp and he wants revenge on us for killing him during the fight against Team Dark Phoenix Storm.

Lincoln: And it looks like we got double trouble: the second figure with Looten Plunder is none other than Orm A.K.A. Ocean Master, he's back from The Warp and he wants revenge on us for killing him during the fight against Team Dark Phoenix Storm.

Nico: WHAT?!

Me: Oh crap.

Mera: As much as I want to have him captured and executed, I have a much better punishment for him: we'll send him to The Masters of Evil's Prison, but not after we make him pay for what he's done in the past to Aquaman and I along with The Justice League and for his part as a member of Team Dark Phoenix Storm.

Nico: Good idea, Mera.

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Looten Plunder and Ocean Master. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Looten Plunder, Ocean Master, your time is up.

Lincoln: You're gonna pay for everything you've done, Looten Plunder, and don't think we're going to take it easy on you too, Orm, you've got a lot of pain coming to you for your desire to kill Aquaman and take over Atlantis.

Me: Yeah!

The previous group came

Hydro Man: Can me, Electrocutioner, Pyro, Grumblemon, Hsi Wu, Captain Cold, Cantwell, Cluemaster, Major Disaster and Man Ray go with you guys?

Nico: Yes you all can come with.

Me: Scans show that Looten Plunder and Orm are both in Saskatchewan, Canada.

Qin: Whoa!

Xenia: Looks like we're going to blow him up there.

Me: Yep.

Guts Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm. How about Simorgh, Bird of Divinity next.

Me: Whoa. Windy.

Camie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Gern from Galaxy Angel, he's come back from the dead, and he wants revenge on us for killing him. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Gern from Galaxy Angel, he's come back from the dead, and he wants revenge on us for killing him.

Earth: If he's back, that also means Nefuria, Rowil, and Wein are also back as well.

Lincoln checked, and he saw Nefuria, Rowil, and Wein as well.

Lincoln: You're right about that, Earth, Nefuria, Rowil, and Wein are also back from the dead. But, we're going to get rid of those four monsters once and for all, they have no idea how much more powerful we've gotten since the first time we fought them.

Nico: That's for sure, those five bastards have no idea what's waiting for them. Alright, team, let's go, time we put an end to Looten Plunder for good.

Lincoln: And send that powerhungry jerk, Ocean Master, to The Masters of Evil's Prison where he'll stay there for the rest of his life, and once we get done with that gruesome duo, you, Nefuria, Rowil, and Wein are next, Gern.

Earth: After everything you've done, you deserve to die once again, this is where we're putting an end to your ambition to conquer the galaxy for good, Gern.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Looten Plunder for good along with taking down Orm A.K.A. Ocean Master and send him to The Masters of Evil's Prison for good, and once we get done with that greedy bastard and Aquaman's powerhungry jealous brother and send that Satanic demonic monster, Dark Sebastian, flying back to Transylvania, Earth and Lincoln are going to destroy Gern, Nefuria, Rowil, and Wein.

We were off to Saskatchewan.

We arrived in Saskatchewan.

Me: We're here.

We were outside a forest.

Grumblemon: Let's call Ryugu.

Me: And don't forget Quakemon.

Nico: Good idea.

We did so.

Quakemon: We're here.

Ryugu Tamatebacco: Yep and this will be fun.

Qin: It sure will.

Me: We're ready for anything.

Aquaman: Me and Orm will never be as close as we were before. But he's still family.

Sword Man: That's true.

Me: What Orm did was unforgivable especially when he tried to melt the Polar Ice Caps. As well as try to destroy the world with Team Dark Phoenix Storm.

Camie: Yeah that was awful.

Ray (Kaijudo): I heard all about that. That was awful.

Me: It was.

Poromon: I still ate Mr. Mind.

Captain Cold: Plunder can still die though

Me: That's true. He has no honor. Especially after all the times he tried to kill the Planeteers.

Qin: Yeah!

Camie: Why does he want to destroy all the forests?

Me: So he can get more and more money and also kill all the Eco-Villains.

Nico: He was going to double-cross them.

Me: Yep.

Captain Cold: He has no honor at all.

Brawlrus: We can kill him with a plasma blast

Me: Good idea!

Qin: Yeah!

Xenia: Or we can turn him into the very thing he hates more.

Lincoln: Use one of my curses and turn him into a tree! That's perfect!

Me: Ironic and fitting!

Nico: Which curse is that?

Lincoln: When I turn into Nature Lincoln - Mother Nature's Vengeance Curse,

Laney: Lincoln fires powerful blasts of green energy and plants from his massive angel wings, and once hit, it traps the victim in a tree for all eternity, this curse is reserved for those who desire to destroy the environment.

Nico: That's a good idea!

Eli: Yeah!

Cluemaster: Let's put said tree in the backyard.

Me: I like it and we can banish his spirit to the black abyss forever too.

Lola: Yeah!

Snapdragon: I'm honestly fine with any fate we're giving him. It's Orm we're throwing in jail

Me: Yep.

Qin: Hey look there!

We saw a strange sight and it was a Brown Unicorn with a boar tail.

Me: Wait is that?

Kwame: That looks like the legendary Abada!

Me: The legendary African version of the Unicorn from Kongo Myth? Wow!

Nico: I've never seen that before.

Me: Zak have you and your family ever seen a creature like that?

Zak Saturday: Yeah when we were down in Botswana.

They nodded.

Me: Wow! What about you Zecora? You ever seen a creature like that?

Zecora: A creature being that elusive is for one who is keen. But sadly it is one creature that I too have not seen.

Me: Wow! It's unusual seeing one up here in Canada.

Man Ray went over to it.

Man Ray: Hey there, buddy.

Abada: Where is Looten Plunder?

WE GASPED!

Nico: It talks!

Lincoln: Wait that's Kwame's Akuma, Stone Rockabada. The Hypothetical Akuma of Kwame and a master of earth, rock, mud, boulders and meteors and also he is a legendary Abada from Kongo Myth and is a fast and deadly one of Earth. He was made because of Looten Plunder destroying his lands in Africa and vowed to make sure he paid for his crimes.

WE GASPED IN SHOCK!

Me: So that Abada is Kwame's Akuma! Fitting because it's from Africa.

Shockwave: I didn't expect you to appear before Mera's Akuma

Stone Rockabada: I know but I wanted to appear before that since it's Kwame's day too.

Me: True that. But it's amazing that you are an Akuma that's one of Africa's legendary creatures.

Stone Rockabada: I agree too.

Quakemon: You need to calm down!

Stone Rockabada: Not until Looten Plunder pays!

Me: Looks like we're both after him. Okay then.

I fired waves of energy and blasted him all over.

Major Disaster: At least wait for Mera's Akuma!

Stone Rockabada: Oh very well.

Lincoln: Actually she's coming now.

We saw a huge wave of water come and on it was an Octopus Mermaid with terrifying demon wings!

Nico: WHOA!

Lincoln: GEEZ! That's Mera's Akuma Queen Terrorlantis! The Hypothetical Akuma of Mera and she is a deadly mermaid of darkness. She was made because of Aquaman getting sent to die by Orm and she vowed to kill him.

WE GASPED!

Me: WHOA!

Eli: (GROWLS) SHE LOOKS LIKE URSULA!

Me: But she's not!

Queen Terrorlantis: Good to see all of you here.

Me: Wow! You look amazing like this Mera.

Overbite: Mera? Is that you?

Queen Terrorlantis: Yes it's me and Arthur my love good you're okay.

Aquaman: I am glad to be safe.

Me: Orm is not gonna be so lucky when we face him. But we're still sending him to prison.

Nico: Yeah!

Cantwell: You need to calm down!

Me: YEAH! Eli is very close to wanting to kill you because...

Queen Terrorlantis: Because I remind him of Ursula?

Me: Well... Yeah!

Queen Terrorlantis: I do look like her don't I. But not until Orm is gone!

Me: Then you leave us no choice.

I fired waves of energy and blasted them all over.

Ryugu and Quakemon charged at them and smashed them down,

Stone Rockabada: Our turn!

Stone Rockabada Fired waves of rocks and I punched them and smashed them into dust!

Queen Terrorlantis fired waves of water and Katara waterbend it and threw it back and we fired waves of energy and blasted them down. Knocking them out.

Me: OH YEAH!

Future Maria: I could've done better

Me: Now is not the time for comparing,

Nico: Right now it's time to make Looten Plunder and Orm pay.

Camie: That's right.

Eli: I sense them there.

We saw 2 figures walking towards the forest 600 yards away.

Me: That's them.

Hsi Wu: Who do we go after first?

Me: Take them both on.

Nico: Alright, now we need to get after Looten Plunder and Ocean Master.

Lincoln: But, first, Selena, Camie, Wendy, Varie, Lorena.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, and Lorena Cavenstein raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Looten Plunder and Ocean Master are at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Looten Plunder and Ocean Master saw it, and they let out a scream of rage and anger!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bastards!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: Let's tear that greedy businessman apart limb from limb along with Ocean Master.

Nico: Entrance time!

We then took off, and we got there just in time to see Looten Plunder ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate he has against us.

Nico: Okay, let's end this bastard once and for all.

Looten Plunder: (ENRAGED SCREAM) WHEN I FIND THOSE FUCKING BASTARDS, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

Ocean Master: They have ruined every last one of my plans to finally rule Atlantis for the last time, now they will all pay!

?: OH, SHUT THE FUCK UP, YOU BASTARDS!

Suddenly, the spirits of water appeared out of nowhere and they attacked Looten Plunder and Ocean Master in total fury and that made them extremely pissed off even more! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Looten Plunder and Ocean Master even more pissed off even more!

Aquaman: Hello Orm.

Me: You've got some nerve coming back from the dead, Looten Plunder.

Mera: Same with you, Orm.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark

Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: And I thought we were also done with you, Ocean Master, after all the trouble you've caused to Arthur, Mera, and The Justice League in the past, and for your role as a member of Team Dark Phoenix Storm in the past, but Anti-Monitor crossed the line in bringing you back as well. Well, if you're looking for another beatdown, fine by us.

Looten Plunder: DIE! ALL OF YOU JUST FUCKING DIE!

Ocean Master: Soon, Atlantis will finally be mine!

Lincoln and I fired blasts of water at Looten Plunder and Ocean Master and they got drenched badly!

LOOTEN PLUNDER LET OUT ANOTHER SCREAM OF PURE RAGE!

Looten Plunder: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Kwame: Seriously? You did this to yourself, Looten Plunder, and there's no way we're forgiving you for what you've done, and we're going to make you pay for everything you've done.

Mera: The same goes for you, Orm.

Looten Plunder: (ENRAGED SCREAM) DARK SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd

forced The Dark Pact of Apophis upon you and the other Eco Villains.

We also saw it: Looten Plunder had a black snake tattoo with an inverted pentagram on his left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with the others.

Aquaman: You should consider yourself lucky though you didn't make a deal with that psycho, Orm.

Varie Yulinova: Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Ocean Master: Hah, serves you right, you pathetic peasant.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Ocean Master was smug at Dark Sebastian's humiliation, same with Looten Plunder. But, their smugness was about to be broken big time as we saw the darkness blacken the skies.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON LOOTEN PLUNDER AND OCEAN MASTER!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Looten Plunder: What did you just say?!

Dark Sebastian Mendez: (Demonic Voice) APOPHIS, EGYPTIAN GOD OF CHAOS, HEED MY CALL! TAKE THE

SOULS OF LOOTEN PLUNDER AND OCEAN MASTER AND MAKE THEM YOUR SERVANTS FOR ALL ETERNITY!

Suddenly, Looten Plunder and Ocean Master found themselves about to have their souls taken from them by a black snake formed by the Infernal Darkness of Dark Sebastian, but Selena Mendez, Camie Elextor, Wendy Sauron, and Varie Yulinova retaliated by firing blasts of Divine Darkness which hit the snake and Looten Plunder and undid The Dark Pact of Apophis, and that really enraged Dark Sebastian, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Looten Plunder and Ocean Master.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you greedy businessman and powerhungry monster!

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced

Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Looten Plunder and Ocean Master.

Nico: Yep.

Me: 5 years Plunder. Thats how long its been.

Ocean Master: I want your opinion, brother. Is this attire truly worthy of a king?

Hunch: No, it isn't!

Aquaman: What you did would have destroyed everything Orm! That means you are a traitor to both words.

Me: You should consider yourself lucky that we're in a merciful mood to you. But not to him!

I teleported and punched Looten Plunder in the face and knocked him to the ground and his nose was bleeding!

Aquaman: I lost my arm because of you.

Pyro: I hope this is hot enough for ya!

He fired a blast of fire and blasted them both.

Celine Corona: Like old times sister?

Rapunzel: Lets dance.

Celine and Rapunzel: CORONA SUNLIGHT DANCE!

They danced and fired waves of energy and light and blasted them both.

Xenia: Top this!

She fired arrows and blasted them.

Brad Morton: No Mr. Mind to help you this time!

Poromon: Because I ate him! (LOUD BELCH)

Orm: Yuck.

Nico: He's a bird. What did you expect?

Electrocutioner: How about a handshake?

Ocean Master: (Shrugs) Okay then.

Ocean Master shook Electrocutioner's hand but got zapped

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPP!

HE GOT ELECTROCUTED BAD!

Ed: Zappity Zap zap!

WE LAUGHED!

Nico: Nice one!

I punched Looten in the stomach.

Me: Top this. LIGHTNING!

I fired a blast of lightning from my ring.

Me: THORN OF THUNDERBOLT!

I Fired a blast of lightning from the Thorn of Thunderbolt and the blasts hit Looten and electrocuted him!

Starmie charged at them and fired waves of water and blasted them all over.

Starmie: Take that you jerks!

They fired waves of energy and elements and blasted them both all over.

Nebula Lanaia was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Nebula Lanaia: NO! I control the power. It doesn't!

She concentrated and reigned in the power of Gigantamax Zapdos and transformed and fired waves of lightning and electrocuted the both of them.

Nico: OH YEAH!

Poromon (to Celine): Oh, that's right. You already control your powers

Celine Corona: I sure do.

Qin: That is cool!

Me: Yep.

Poromon threw a beer bottle at Ocean Master

SMASH!

It smashed on his head.

Then Zexion, Number 7, Titanium Titan, Johnny 13, Kitty, Zs'Skayr, Biowulf, Scorpion, Titania and Gameface came.

Nico: Zexion, Number 7, Titanium Titan, Johnny 13, Kitty, Zs'Skayr, Biowulf, Scorpion, Titania and Gameface.

Zexion: We'll gladly have Ocean Master in our prison.

Me: Good.

Number 7: The same can't be said about Plunder though.

Nico: We sure did and it was awesome.

A figure came out and it was IRONSPIKE from episode 23 of Time Force!

Like all other mutants, Ironspike was created in the result of a science accident. Before the events of the season, he, like all other mutants, was captured by Time Force.

Later, in the twenty-third episode, he was released by Ransik and sent to destroy the city and the Rangers. Ironspike attacked Silver Hills and fought with the Rangers. Ironspike was a powerful mutant. He had a powerful armor and sword. He also could shoot with laser beams from his eyes. At first he fought with Jen and Katie. Ironspike easily defeated the Yellow and Pink Rangers. But then Wes and Lucas arrived and fought with the mutant. During the battle, a young curious photographer named Mitch watched the battle. Ironspike was finally defeated and frozen by Wes with the Time Strike.

Wes: Ironspike!

Ironspike: Been a while rangers!

Me: I remember you! You were sent to destroy the city and the rangers and that was intense!

Ironspike: It sure was.

Me: Yep.

William: Too bad you were a minor Mutant.

Ironspike: At least I got to shine more in Miracon's world.

Me: Too true.

Lincoln and his harem: Now, for the grand finale! We've had it with you, Looten Plunder, now disappear forever! ELEMENTAL FINAL SMASH: PATRANGER BLAST!

Lincoln and his harem fired a massive barrage of elemental Ki blasts based on Patrangers and they hit Looten Plunder and exploded with incredible power and he was knocked down!

Ryugu (to Ocean Master): You're lucky that we're just throwing you in jail. So right now, I'm knocking you out!

KRABLAM!

He smashed his fist into his face!

Ocean Master: No! NO! I WON'T LET IT END LIKE THIS! YOU WILL ALL DIE AND ATLANTIS WILL BE MINE!

Ocean Master charged at us, but Lincoln's trap activated: his feet was chained to a high-tech platform and a glass dome then surrounded him. Then, he got out a hose attached to a massive container full of Tartar Sauce, and then, he activated the platform and container, and the hose began pumping the tartar sauce into the glass dome and Ocean Master was drowning in Tartar Sauce. Then, Lincoln fired a beam of ice energy which hit the dome and flash freezes the Tartar Sauce with Ocean Master inside it.

Lily: Whoa! This is just like what happened to Man Ray.

Then, Lincoln used magic to make the Tartar Sauce prison chamber heat proof, and he beamed the Tartar Sauce prison chamber with Ocean Master frozen inside to The M.O.E. Prison where he'll stay there forever.

Me: Trapped in a prison made of frozen tartar sauce! Funny!

Lincoln: That's that for Ocean Master. Now, for Looten Plunder.

Lincoln summoned bats that circled Looten Plunder, and then, Lincoln appeared from a white mist and he raised his right hand and his gold-plated claws slit Looten Plunder's throat and blood began flowing out and Looten Plunder tried to cover the slit, but nothing helped. Then, Lincoln made a fancy wine glass appear out of nowhere and had it in his right hand, and with it, he moved Looten Plunder's hand aside and all of the blood flowed right into the wine glass. Lincoln swirled the blood around, and then, he drank the blood until nothing was left, and then, he tossed it, but it disappeared.

Lincoln then turned into Nature Lincoln and used the Mother Nature's Vengeance Curse and trapped Plunder in a tree forever in our backyard and Finally, Lincoln banished Looten Plunder's soul to The Black Abyss after he finished draining his soul of energy. We cheered as we holstered our weapons and powered down.

Kwame: That's two down, and six to go.

Nico: And that was an awesome imprisonment you used on Ocean Master, Lincoln.

Lincoln: He deserves to be imprisoned inside frozen Tartar Sauce and I used magic to make the frozen Tartar Sauce prison chamber heatproof, and we'll decide if he can be put into The M.O.E. But, not any time soon.

Me: That's for sure.

Nico: He can rot in frozen Tartar Sauce for all I care.

Lincoln: That's true. Now, there's one last thing to do and one last loose end to tie up: Gern, Nefuria, Rowil, and Wein.

Lincoln did one final powerful energy slash that hit Gern, Nefuria, Rowil, and Wein hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gern, Nefuria, Rowil, and Wein were now on their last legs and they were really really mangled.

Then, Lincoln flew at and grabbed Gern by the neck with his left hand and he began draining Gern of his life energy and he also absorbed and assimilated his powers and he made Gern's powers his, and when Lincoln was done, Jerado was drained of his powers and life energy and left as a brittle husk that crumpled to dust and Lincoln sent him to The Black Abyss. We cheered wildly as we holstered our weapons and powered down and Earth's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long ocean blue wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large ocean blue and green planets orbiting around her legs, thirty-five smaller ocean blue and green planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized ocean blue and green planets orbiting around her wrists and ankles, and massive ocean blue angel wings and twenty-four sets of large ocean blue angel wings underneath her massive ocean blue angel wings are permanent.

Earth: It's over for you, Gern, Nefuria, Rowil, and Wein, now rot in The Black Abyss forever. Thanks for helping me get rid of the three monsters, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Earth.

Me and Nico: Our pleasure, Earth.

Suddenly, Earth wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Earth's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Earth sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did siphoning Gern, Nefuria, Rowil, and Wein's energy and powers and making all of their powers yours, Lincoln.

Lincoln: The three monsters paid the price for their crimes.

Me: That's for sure, and they paid the price for their crimes. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Mirror Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Mirror Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Valerie Mirror Moon, Werewolf Angel of The Mirror Moon of June.

Me: The Werewolf Angel of June's Strawberry Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Valerie Mirror Moon, Werewolf Angel of The Mirror Moon of June, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Mirror Moon of June. Valerie Mirror Moon is a powerful master of the powers of blue wolf fire, mirrors, The Mirror Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Valerie Mirror Moon is The Werewolf Mirror Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Scoots. Valerie trained Lincoln in mastering the powers of blue wolf fire, mirrors, The Mirror

Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a blazing passion and she wants nothing more than to rip her apart and trap her spirit inside a mirror forever underneath The Mirror Moon!

Nico: And I can guess you did the same thing to Elena, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Scoots getting a thrashing of her life and getting sent back to the nuthouse.

Nico: Serves her right.

Eli: Big time. That old goat!

Kitty: 2 Eco Villains down.

Biowulf: And 6 more to go.

Scorpion: And Ocean Master will be in our ranks.

Titania: He sure will be.

Gameface: How should we celebrate?

Nico: At Lynn's Table with us humiliating the jerks more. Great job everyone!

Kwame: (To the viewers) Now we've seen the last of Plunder.

Camie: Yep.

We went back home and had a great meal and humiliation session.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Elena Fire Moon, but she was in her werewolf form.

Lincoln: Elena Fire Moon.

Elena Fire Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Elena Fire Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Elena Fire Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Elena Fire Moon still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Elena Fire Moon was in a two-piece red bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Elena Fire Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Elena Fire Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Elena Fire Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Elena Fire Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Elena Fire Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Elena Fire Moon and he hugged her in his abnormally massive and powerful muscular arms, and Elena Fire Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Elena Fire Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Elena Fire Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Elena Fire Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Tyris Flare, and she and Lincoln are going to take down Death Adder and throw him to The M.O.E., but not before Lincoln absorbs his powers and immense strength and abilities.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Sebastian and Selena's mansion in the north of New York and salvage some of the stuff they like as well as destroy the house since it was tainted by the dark memories of that day. But, that's not where the rescue ends, after that, we'll be heading to New York City itself and we'll be heading for Trudeau Mansion, a mansion that was built as the home of The Trudeau Family, who were the richest and the most prominent family in New York City with ties to businesses all over the city and politics as well. But, despite it's pristine appearance and imposing stature, the mansion was abandoned ever since a tragedy occurred on Halloween Night in the 1920s: a tragedy involving black magic and demonic possession, but the story actually began eons ago when seven demons who'd defied divine law and tried to take the place of The Devil were bound together and cast out of Hell forever and right on the grounds of the mansion was where they lay.

But, there was a loophole: if these seven demons can possess seven people over the course of one Halloween night, they would be freed to turn our world into their little playground: Hell on Earth, and that's where the heiress of the family, Catherine Trudeau, came in. On Halloween Night in 1924, the 20-year-old heiress fell in love with a young man named Nathaniel Matthews, the son of a wealthy industrial and oil tycoon, and she was desperate to get him to fall in love with her, and so despite her religious upbringing in The Catholic Church, she'd resorted to magic. The story goes when she was practicing spells, she got in touch with evil spirits, but what she didn't know was that they were the seven demons who were banished from Hell eons ago after their failed rebellion, they tricked her into inviting Nathaniel Matthews and six of his friends over for a séance because the demons needed seven bodies, and once the séance started, so did the demonic possessions. Once one person had turned, all they had to do was bite someone else to possess all the rest as well, and soon, six people were turned into demons and they needed one more. But, the demons couldn't use a dead body, only a living one. So, when Catherine Trudeau realized that she wouldn't make it until dawn, she killed herself by hanging to keep the demons from getting out and they were forced back to the basement of the mansion when the sun rose and were left as skeletons once more.

Catherine Trudeau's death caused The Trudeau Family immense grief, and when dark rumors of what happened that Halloween night along with the discovery of their daughter's dabbling in black magic and The Black Arts began to circulate, The Trudeau Family's reputation was tainted and they lost their massive wealth, power, and connections to the businesses and politics and they eventually fell apart and disappeared into darkness and the mansion remained in its pristine state over the decades. But, that wouldn't end there, in 1984 on Halloween Night, Caleb Maxwell and some of his friends came to The Trudeau Mansion for a Halloween party, but when the host of the party got bit by the skeleton in the basement, he wound up getting possessed and turned into a demon and three more partygoers also got possessed and turned into demons, and the terror began once more. Over the course of the night, Caleb and two other surviving partygoers had to survive the night and they discovered a room that had spells and holy prayers in the mansion along with the story of what really happened here in 1924.

But, Caleb's two surviving friends got attacked and turned into demons, and Caleb was the only one left, but he didn't get turned because of his bloodline and connection to the vampires, and he decided to fight back against the demons, and when it was only five minutes left until 6:00 AM, he ran to the balcony and he jumped off, but he had a rope tied to his waist and had Catherine Trudeau's noose on as well and made it look like he killed himself since he knew the demons can't use a dead body and he couldn't be turned into a demon. Then, when the sun finally rose, his demon-possessed friends got burned by the sun's light and their bodies turned to ashes and went back to the basement where they were restored to their skeleton forms, and Caleb knowing the demons were gone removed the noose and untied the rope around his waist and landed on his feet and walked away, but he couldn't forget about what happened that Halloween night.

So, we're heading for The Trudeau Mansion to perform an exorcism and cleanse the place, but we're also going to fight against the demons who are going to take the forms of Caleb's friends from that night when they possessed them and we're gonna send them to The Black Abyss forever, and we're going to meet Valerie Mirror Moon, Werewolf Angel of The Mirror Moon of June, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Mirror Moon of June. Valerie Mirror Moon is a powerful master of the powers of blue wolf fire, mirrors, The Mirror Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. See you next time.

Earth Day 2024 Part 3 - Sly Sludge

Gi's day to shine

In the early morning hours at 12:31 AM, Lincoln had a dream, and he saw four figures hiding out and living in Frisco, Texas. But, there were no ordinary four figures, they were Nolan Violette-Loud, son of Lincoln's future wife, Nebula Violette. Dennis Gayl-Loud, son of Lincoln's future wife, Dew Gayl. Gwen Darcy-Loud Jr, daughter of Lincoln's future wife, Gwen Darcy. and Ollie Ember-Loud, daughter of Lincoln's future wife, Octavia Ember. Lincoln woke up from the dream, but he wasn't the only one, Team NDGO, Nyx Midnight, Gerenal Jason Dragonzor, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Dew Gayl: And it also means that we found out where our kids are at.

Me: They're at Frisco, Texas.

Nico: Oh god, no! that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

As we were about to go to Frisco, Texas, to rescue Nolan Violette-Loud, Dennis Gayl-Loud, Gwen Darcy-Loud Jr, and

Ollie Ember-Loud, then suddenly, there was a knock at the door.

Octavia Ember: (Groans and went to the door) Who would that be in the middle of the night?

Octavia Ember opened the door and saw a well-built man who has pure golden skin, bright blue eyes, some kind of energy Earth Element symbol that is on his chest, and has a toned physique. He wears a white lab coat over his shirtless waist, red pants with a white and dark blue sash, and black boots. He also wore goggles with green lenses around his neck. He wields two double edge swords called the Blades of Time. And a slender yet curvy and beautiful woman who has fair skin, grey eyes with ribbon design glasses, and short curled purple and black hair. She wears a black suit with a steel color on her shoulders, a silver cloak with star patterns underneath and a Magic Element symbol on the back, two rings around her arms, and gray ballet-like shoes. She wields twin magical pistons. They were Professor Time-Stone and Lady Witch-Time.

Lady Witch-Time: Greetings, Team NDGO.

Gwen Darcy: How do you know who we are? How are you?

Professor Time-Stone: I am Professor Time-Stone, Guardian and Protector of Time and Space.

Lady Witch-Time: Call me Lady Witch-Time, The Protector of the Galaxy. Also, do these young kids belong to you four?

The four kids whore with Professor Time-Stone and Lady Witch-Time, was a 16 years old boy who has lightly tan skin, olive eyes, and indigo and white hair brushed over to his left side. He wears gray shirt with lilac coat, gray pants, and dark gray boots. He wields his Crossbow-like sword. A

13 years old boy who has lightly tan skin, violet eyes, and platinum blonde hair swept to the left. He wears green shirt, white pants with a lighter green sarong tied around his waist, and green calf-high boots. He wields a spear. A young 14 years old girl who has lightly tanned skin, brown eyes with purple eye shadow, and curly black and white hair in ringlets. She wears wears black corset dress, light gray top with short sleeves, long purple ribbon belt edged in gray with a bow in the back and tied in the front and armor tassets, light gray stockings, and pale gray ballet flats with ribbons around her lower legs. She wields throwing kunai. And a young 15 years old girl who has lightly tan skin, olive green eyes, and long brick red and white loose hair. She wears teal blue waistcoat with dark brown strapless top, dark brown skirt, and navy blue ankle boots. She wields dagger-like fire blades. They were The Young NDGO.

When Team NDGO saw them, they were stunned.

Nebula Violette: (Stunned) How is that possible?

Lady Witch-Time: Me and Time-Stone found them in Frisco, Texas.

Team NDGO ran up to Young NDGO, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Nyx Midnight, General Jason Dragonzor, and Black Alpha.

Me: Thanks, Professor Time-Stone and Lady Witch-Time.

Lady Witch-Time: Anything for a fellow hero.

Professor Time-Stone: (to Lincoln) Do you have something to say to them?

Lincoln: Of course. (to Young NDGO) There's something you should know, Nebula, Dew, Gwen, Octavia, your mothers are one of my many future wives.

Nolan Violette-Loud, Dennis Gayl-Loud, Gwen Darcy-Loud Jr, and Ollie Ember-Loud: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Dennis Gayl-Loud, Gwen Darcy-Loud Jr, and Ollie Ember-Loud with joy, while Nolan Violette-Loud remain calm, but glad to hear it, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Lincoln told everyone what happened, and he then introduced The Young NDGO to the rest of his siblings, who are now their aunts. We were proud of what Lincoln, Professor Time-Stone, and Lady Witch-Time did in reuniting Team NDGO with their kids, and The Young NDGO now has a loving, strong, brave, and caring father in their life. As well as Professor Time-Stone and Lady Witch-Time join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dream: apparently, his dream brought him to New York City, and as he was flying, he located two mansions, one of the mansions was the family home of Selena and Sebastian Mendez, but it lies abandoned ever since that dark day Sebastian was infected by The Black Ooze of The Eldritch, and the other mansion he spotted, this one was from the 1900s, this was known as Trudeau Mansion, a mansion built as the home of The

Trudeau Family, the richest and the most prominent family in New York City with ties to businesses all over the city and politics as well. But, despite its' pristine appearance and stature, the mansion was abandoned ever since a tragedy occurred on Halloween Night in the 1920s: a tragedy involving black magic and demonic possession, but the story actually began eons ago when seven demons who defied divine law and tried to take the place of The Devil, and as punishment for this rebellion, they were bound together and cast out of Hell forever and right on the grounds of the mansion was where they lay.

But, there was a loophole: if the demons can possess seven people over the course of one Halloween night, they would be freed and if that happens, they'll turn our world into their little playground: Hell on Earth, and that's where the heiress of the family, Catherine Trudeau, came in. On Halloween Night in 1924, the 20-year-old heiress fell in love with a young man named Nathaniel Matthews, the son of a wealthy industrial and oil tycoon, and she was desperate to get him to fall in love with her, and so despite her religious upbringing in The Catholic Church, she resorted to magic. The story goes when she was practicing spells, she got in touch with evil spirits, but what she didn't know was that the evil spirits she contacted were the seven demons who were banished from Hell eons ago after their failed rebellion. Apparently, they tricked her into inviting Nathaniel Matthews and six of his friends over for a séance because the demons needed seven bodies, and once the séance started, so did the demonic possessions. Once one person turned, all they had to do was bite someone else to possess all the rest as well. Soon, six people were turned into demons and they needed only one more. But, the demons couldn't use a dead body, only a living one. So, when Catherine Trudeau realized she wouldn't make it until dawn, she killed herself by hanging herself on the balcony to keep the demons from getting out and they were forced back to the basement of the mansion when the sun rose and turned back into skeletons once more.

Catherine Trudeau's death caused The Trudeau Family immense grief, and when dark rumors of what happened that Halloween night along with the discovery of their daughter's dabbling in black magic and The Black Arts began to circulate, The Trudeau Family's reputation was tainted and they lost their massive wealth, power, and connections to the businesses and politics and they eventually fell apart and disappeared into darkness and the mansion remained in its pristine state over the decades.

But, he saw the story wouldn't end there. In 1984 on Halloween Night, Caleb Maxwell and some of his friends came to The Trudeau Mansion for a Halloween party, but when the host of the party was bit by the skeleton in the basement, he wound up getting possessed and he turned into a demon and three more partygoers also got possessed and turned into demons, and the terror began once more. Over the course of the night, he saw Caleb and two other surviving partygoers had to survive the night and they discovered a room that had spells and holy prayers in the mansion along with the story of what really happened here in 1924.

But, Caleb's two surviving friends got attacked and turned into demons, and Caleb was the only one left, but he didn't get turned because of his bloodline and connection to the vampires, and he decided to fight back against the demons, and when it was only five minutes left until 6:00 AM, he ran to the balcony and he jumped off, but he had a rope tied to his waist and had Catherine Trudeau's noose on as well and made it look like he killed himself since he knew the demons can't use a dead body and he couldn't be turned into a demon. Then, when the sun finally rose, his demon-possessed friends got burned by the sun's light and their bodies turned to ashes and the demons retreated back into the basement where they were reduced to skeletons, and Caleb knowing the demons were gone removed the noose and untied the rope around his waist and landed on his feet and walked away from the old mansion, but he couldn't forget about what happened that Halloween night.

Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not pretty.

Lincoln told them what happened.

Selena Mendez: You found our old mansion, we should get some our old stuff from there.

Lincoln: And destroy the mansion as well, Selena. That mansion is now tainted by what happened on the day your brother got infected by The Black Ooze of The Eldritch.

Selene Arcangela: And that other mansion you found in your dream, oh man, I thought we wouldn't have to hear of it again: Trudeau Mansion.

Lincoln: And it's connected to Caleb because he'd gone there on Halloween Night in 1984, but in the process, he lost seven of his friends to the demons. We're gonna end those demons by performing the exorcism and send the demons to The Black Abyss forever.

Selene Emperyous: And end another part of the demons that haunted him.

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to New York City.

Then, Lincoln explained that he found two mansions: one of them was the mansion where Selena and Sebastian lived before the day of their parents' ritual that'd led to him being possessed by The Black Ooze of The Eldritch, and the other mansion was Trudeau Mansion, a mansion built in the 1920s and belonged to The Trudeau Family, but eons ago, seven demons defied divine law and tried to take the place of The Devil, but as punishment, they were bound together and cast out of Hell. Then, in 1924 on Halloween Night, the heiress of The Trudeau Family, Catherine Trudeau, fell in love with a young man named Nathaniel Matthews, the son of a wealthy industrial and oil tycoon, and she was desperate to get him to fall in love with her, and so despite her religious upbringing in The Catholic Church, she'd resorted to magic. When Lincoln was done, we were shocked, and when Caleb Maxwell heard the mention of Trudeau Mansion, the memories of that Halloween night in 1984 came back to haunt him.

Caleb Maxwell: Trudeau Mansion, I thought I'd never have to hear of that place ever again, and I should've never gone there that night, I was lucky to have survived, but six of my friends didn't.

Me: We're gonna exorcise the place and send the demons to The Black Abyss.

Nico: And I got to ask, what kind of demons get cast out of Hell?

Cocytus Malefic: Apparently, those demons, they were badass and they couldn't even follow Hell's rules, and as a result, they were cast out of Hell forever never to return to the infernal kingdom again.

Lucy: We need to stop them once and for all or else it's the end of the world.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Solla Nexcrota, Fire Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Solla.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Solla Nexcrota, Fire Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Fire. She's The Fire Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Solla Nexcrota hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Sonya Nexcrota, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and earth, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like Camie...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Yesterday, Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of a dangerous cult that was going to bring an ancient evil to Earth and destroy us all. They did a terrible spell that backfired and released a black slime that went into Sebastian and it possessed him and made him what he was.

Solla Nexcrota: What?

Varie Yulinova: It's true, Solla, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Solla Nexcrota: The Black Ooze of The Eldritch did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Solla. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun that we're meeting tomorrow morning is Kira Textington, The Wind Mage of Darkness, she uses the powers of wind and darkness.

Lucy: Her power over wind and Darkness is that powerful, no one was able to defeat her.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head out to hunt down the next villain for Nico's rescue.

Nico: Along with Sergio's thugs.

Gi woke up to see Oshawott staring at her

Oshawatt: Morning Gi! Time for breakfast.

Gi: Oh morning. Wait it's my day? I thought it was...

Oshawatt: It was moved to tomorrow because of Linka's personal reasons.

Gi: Oh okay.

Gi got ready and she went to the table and had an amazing breakfast.

Me: Morning Gi. It's Day 3 of Earth Day and we're going to the Daring Do convention today.

Rainbow Dash: Awesome! You guys are going to love it.

Nicole: Yeah! It's perfect for treasure hunters like me too. Also later after that we're going on an amazing treasure hunt too.

Nico: Nice! Can't wait to see what our Quarry is.

Lola: Yep.

We then finished our breakfast, and we set out to hunt down the next villain for Nico's rescue and also get rid of Sergio's thugs and send the villain and those thugs to The Black Abyss.

Me: Wow! So this is the Daring Do Convention.

Daring Do: This is so cool that we're here for my convention.

Lola: This is gonna be so fun!

Xenia: Yeah!

Camie: Yeah this is gonna be so cool!

Ymir: I'm really excited for this one.

Nicole: Me too. This is perfect for treasure hunters like me too.

Apple Bloom: Me and my friends are excited for this too.

Pinkie Pie: Boy me too! This is gonna be an amazing party!

Crash Man: It sure is.

Nico: Crash Man, I want to thank you, Morph Moth, and your teams for coming

Crash Man: No problem Nico. This is gonna be fun.

Me: It sure is.

we got to a stand and saw many of Daring Do's books and they had many of our adventures in them too.

Me: Here's some of our latest treasure hunt adventures here.

Daring Do: Yep those were so fun.

Rainbow Dash: And so awesome too.

Ymir: (Reading Title) "Daring Do and Team Loud Phoenix Storm and the Emerald Staff of Nature." Wow! This looks cool.

Me: It sure is. Many of Daring Do's Adventures we had with her are based on some of the awesome treasure hunts we did.

Little Strongheart: Those are always so fun.

Camie: They sure are.

Nico: Little, what do you like to do in your free time?

Little Strongheart: Just call me Strongheart Nico. And to be honest I haven't given it thought because I've been trying to maintain the ways of my tribes traditions and all that.

Me: Very awesome and cool.

Ymir: Huh?

Me: Strongheart is part of a buffalo tribe and they are very similar to the Indians of North America. They were trying to stop the ponies from invading on their traditional stampeding grounds. Those grounds have been part of their tribal traditions for years.

Applejack: It was amazing to learn about too.

Me: Appleossa and the Buffalo Tribe were feuding when we first met them and it was in every way like a 1950s and 60s Cowboys VS Indians Western Movie back then.

Nico: I remember that. So awesome.

Me: Yep.

Nico: I'm sure you'll think of something.

Ymir: That is cool that the Buffalo in Equestria are like Indians in a way.

Me: Yep. Little Strongheart's tribe is very similar to the Navajo, Pueblo and Taos Indian Tribes in New Mexico.

Ben: Very similar to Kai's traditions.

Camie: That is so cool.

Lola: It sure is.

Me: Yeah and like I said when we met Wheeler's Akuma, the ways of the Indians have always fascinated me for years.

Nico: That is awesome.

Little Strongheart: I remember hearing you say that when we first met J.D. That was cool.

Me: It sure is.

Nico: Yeah.

We walked around.

Me: Wow look at this spear?

Nicole: That's the Ruby Spear of Hurácon, the Fire God of Storms and Wind. Said to contain the power to destroy entire cities with just a swing.

Me: Whoa! Lethal.

Nico: Nice!

Nicole: That's not our Quarry though. This was brought in a while back.

Nico: Oh. But that is cool.

Lola: Yeah.

We walked around.

Me: Man yesterday was epic.

Nico: It sure was.

Nico: We fought Plunder AND Ocean Master.

Me: We sure did.

Qin: That was so fun!

Lola: Yeah!

Camie: We had a lot of fun in that one.

Varie: We sure did and Plunder had the nerve to try and destroy the spot where me and J.D. met!

Nico: I know! What a dirtbag! But Plunder is gone for good now.

Lola: Thank goodness!

Nico: He sure is

Qin: Yeah! And we fought Kwame and Mera's Akumas which were really awesome.

Nico: Kwame's was a legendary creature called an Abada.

Lola: And Mera's was an Ursula mermaid creature.

Lana: I agree there.

Xenia: Yeah!

Nico: One of the few times we battled two at once

Me: Yeah.

Eli: That was still fun though.

Lola: Yep.

We continued walking around.

Me: Boy this is fun. Oh guys I just remembered as well why we are here too.

Nico: Why?

Me: I had a dream and found out that Daring Do of Sunny's World is here at this very convention.

Nico: Really?

Me: Yeah. She sure is.

Nico: Okay lead on.

Me: Okay lets see here.

I used what I remembered in my dream.

Me: Hmm. Here!

We saw an out of order bathroom.

Nico: Out of order?

Me: Hmm. Looks can be deceiving.

Then my sword started reacting to something.

I unsheathed it and saw a light coming the wall and it was hidden behind the paint.

Me: Hmm.

I stabbed the wall and turned the sword and there was a click and then the door opened and lead down a staircase!

Me: WHOA!

Camie: The door is a hidden passageway!

Nico: Sweet!

Me: Lets go.

We went down and it was amazing.

Me: Wow.

I formed an energy ball and used it as a flashlight.

Ymir: This is amazing.

Varie: It sure is.

But then...

CLICK!

SPEARS CAME AT US!

Me: LOOK OUT!

We ducked and stuck into the wall!

Nico: WHOA! This one has a bunch of traps.

Me: This one is gonna be a little more challenging.

Rainbow Dash: Now it's gonna be awesome!

Qin decided to use a spear.

Poromon stepped on a tile and then FIREBLASTS CAME AT US!

Me: WHOA!

We absorbed the fire and pressed on.

Then we got to a hall and saw SWINGING AXE BLADES!

Me: Whoa these are dangerous and sharp.

I slashed the axes and one broke off and I caught it.

Me: We could use this.

Little Strongheart: I could use this one.

Me: Nice.

We continued and then...

CLICK!

NUMEROUS POISON DARTS CAME AT US!

Me: HEADS UP!

I formed a shield and the darts stuck into it.

I saw a purple sheen on it and it showed it was poison.

I took the darts and pocketed them and decided to use them for later.

Me: These will come in handy.

Manaphy stepped on a tile.

SAWBLADES WERE LAUNCHED AT US!

Me: INCOMING!

We dodged them and they stuck into the wall!

Me: WHOA! Sapphire sawblades!

Eli: Sharp and lethal!

We decided to use them.

Then we got to a water pool.

Maria: A water pool? This will be easy.

Me: Wait. Too easy.

I pulled out a big fish and threw it and it landed into the pool and then it bubbled and then NUMEROUS FISH ATE IT AND REDUCED IT TO BONES IN SECONDS!

Me: Just as I suspected! It's a pool full of piranhas!

Maria: Oh.

Nico: YIKES!

We flew over the lake.

Me: Thank goodness Gina Green isn't with us here. She's still traumatized about what happened to her.

Lola: I don't blame her.

We got to the other side and then we got to a door and it had DARING DO'S CUTIE MARK ON IT!

Me: This is it.

Eddy: Allow me.

Eddy then went over to the door and grabbed Ed and then...

KRASMASH DING DONG!

Ed: WHO'S THERE!?

KRASMASH!

Ed: WHO'S THERE!?

KRASMASH!

Ed: (Dazed) WHO IS THERE!?

Me: Eddy not like that!

Nico: I think it's starting to open!

The door cracked and then shattered and it opened!

Me: WHOA!

We saw that it was an ancient tomb room.

Me: Wow! This is ancient.

Lola: Amazing.

Then my sword started glowing.

Me: Look!

We saw a Crystal Coffin and in it was DARING DO (G5)!

Me: There she is!

Qin: WHOA!

Sunny Starscout: NO WAY! This is gonna be so cool!

Nico: It sure will be.

Me: Here we go.

I pointed the blade at the coffin and then fired a beam of energy and then the coffin glowed and released a massive flash of light and then a massive and huge burst of energy blasted out and A.K. Yearing's house and everywhere she went to and more was made better than ever and it was awesome! When the light faded Daring Do awoke for the first time in 1,000 years!

Daring Do (G5): (Groans) What? What happened?

Me: Welcome back to the land of the living Daring Do.

Daring Do (G5): J.D., everyone and everypony? What happened?

Me: You were asleep for over 1,000 years.

Maria: Long Story.

Me: Yeah.

Daring Do (G5): Tell me everything.

We did so.

Daring Do (G5): So Opaline is back.

Me: Yep and we killed her 2 years ago. Now she is back for revenge. But we're off to a good start.

Nico: Yep.

Daring Do (G5): Oh man. But I will gladly help you out.

Me: Great.

Nico: Just like old times huh?

Daring Do (G5): It sure is.

Nicole: Yeah. Boy this was an awesome treasure hunt under the Daring Do Convention. Now comes the awesome fun part. We're going on a treasure hunt for real. This time it's in the Solomon Islands.

Nico: Lead the way.

Nicole: Okay.

With that we were off after buying souvenirs and more.

Later we were flying over the western Pacific Ocean.

Nicole: You guys are going to love the next quarry.

We arrived at the island of the hunt.

Nicole: Here we are.

Nico: What is our quarry?

Nicole: It's called the Sword of Gaia and it's a mighty sword that is imbued with the powers of the rings of Captain Planet and the Rings of Captain Planet.

WE GASPED!

Nico: A sword with all those powers?! That's incredible!

Nicole: Yep.

Nico: Who gets it?

Nicole: Well that is the tough part.

?: That's right Nicole.

Gaia the Spirit of the Earth appeared.

Me: Lady Gaia welcome.

Gaia: Thank you. And good work so far destroying the Planeteers enemies.

Me: We have 6 more to go.

Gaia: Good. My sword can only be wielded by one that is truly pure of heart and worthy and loves all life.

Me: So with a heart of gold and a soul that is good.

Nico: Wow! This is gonna be tough.

Maria: Doesn't that fit all of us?

Gaia: No it's someone that J.D. knows and she is the only one that is capable of wielding my sword.

Me: Who is it?

?: Perhaps I can jog your memory.

We saw Bangray!

Me: Bangray!

Bangray: I got just the solution to this problem

Me: Okay.

His eyes glowed and then I heard a voice I hadn't heard in a long time.

?: Hello J.D.

Me: (GASP) That voice.

I turned and we saw a girl with green hair and had blue eyes and had green clothes and had green angel wings.

Me: (GASP) Ellia Eden Christian!

I went and hugged her for the first time in 6 years.

Me: Ellia It's good to see you again.

Nico: You know her?

Me: She is one of my friends from Colorado. We met in the forest and she loves all life and has one of the most pure hearts of all. But she got hit by lightning and died! (CRYING)

EVERYONE GASPED!

Nico: Oh man!

Bangray: No one caused that. It was an accident

Nico went over and pat my back.

Nico: I'm sorry man. I'm sorry.

Me: It's okay. (Sniffles) But now I have a chance to bring her back.

I snapped my fingers and then the light of heaven shined down and then angelic singing was heard and then Ellia's soul came and she was brought back.

Ellia Eden: I'm back!

Me: Yep.

Nico: You sure are.

Ellia Eden: Thank you.

Me: You're welcome.

Bangray: Seriously, it was an accidemt

Nico: We know. It was nature related.

Me: Thanks Bangray.

Bangray: You're welcome. See you all next usual battles.

He teleported back.

We went to find the sword and we got to a nature filled grove.

Me: Wow!

Qin: Beautiful.

Me: Look!

We saw the Sword of Gaia.

Nicole: At long last! The Sword of Gaia.

Nico: You do the honors

Ellia Eden: Me? But I...

Gaia: Ellia you are truly worthy of wielding my sword and you have the pure heart for it.

Ellia Eden: Okay.

She went over to it and then grabbed the hilt and pulled it and then she pulled it out and then she was enveloped in a massive vortex of nature and elements!

(ESCAFLOWNE (FOX KIDS) THEME PLAYS)

She got amazing green clothes and more and she had beautiful green angel wings and then she got the symbol of Gaia in the middle of her forehead and on her skirt, shirt and on her arm.

When the vortex faded she was forever changed!

Me: WHOA! Ellia how do you feel?

Ellia Eden: I feel amazing!

Me: Wow!

Nico: Nice!

Ellia Eden: Thank you Lady Gaia.

Gaia: You're welcome. Use it well.

She teleported back.

Nicole: That was an awesome treasure hunt.

Lincoln: Okay, guys, we're in for one awesome battle, we're here on The Solomon Islands, but here's the villain: Nico, are you familiar with someone by the name of Mr. Leichter who has no relation to Leichter of the Big Five?

Nico: (GASPS) WHAT?! THAT GOOD-FOR-NOTHING PIECE OF SHIT TEACHER WHO DID EVERYTHING HE COULD TO MAKE MY LIFE MISERABLE BECAUSE HE HATED ME WITH A VENGEANCE! (SAVAGE WOLF GROWL)

Me: WHOA!

The rest of the team were with us.

Qin: Oh man, I don't believe it! I thought you got that piece of crap sent to prison after you got him fired and his teaching license revoked years ago!

Me: You guys know him?

Ellie Singh: Unfortunately, we do.

Qin: Mr. Leichter was a teacher from our high school in New Jersey, and just as it was pointed out, he hates Nico with a vengeance and did everything he could to make him miserable.

Me: Just like in my case and Lincoln, Liam, Rusty, Zach, Clyde, and Stella's case with Bolhofner.

Nebula Lanaia: Wait what?! Lincoln's been...?! (GROWLS) When I find Bolhofner, I'm gonna kill him!

Lori: And Lincoln got rid of Killjoy Huggins in The Sensei Air Realm.

Nebula Lanaia: Good, I hated that despicable petty toupee wearing murderer that was inside Principal Huggins.

Me: We'll probably face him on Stella's big day, and we'll all get payback on Old Stank Breath!

Lincoln: Good, I've been looking forward to killing him as well.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, lets get after Mr. Leichter.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them (Sensed for Mr. Leichter) AHA! There you are, you shithead! I spotted Nico's former teacher, he's 20 yards away, but he's heading right for us in a rage!

Nico: Let's get that bastard and nail his fucking ass to the wall!

Whitney heard a Pokemon Cry.

Whitney: Look here guys.

We saw a Rowlet.

Me: Cool a Rowlet!

Ellia Eden: Oh it's so cute.

Me: It sure is.

Rowlet: I agree.

Whitney: Are you hungry?

Rowlet: I sure am.

Whitney gave her food.

Rowlet: Thank you.

Whitney: You're welcome. Want to come with?

Rowlet: Sure.

Poromon: Yay!

Ymir: Awesome!

But then we saw the land glow and then we saw the entire island get transmogrified into an amazing and incredible alien landscape!

WE GASPED!

Me: WHAT THE!?

Xenia: WOW!

Nico: Who did that?

Me: Not me.

Yakumo: This isn't my work.

Molly Hale: I think the Unown are responsible for this.

Eli: More than that! They are here!

We saw The Unown!

Me: WHOA! The Unown!

Ymir: Wow! They can do this!?

Me: They have the power to warp reality. Their power is omnipotent.

Nico: But what are they doing here?

Me: No idea! But this is gonna be intense!

Varie: Let me see.

Varie used her telepathy and gasped!

Varie: OH MY GOD! Kida those Unown are all your sister Theia!

Kida gasped!

Kida: My sister Theia!

Me: She's from Atlantis!? Whoa!

Nico: All of them are one person?!

Eli: That is so unusual! But the Force is telling me that the Unown are all linked in terms of consciousness.

Nico: Wow!

Me: Meaning they work together as one.

Molly Male: Yeah my father was trying to figure them out for a long time.

Me: Their power is still a mystery though. Lets go help her!

Kida: Right!

Varie: Hold on Theia!

We went to face the Unown!

Kida: Theia calm down and lets talk!

All they did was use Hidden Power

They fired a massive energy blast and I fired a Kamehameha Wave and the blasts collided And then there was a huge explosion!

EXTREMELY MASSIVE AND POWERFUL EXPLOSION!

Eli: WHOA!

Qin: POWERFUL!

Ellia Eden: That was intense!

Nico: WHOA!

When the smoke cleared, they were down but not out.

Me: They move as one like a collective consciousness.

Nico: Yeah.

Kida: This is gonna be tough. I hope the Crystal can handle this.

Me: Well the Crystal is essentially the consciousness of Atlantis so its power must match theirs.

We fired waves of energy and blasted them all over.

Eddy fired his blaster at all of them

They were knocked down and I snapped my fingers and they merged into one and formed into a girl with white hair, blue eyes, had an Atlantean Crystal necklace and had blue clothes and had blue angel wings and had a cutie mark shaped like the Atlantis A and the Shepherd's journal on it. She had Unown on her forehead, shirt and skirt.

We brought her over.

Me: Whoa!

Then the changed landscape reverted back to normal.

Me: Wow that was intense.

Xenia: It sure as.

She woke up.

Theia: (Groans)

Kida: (In Atlantean) Theia are you okay?

Theia: (Groans) (In Atlantean) Kida? Kida!

She and Kida hugged.

Varie: (In Atlantean) Thank goodness you are okay Theia. 10,000 years have come and gone.

Theia: Varie you are looking great after all this time.

Varie: I know.

Applejack: What is that language?

Me: It's Atlantean. It's what they spoke in Atlantis back 10,000 years ago.

Theia: (In English) J.D. and Eli and everyone. It's good to see you.

Me: Same here Theia. You were turned into the Omnipotent reality warping Pokemon called the Unown. It was all by Dark Gale.

Theia: Oh man! I wasn't in Sonya's team back then but they hit me and injected me.

Me: Oh man.

Sonya: So you weren't with the team when they did this to you.

Theia: No I wasn't.

Nico: What do you like to do in your free time?

Theia: Well for over 10,000 years I was trying to figure out what lead Atlantis to sink into the sea. I walked the Earth for all these years to figure it out. But no luck.

Camie: Wow. How did Atlantis sink?

Me: Well in the movie I remember seeing this massive explosion and then a HUGE cataclysmic megatsunami covered Atlantis and sunk it into the sea.

THEIA GASPED!

Theia: Father tell me you didn't.

Me: What is it?

Theia: It was because of a weapon father tested that went wrong. It caused Atlantis to sink like that.

Me: Oh man! That was back 10,000 years ago.

Nico: Yeah. But we found Atlantis and brought it back up to the surface after over 10,000 years.

Nico: But we know your father is a good person.

Eli: Yeah and he was doing everything to make sure that we wouldn't abuse the power of the Crystal.

Me: Yeah.

Theia: I'm glad.

Lily: We learned so much about Atlantis and swore to protect it from all those that would abuse its power like that.

Nico: Yeah.

Theia: I'm glad that Atlantis is protected by good people.

Kida: We are too.

Me: We're sharing the knowledge and light of Atlantis with everyone we know and more and it's awesome.

Theia: Wow! I'm glad Atlantis is being learned about from everyone.

Me: Yep.

Theia: I will gladly help you all too.

Me: Awesome.

Nico: Great!

Me: Now lets go bring down that douchebag teacher that hates you Nico.

We took off into the air to take down Mr. Leichter and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our target: MR. LEICHTER, NICO'S FORMER SO-CALLED TEACHER WHO HATED HIM WITH A VENGEANCE AND DID EVERYTHING HE COULD TO TRY AND MAKE HIM MISERABLE!

Mr. Leichter: YOU MISERABLE LITTLE MONKEY! COME DOWN SO I CAN FINALLY KILL YOU AND GET MY REVENGE ON YOU!

?: OH, SHUT THE FUCK UP ALREADY, DICKHEAD!

Suddenly, the spirits of demons and monsters appeared from nowhere and they attacked Mr. Leichter with unbelievable fury and sent him flying right into a wall, and when he got back out, he cursed at us like a total fucked-up madman. Then, the spirits converged, and a massive tornado of darkness and elemental forces erupted and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we emerged.

Nico: You've got some fucking nerve showing your face here again, you son of a bitch! I thought I was finally rid of you, and you thought I would let you do as you please, think again!

Qin: You made a mistake trying to hurt Nico and all for your own hatred, he saw right through you and he made the right choice getting you fired and your teaching license revoked.

Ellie Singh: You had no right to do as you please and all for your own fucking hated towards Nico!

Erica Haddock: A piece of shit like you didn't deserve to be teaching in the first place if that was your true nature!

Missy Rodgers: I would've thought you'd remain in prison forever until the day you die.

Leandro: I was really angry when Nico told me of what you've done, a teacher was supposed to help teach his students, but you, you're a disgrace to all teachers everywhere.

Mr. Leichter: I HATED YOUR STUPID SON FOR EVERYTHING THAT HE IS! I WANTED NOTHING MORE THAN TO DESTROY HIS LIFE AND SEE HIM SUFFER AND DIE! BUT, YOUR STUPID SON RUINED ALL OF MY PLANS AND GOT ME FIRED AND MY TEACHING LICENSE REVOKED AND SENT TO PRISON FOR LIFE! NOW, I WILL KILL HIM AND ALL OF YOU AND PRESENT YOUR HEADS TO THE DARK LORD!

We then saw that Mr. Leichter had a black snake tattoo with the symbol of Apophis on top on his right arm: HE MADE A DEAL WITH DARK SEBASTIAN AFTER HE ESCAPED FROM PRISON!

Nico: You piece of shit, you made a deal with Dark Sebastian?! You idiot, don't you realize that you're nothing more than just a plaything for him to abuse and destroy?!

Mr. Leichter: FUCK YOU, SHITHEAD! NOW, DIE!

Suddenly, Mr. Leichter summoned armies of werewolves with The Dark Pact of Apophis, but Lincoln threw Silver Daggers which hit them in their hearts and they died as the silver poisoned them. Then, Mr. Leichter summoned armies of vampires, and Lincoln threw Holy Water Flasks that exploded and released a shower of holy flames and holy water that burned them and reduced them to ashes and when enhanced by Light Magic, it also produced a barrier that protected us.

Nicole: Wow, using the secondary weapons with a combination of Light and Shadow Magic produced some deadly results.

Me: Yep.

Nico: You make me sick Leichter!

Nico punched him in his face!

POW!

Nico: That was for all the times you slammed my head against a desk!

Nico then gave him an atomic wedgie!

HOING!

Nico: THAT WAS FOR SHAVING MY HEAD BALD!

Nico kicked him in the crotch!

DING!

Nico: That was for giving me swirlies in the girls bathroom!

Me: WHAT THE FUCK!? He did all that!?

Qin: Yeah he sure did. He hated Nico's guts with a vengeance like how Cemetary Wind hates the Transformers!

Me: SHIT!

Rowlet charged at him and blasted him with energy.

Nico punched him in the nose!

Nico: That was for making me eat chum!

Nico punched him in the stomach and elbowed him and then shoved ice down his pants!

Nico: That was for chopping off my fingers and making me eat them!

WE GASPED!

Me: HE DID THAT!?

Laney: OH MAN!

Xenia: GOOD GOD!

Missy: Thank goodness Nico had Sabretooth's powers beforehand.

Roxy got out her Gashat

Roxy: You make me sick!

She activated it!

TJ Detweller: Time to go all out!

Roxy and TJ: RECESS NATURE BLAST!

They fired waves of energy and blasted him all over.

Ed got out his Gashat.

He activated it.

Jake and Nelson: JUSTICE BUTTKICKING FIRESTORM!

They fired waves of fire and energy and blasted him.

He activated it!

Sherri & Terri: Lets bring the pain!

Duncan and Sherri & Terri: BAD KID BLAST!

They fired waves of energy and blasted him all over.

Fabia got out her Gashat.

Fabia: You are a monster!

She activated it.

Ralph Wiggum: Lets bring some puke.

Fabia and Ralph: LIGHT FUN BLAST!

They fired waves of energy and blasted him all over.

Nico: This is for all the pain you caused me!

Nico got out his Gashat. It was called Nico of the Saiyans.

Nico: I am a Saiyan and you will get no mercy from me!

Nico activated it.

Ms. Krabappel: Lets make this monster pay! HA!

Nico and Ms. Krabappel: SAIYAN BUTTKICKING BLAST!

They fired waves of energy and blasted him all over the place!

Margo got out her Gashat.

Margo: You are just as bad as Bolhofner!

She activated it.

Ms. Hoover: Lets bring the pain!

Margo and Ms. Hoover: PAIN OF SPRINGFIELD BLAST!

They fired waves of energy and blasted him all over.

Kida: Like old times sister?

Theia: I was gonna ask that but you know it!

Theia and Kida: ATLANTIS DEATH RAY!

They fired a wave of energy and blasted him all over the place with intense power.

Poromon pecked him.

POINK POINK POINK POINK POINK!

Poliwag slapped him with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Hippowdon: CANNONBALL!

He smashed Mr. Leichter with a deadly backbreaking flop!

SMASH!

Manaphy bashed him in his face.

Mevya belched in his face.

Jirachi bashed him with huge boulders from the sky.

Tentacool fired lasers.

Horsea squirted ink And blinding him.

Me: Top this!

I activated the Dilophosaurus (Jurassic Park) Ridewatch.

I spit poison slime and it went into his eyes and Mr. Leichter screamed in pain.

POW!

Nico punched him.

Nico then kicked him in his face.

Nico: (Imitating Dirty Harry) What's going on here? Huh? You looking for something? You looking for me? (Points to himself)

Mr. Leichter: Huh?

Nico: You want some more?

Mr. Leichter: No?

Nico: You do?

Mr. Leichter: No?

Nico: Yeah?

Mr. Leichter: No!

KRABLAM!

Nico smashed him all over!

Mr. Leichter slapped Horsea

But she dodged him.

Horsea: MISSED ME! MISSED ME! NOW YOU GOT TO KISS ME!

She smooched him full on the mouth!

SMOOCH!

HE SPIT ALL OVER!

Me: Open wide!

Nico held opened his mouth and I dumped a huge bucket of chum down Mr. Leichter's mouth!

Nico: NOW FUCKING SWALLOW!

He didn't and I slapped him and made him swallow! He screamed!

Then...

SLASH SLASH!

I slashed his hands off!

HE SCREAMED IN PAIN!

Nico kicked him in the groin!

DING!

Nico then gouged his eyes out!

SPLAT!

HE SCREAMED IN EXCRUCIATING PAIN!

I then took Out a razor and shaved his head Bald!

Me: UH OH somebody's (Singsong) FABULOUS!

Nico kicked him to the ground!

Nico: Take that!

Me: I got something.

I grabbed him and flew into the air and went into space.

Me: See you next fall!

He fell and screamed as he fell back to Earth and then he crashed into the ground with the force of a meteor!

KRASMASH!

Eddy: That's gotta hurt!

Nico: Big time!

Me: Lets finish him!

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Sergio Thug: Our loot!

?: (Icelandic Accent) You mean MY loot!

We saw the next member of the International Clan of The Coopers!

Lincoln: (GASP) Sigurbjorn Orresdottir Cooper! Awesome!

Sigurbjorn Orresdottir Cooper: Good to see you Lincoln.

Anna Anyanova: Sure. This is Sigurbjorn Orresdottir Cooper, The Moon Striking Phantom of Reykjavik of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Iceland in Reykjavik and an amazing and skilled thief and master of ice, volcanoes and the Aurora and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Iceland and she helped him on lots of dangerous jobs. She's known as The Moon Striking Phantom of Reykjavik because she uses the full moon to make herself invisible and strikes by stealing from inmates of prisons and corrupt politicians and more. She only does this on criminals and more. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Sigurbjorn came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of ice, volcanoes, and the Aurora and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Sigurbjorn Orresdottir Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Pleasure to meet you.

Sigurbjorn Orresdottir Cooper: Same here.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white

feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, the thugs were now skinny as a rake and completely weak. Then, Lincoln swung his massive greatsword and unleashed a deadly slash attack that dismember the thugs into a million pieces instantly!

Me: OH MAN! THAT WAS...!

Nico: That was the deadly slash attacks of Michael Myers!

Anna Anyanova: The only one who taught him that is The Avatar of The Halloween Horror Movies. (Sensed the Anothers) And she's among The Anothers along with The Avatar of Castlevania, The Avatar of The Child's Play Movies, The Avatar of Firestarter, The Avatar of The Psycho Movies, The Keyblade Knight of The Bikini Badlands, and the Gene-Slammer of Indigo-Eyes Silver Dragon!

WE GASPED!

Eli: (Sensed it) Anna's right! And there's also Another Gi! Let's finish Mr. Leichter off and deal with them before Dark Sebastian shows up!

Lincoln: Right.

Sergio Thug: THE BOSS WILL BE AVENGED HERE AND NOW!

The surviving Sergio Thug charged at us, but Lincoln bared his fangs, and he bit the thug on his neck and he sucked the thug dry of his blood, organs, and lifeforce and left him as a desiccated corpse as Lincoln let out a bellowing roar and pounded his chest like a gorilla!

Me: Whoa, he also sucked the thug dry of his organs and lifeforce along with his blood. (Recognizes that very power) Oh crap, does that also mean one of The Avatars of The Great Horror Movies also includes The Avatar of The Mummy Movies?

Eman Reynolds: Maybe.

Anna Anyanova: We won't tell.

Nico: Dang it. Alright, let's just get that son of a bitch before that depraved lunatic shows up and tries to kill him.

Mr. Leichter: DIE! DIE! DIE!

Mr. Leichter went berserk and tried to attack us, but Lincoln punched him hard in the stomach with his left fist and since The Dark Gauntlets had merged with his gold Bracers of The Champions of The Universe, it also increased his already massive godly superhuman strength beyond, and Mr. Leichter went down like a sack of bricks as he belched out massive amounts of blood!

Nico: Damn!

I scanned Mr. Leichter and Lincoln's punch ruptured his intestines and caused some massive internal bleeding.

Me: That punch of his ruptured that parasite's intestines and caused some massive internal bleeding, but it didn't kill him.

Lincoln: Of course not. (Smirks) But, this means we're just getting started.

Suddenly, Lincoln felt a really sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 10,880'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 9,880'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 8,880'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 7,880'0" and the another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 6,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 5,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 4,880'0", and and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 3,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 2,880'0 and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 980'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 680'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 380'0", and the shoulder blades of his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings have eyes with rainbow irises.

Then, Lincoln fired rays of light from the eyes on the shoulder blades of his massive white angel wings and eleven sets of large white angel wings and they hit Mr. Leichter and he got burned badly!

Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Mr. Leichter, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Mr. Leichter: YOU! YOU!

Caleb Maxwell: Oh, shut the Hell up already!

Caleb Maxwell raised his guns and he proceeded to fire at Walter Peck, and he screamed in agony. When the smoke cleared and the dust settled, Walter Peck was in excruciating pain after Caleb riddled him with bullets!

Me: (GASPS) HE TURNED HIM INTO SWISS CHEESE!

Roxy Drake: Okay, now this is really getting ugly.

Caleb Maxwell: It's about to get even uglier!

Caleb Maxwell let his guns go, and as they levitated, he made a slit on his right palm and got blood flowing into it, and then, he placed it on the ground and the blood spread out and formed four crosses surrounding a Devil Trap underneath Mr. Leichter's feet!

Caleb Maxwell: This is the end for you, Mr. Leichter! BLOOD NIGHTMARE FINALE: NIGHTMARE AT LAGUARDIA HIGH SCHOOL!

The blood seal glowed and blood clones of the vampire students and teachers from the incident at LaGuardia High School formed. Then, they charged at Mr. Leichter and they attack him with savage ferocity. Then, when it was all done, Caleb Maxwell dispelled the clones and the blood seal vanished and his guns were back in hand, and Mr. Leichter was badly mangled.

Me: Another Blood Nightmare Art?

Timothy Maddock: (British Accent) And this one was based on the incident at LaGuardia High School back when Caleb was in his senior year, I hadn't forgotten about it. But, there's more to the story of the incident, The Council sent me to kill the principal responsible for this, but I got there too late to see that Caleb, Ashley, Josh, Ryan, and Sharon had killed the vampire-turned students and teachers along with the man responsible for it. I wanted to wipe his friends' memories of what they'd seen, but that wouldn't help: Ashley, Josh, Ryan, and Sharon made their first kills, same with Caleb, and they'd been hit with trauma from that night.

Me: Oh man.

Nico: Did any of them seek therapy for that night?

Timothy Maddock: (British Accent) They did, at least for his friends, but Caleb's was a different story: even though he sought therapy, everyone else decided to antagonize Caleb even more, but they were fools to do so. The first kills he made not only gave him trauma, but whenever they make him angry, he can turn really dark in less than a few seconds, and if not calmed down, he would've easily hurt the poor mortal who dared to anger him. I'd seen it for myself, despite Caleb's desire to protect those he cares about dearly, Drake's physical abuse led to Caleb's psychological trauma and damage, and a darkness takes hold whenever he gets angry, and that darkness followed him into death in 1985, and after he came back, it became another source of power for him.

Me: The ability to turn the darkness of his trauma and anger into power, that's something that can hurt someone deeply if not brought to an end.

Victor Bristow: (German Accent) And that led to him creating The Blood Nightmare Arts, the vampiric Dark Arts that use the trauma and pain of the caster and turns it into powerful techniques. But, this also has a positive effect, whenever Caleb uses those techniques, it removes more of the traumatic darkness that followed him.

Caleb Maxwell: But, not all of it, Victor, it reached deep into me and I didn't seek out the help from our family's priest, and I can't reach him now, he died a year before The Hallowshade Bloodbath.

Lincoln: Then, you'll be needing the help of a higher power, Caleb, but not after we take care of this dirtbag who's just as bad as Bolhofner.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Mr. Leichter hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Mr. Leichter was on his last legs and he was really really mangled.

Mr. Leichter: YOU...! YOU...! I WILL KILL YOU!

We stood ready when we saw Mr. Leichter charging at us, but then, we saw a black ball of darkness heading right at Mr. Leichter, and he got hit and he was being burned alive by the dark flames, and we heard him screaming in agony as his body and bones were being consumed by black flames and his soul was sent to Limbo, and we heard the sound of deranged demonic cackling and we saw Dark Sebastian flying and he ran back to Transylvania.

Qin, Erica Haddock, Ellie Singh, and Missy Rodgers: YOU PSYCHOTIC SON OF A BITCH! YOU JUST STOLE OUR KILL! YOU'RE GONNA PAY FOR THIS WHEN WE SEE YOUR ASS AGAIN!

We holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, twenty-five large colored planets orbiting around the legs, twenty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and eleven sets of large colored angel wings underneath the massive colored angel wings of Qin, Ellie Singh, Erica Haddock, and Missy Rodgers are permanent.

Nico: I can't believe this, we were that close to ending Mr. Leichter, but Dark Sebastian just had to get in the way and steal our kill from us!

Qin: He's such a deranged piece of crap! He stole our kill and thought he could get away with this?! He is so fucking dead!

Me: That's for sure, that fucker's dead!

Lincoln: There's no way I'm letting Dark Sebastian getting away with this.

Lincoln formed a black fireball with the symbol of The Nightflame Sun, and he threw it and it hit Dark Sebastian who was hiding in Transylvania, and he was hit with a curse that'll send him flying back to Transylvania after Selena and her friends blast him.

Nebula Lanaia: I also knew you were a master of all forms of magic, Lincoln, and you have the library full of magic spell books from all over on all forms of magic.

Me: And he knows a lot of curses as well.

Nico: (GULPS) Especially some dark and lethal ones.

Anna Anyanova: And we saw the result of what happens to those hit by the dark and lethal curses. But, we're already angry Dark Sebastian stole a kill for us, if he steals one more kill for us, he's gonna pay for this.

Selena Mendez: He's already got a really brutal curse on him thanks to Lincoln: that blast you saw him fire was known as The Nightflame Sun's Black Fire Sunstorm Vengeance Curse, it'll send him back to Transylvania when me and my friends blast him back to Transylvania, and it'll keep getting worse whenever he keeps coming after us.

Varie Yulinova: He deserves it big time.

Lincoln: You said it.

Nico: Another enemy of mine dealt with.

Missy Rodgers: Yep. Even though Dark Sebastian stole our kill at least we got some well deserved payback.

Me: That is for sure.

Nico: Nice job Rowlet.

Rowlet: Thanks Nico. That was fun.

Poromon: Want some beer?

Rowlet: Sure!

Poromon: YAY! There you go.

He gave her a beer.

She drank it down.

Rowlet: Ahh. (BARNEY BELCH)

Barney Gumble: Welcome to the club! (BELCH)

She got drunk.

Poliwag: Sing the ABC's!

Rowlet: (DRUNK SINGING AND BELCHING) ABCDSJFNBIWJNWMRNGQNQOVJQ!

WE LAUGHED!

Nico: Oh, Crash Man, what do you like to do in your free time?

Crash Man: Oh I work and drive at the Demolition Derby and destroy cars and racers for sport and.

Murray: COOL! The Murray would love to smash against you.

Nico: YEAH!

Me: You know Nico, maybe the Mascots can smash in the demolition derby.

Poromon: Maybe some other time. We have something else planned later

Me: Oh okay then.

Qin: Uh oh. Ratchet you better get some of the paramedic units on standby.

Ratchet: Okay then.

Nico:... dare I ask what it is?

Poromon: We're going to ride on a bullet train.

Me: Cool!

Poliwag: Yeah! And we're going on that worldwide pneumatic train.

Me: Cool! We'll go with you just in case.

Nico: For supervision!

Poromon: Okay.

Me: Cool!

Qin: Great!

Nico: Now for the Anothers.

Me: We got Another Morph Moth, Buffalo Undead, Malefic Rainbow Dragon, Myra Sokolov, Nonon Jakuzure (Kill la Kill) and Dr. Bloodsplash!

Nico: WHOA! So Crash Man, Little Strongheart, Kat Crash, Nurse Nina Redheart, Yuzuriha Ogawa and Maria Santiago are up.

Lincoln: (Sensed the Anothers) Aha, here come the Anothers, and like Anna said, they're none other than The Avatar of The Halloween Horror Movies, The Avatar of Castlevania, The Avatar of The Child's Play Movies, The Avatar of Firestarter, The Avatar of The Psycho Movies, The Keyblade Knight of The Bikini Badlands, and the Gene-Slammer of Indigo-Eyes Silver Dragon, and Another Gi.

Me: WHOA!

Nico: Quite a handful!

Gi: Another me? Wow!

Eli: We obviously need to blow more steam off thanks to Dark Sebastian's stunt in stealing our kill from us.

Qin: That's for sure, and there's no better person to take that anger out on than The Anothers!

As a result, Lincoln promised that when he comes of age, he will marry Olivia Kaiba along with the rest of his harem, and she hates really hates Lincoln's enemies and she loathed her father with an extremely blazing passion and wants nothing more than to kill Gozaburo Kaiba and banish him to The Black Abyss which is far worse than sending him to The Shadow Realm.

But, that's not where the rescue ends, after that, we'll be heading to New York City itself and we'll be heading for Trudeau Mansion, a mansion that was built as the home of The Trudeau Family, who were the richest and the most prominent family in New York City with ties to businesses all over the city and politics as well. But, despite it's pristine appearance and imposing stature, the mansion was abandoned ever since a tragedy occurred on Halloween Night in the 1920s: a tragedy involving black magic and demonic possession, but the story actually began eons ago when seven demons who'd defied divine law and tried to take the place of The Devil were bound together and cast out of Hell forever and right on the grounds of the mansion was where they lay.

But, there was a loophole: if these seven demons can possess seven people over the course of one Halloween night, they would be freed to turn our world into their little playground: Hell on Earth, and that's where the heiress of the family, Catherine Trudeau, came in. On Halloween Night in 1924, the 20-year-old heiress fell in love with a young man named Nathaniel Matthews, the son of a wealthy industrial and oil tycoon, and she was desperate to get him to fall in love with her, and so despite her religious upbringing in The Catholic Church, she'd resorted to magic. The story goes when she was practicing spells, she got in touch with evil spirits, but what she didn't know was that they were the seven demons who were banished from Hell eons ago after their failed rebellion, they tricked her into inviting Nathaniel Matthews and six of his friends over for a séance because the demons needed seven bodies, and once the séance started, so did the demonic possessions. Once one person had turned, all they had to do was bite someone else to possess all the rest as well, and soon, six people were turned into demons and they needed one more. But, the demons couldn't use a dead body, only a living one. So, when Catherine Trudeau realized that she wouldn't make it until dawn, she killed herself by hanging to keep the demons from getting out and they were forced back to the basement of the mansion when the sun rose and were left as skeletons once more.

Catherine Trudeau's death caused The Trudeau Family immense grief, and when dark rumors of what happened that Halloween night along with the discovery of their daughter's dabbling in black magic and The Black Arts began to circulate, The Trudeau Family's reputation was tainted and they lost their massive wealth, power, and connections to the businesses and politics and they eventually fell apart and disappeared into darkness and the mansion remained in its pristine state over the decades. But, that wouldn't end there, in 1984 on Halloween Night, Caleb Maxwell and some of his friends came to The Trudeau Mansion for a Halloween party, but when the host of the party got bit by the skeleton in the basement, he wound up getting possessed and turned into a demon and three more partygoers also got possessed and turned into demons, and the terror began once more. Over the course of the night, Caleb and two other surviving partygoers had to survive the night and they discovered a room that had spells and holy prayers in the mansion along with the story of what really happened here in 1924.

But, Caleb's two surviving friends got attacked and turned into demons, and Caleb was the only one left, but he didn't get turned because of his bloodline and connection to the vampires, and he decided to fight back against the demons, and when it was only five minutes left until 6:00 AM, he ran to the balcony and he jumped off, but he had a rope tied to his waist and had Catherine Trudeau's noose on as well and made it look like he killed himself since he knew the demons can't use a dead body and he couldn't be turned into a demon. Then, when the sun finally rose, his demon-possessed friends got burned by the sun's light and their bodies turned to ashes and went back to the basement where they were restored to their skeleton forms, and Caleb knowing the demons were gone removed the noose and untied the rope around his waist and landed on his feet and walked away, but he couldn't forget about what happened that Halloween night.

So, we're heading for The Trudeau Mansion to perform an exorcism and cleanse the place, but we're also going to fight against the demons who are going to take the forms of Caleb's friends from that night when they possessed them and we're gonna send them to The Black Abyss forever.

Lincoln: Ah, we're here in New York City, and I know what we're going to do here, not only am I going to rescue the sixty-one girls here, but we're first heading to Sebastian and Selena's mansion in the north of New York and salvage some of the stuff they like as well as destroy the house since it was tainted by the dark memories of that day. But, that's not where the rescue ends, after that, we'll be heading to New York City itself and we'll be heading for Trudeau Mansion.

Me: To perform the exorcism and send those demons to The Black Abyss.

Nico: This is the first time we send demons from Hell to The Black Abyss.

Brittney: It is, they got cast out eons ago for defying divine law and trying to take the place of The Devil, and you know the consequences for defying divine law.

Selene Arcangela: They're brutal and horrendous.

We went to the mansion of Selena and Sebastian, and we proceeded to get the video games and video game systems along with the flat screen TV and all their other stuff and beamed them all to The World Tree Estate, but we felt the darkness from the basement, so we got out and Lincoln fired a beam of holy light that incinerated the mansion and it was no more.

Selena Mendez: The mansion's gone forever. It was our home, but what Mom and Dad did in the name of The Dark Church of Malphas, I think it deserved to be destroyed forever. Now, we need to head for Trudeau Mansion.

We then got a move on to New York City, and there, we spotted Trudeau Mansion, it was a beautiful large 20th Century mansion on the outside, but when we went inside, it was also just as beautiful, but we felt it: the darkness and demonic forces that lurk beneath the mansion in the basement.

Crash Man: So, this is Trudeau Mansion, nice place.

Caleb Maxwell: It may look nice on the inside and out, but you felt it: the darkness and demonic forces that lurk in the basement. Now, follow me, there's something I need to show you guys.

We followed Caleb Maxwell, but as we were following him, his mind flashed back to Halloween Night in 1984 when he and six of his friends were caught in this whole twisted demonic nightmare, and six of his friends got turned into demons, and since they couldn't turn him because of his bloodline, they were going to kill him. But, he ran to the balcony where Catherine Trudeau committed suicide, and he tied a rope around his waist tightly and he jumped off and he was hanging by the waist, and knowing the demons can't use a dead body, and since his bloodline also prevented that as well, he was lucky. Then, when the sun rose, he heard the screeches of the demons until they died out. Then, he untied the rope around his waist and landed on his feet and walked away from the mansion forever, but he lost six of his friends that night.

The flashback ended and we then arrived in a room and on the walls we saw writings and symbols along with prayers.

Nico: Whoa, look at this room.

Lincoln: These symbols on the walls, they're spells and there's also holy prayers as well.

Caleb Maxwell: Yes, apparently, one of the housekeepers went insane on that night in 1924 and she drew the spells and wrote the holy prayers on the walls to keep the demons out and the person inside the room safe. (Points to the wall.) Okay, guys, this is where it all began.

FLASHBACK WITH A RED MOON AND SHOWING CALEB'S DEMON-TURNED FRIENDS

Caleb Maxwell: (Narrating) Eons ago, seven demons defied divine law and tried to take the place of The Devil. As punishment for their failed rebellion, they were bound together and cast out of Hell forever and they were banished to the grounds where the mansion was built.

FLASHBACK ENDS

Caleb Maxwell: But, there's always a loophole: if these seven demons can possess seven people over the course of one Halloween night, they would be freed to turn our world into their little playground: Hell on Earth. And that's where the heiress of the family, Catherine Trudeau, came in.

THEN, ANOTHER FLASHBACK STARTS, BUT IN THE 1920s WITH A 20-YEAR-OLD BROWN HAIRED GIRL NAMED CATHERINE TRUDEAU

Caleb Maxwell: (Narrating) On Halloween Night in 1924, the 20-year-old heiress, Catherine Trudeau, fell in love with a young man named Nathaniel Matthews, who's the son of a wealthy industrial and oil tycoon, and she was desperate to get him to fall in love with her. So, despite her religious upbringing in The Catholic Church, she resorted to magic. The story goes when she was practicing spells, she got in touch with evil spirits, but what she didn't know was that they were the seven demons who were banished from Hell eons ago after their failed rebellion. They tricked her into inviting Nathaniel Matthews and six of his friends over for a séance.

THEN, IT SHOWED NATHANIEL MATTHEWS, A YOUNG MAN WITH SIX OF HIS FRIENDS ARRIVING AT THE MANSION AND THEY PERFORMED THE SEANCE, BUT THEN, WHEN NATHANIEL MATTHEWS OPENED HIS EYES, THEY WERE

YELLOW, AND THEN, THE DEMON-POSSESSED NATHANIEL BIT ONE OF HIS FRIENDS AND TOTAL CHAOS BEGAN.

Caleb Maxwell: (Narrating) The demons needed seven bodies, and once the séance started, so did the demonic possessions. Once one person had turned, all they had to do was bite someone else to possess all the rest as well. Soon, six people were turned into demons and they needed one more.

THEN, CATHERINE TRUDEAU WENT TO HER BALCONY WITH A NOOSE AROUND HER NECK.

Caleb Maxwell: (Narrating) But, they couldn't use a dead body, only a living one. So, when Catherine Trudeau realized she wouldn't make it until dawn.

FINALLY, CATHERINE TRUDEAU JUMPED OFF WITH THE NOOSE DECAPITATING HER AND HER PEARL NECKLACE BROKE AND THE FLASHBACK ENDS.

Caleb Maxwell: She killed herself by hanging to keep the demons from getting out and they're forced back to the basement of the mansion when the sun rose. Catherine Trudeau's tragic suicide caused her parents immense grief, but when dark rumors of what happened at the mansion along with the discovery of their daughter's dabbling in black magic and The Black Arts began to circulate around the social circles, their reputation was tainted and they lost their wealth, power, and connections to the businesses and politics as their clients and partners began cutting all ties with them saying they don't want to remain partners to the parents of a witch, and thanks to that, the family fell apart and their businesses went bankrupt and the family disappeared into darkness and the mansion remained in its pristine state over the decades thanks to restoration.

THEN, ANOTHER FLASHBACK PLAYED, THIS TIME, IT WAS HALLOWEEN NIGHT IN 1984, AND CALEB MAXWELL WAS WITH SOME OF HIS FRIENDS, AND THE CHAOS THAT FOLLOWED.

Allie Maxwell: (Narrating) But, the nightmare was about to be reborn. Sixty years had passed and in 1984 on Halloween Night, Caleb, Andrew Washington, David Peterson, Matthew Lawrence, Carly Rousseau, and Megan Fairway came to Trudeau Mansion for a Halloween party, but when Andrew got bit by the skeleton in the basement, he wound up getting possessed and turned into a demon, and soon, Carly and Megan also got possessed and turned into demons, and the terror began once more. Over the course of the night, Caleb, David, and Matthew had to survive the night and they discovered a room that had the spells and holy prayers in the mansion and they also discovered the true story of what really happened here in 1924.

Caleb Maxwell: (Narrating) But, David and Matthew got attacked and turned into demons, and I was the only one left, but I didn't get turned because of my bloodline and connection to the vampires, and I decided to fight back against the demons, and when it was only five minutes left until 6:00 AM, I ran to the balcony and I jumped off, but I had a rope tied to my waist and made it look like I killed himself since I knew the demons can't use a dead body and I couldn't be turned into a demon, the bloodline and connection to the vampires was a bonus. Then, when the sun finally rose, my demon-possessed friends got burned by the sun's light and their bodies turned to ashes and went back to the basement where they were restored to skeleton forms, and knowing the demons were gone I untied the rope around my waist and landed on my feet and walked away, but I couldn't forget about what happened that Halloween night.

FLASHBACK ENDS

Caleb Maxwell: I came back home, and Mom knew what happened because Marcus Mackenzie told her of what happened.

Allie Maxwell: Mom knew you'd be dragged into another supernatural nightmare, it couldn't be helped though: getting pulled into a supernatural nightmare has been a habit for you.

Caleb Maxwell: Not funny, Allie. Let's just get to the basement to do the exorcism. But, once we start, there's no going back, we have to destroy the demons and banish them to The Black Abyss forever.

We headed down into the basement, and there we found six skeletons arranged in a way resembling a black magic ritual, and they have sharp teeth and eyes: they were the demons.

Lincoln: There they are. Now, to start the exorcism.

Lincoln began praying, and then, a white crucifix with crosses around a magic circle of white energy formed, and we felt the immense holy power coming from there, and then, we heard six unholy roars of rage as the skeletons began convulsing and skin began forming, and we saw it: the six demonic skeletons came to life, but they took on the forms of four male cats and two female cats: they were Andrew Washington, David Peterson, Matthew Lawrence, Carly Rousseau, and Megan Fairway, but then, we saw them turn into the demonic forms they had in 1984, the very demons Caleb saw, and they roared angrily at us.

Caleb Maxwell: After everything you've done not only eons ago, but tricking Catherine Trudeau into inviting her love and his friends over just so you can take over their bodies and be free to turn our world into your little playground and destroy humanity and in 1984 with what you did to my friends, it's no wonder you were banished from Hell forever, but this is where it all ends for you!

Lincoln took us all outside as the demons continued screaming and shrieking with rage as the exorcism continued, but they weren't going down without a fight!

Lincoln: This is where you disappear forever, you heartless demons!

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can destroy the demons and banish them to The Black Abyss forever.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, dark grey hair and dark grey wolf ears and tail, yellow eyes, massive black angel wings, grey Wolf Moon tattoo on her right arm and wolf paw with the Mirror Kanji on her forehead, white short-sleeved blouse with wolf paw with the Mirror Kanji, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the flame, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, mirrors, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Mirror Moon, she has a wolf claymore in her right hand, and with her are the sixty-one girls.

Lincoln: (GASPS) Valerie Mirror Moon, Werewolf Angel of The Mirror Moon of June.

Valerie Mirror Moon: That's right, and it looks like I got here just in time, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Valerie Mirror Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999.

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Valerie Mirror Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

Nico: Let's get those demons!

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at the demons, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

Lincoln, Skippy the Bush Kangaroo, Red Savarin, Von Lycaon, and Sly Cooper went after the demons, and they fired extremely powerful blasts of red, red and yellow, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, snow, ice, snowflakes, ice crystals, kangaroos, wolves, raccoons, phoenixes, and angels at the demons, and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and he got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked them hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to the demons and they fell to the ground in pain.

Adrian Morrigan went after the demons, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in his face and blinded them, and the ring of Boos around the flashlight's head fired purple energy beams at the demons which hit them hard.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and the demons didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering them.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed those demons all over the place!

Qin: They didn't have any time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him, the demons are now at the mercy of The True Alpha Vampire-Werewolf Hybrid Angel of Gotham Royal York.

Me: That's for sure.

Then, Lincoln fired blasts of elements and energy at the demons and they got beaten up real good and they were mangled!

Lincoln swung his massive greatsword and fired a massive holy light shockwave at the demons and the shockwave exploded and the demons let out one final shriek and they turned to ashes forever and they were sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we were back in The World Tree Estate.

Caleb Maxwell: It's finally over. Andrew, David, Matthew, Carly, Megan, you guys can finally rest in peace now.

Me: They couldn't rest in peace before?

Caleb Maxwell: No, after that night, the demons dragged them to Hell after I foiled their plan, but the story didn't end. Their parents found out what happened, but they blamed me for it and tried to kill me, but the police arrested them, and two days later, they were found dead.

Apparently, the NYPD found out about their histories, and it was full of tax evasion, embezzlement, assault, murder, bribery, and a lot more, and it didn't take long for The Council to find out through their connections and...!

Suddenly, Marcus Mackenzie placed a hand on Caleb's right shoulder.

Nico: (GULPS) W-what happened?

Marcus Mackenzie: We went after them because of the murder charges they had, but before we could kill them, they escaped and went into hiding. Then, when Caleb returned to New York, he found their hiding place in Harlem's slums and killed them.

Me: Whoa.

Lincoln: Mr. Blunt's vampire blood did help Caleb recover from all his past physical wounds and gave him the same powers and abilities of the vampires including immortality, but it also increased all of his senses, and he found their hiding place in the slums of Harlem by hearing their heartbeats.

Marlene Maxwell: That's also what happened to me as well back when I was in college, and I'll share it with you guys later on today.

Lincoln: Okay, this is something we should hear. (To Valerie Mirror Moon) And it's so good to see you again, Valerie.

Valerie Mirror Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Valerie Mirror Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Valerie Mirror Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Valerie Mirror Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Valerie Mirror Moon and hugged her, and Valerie Mirror Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Valerie Mirror Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Valerie Mirror Moon, Werewolf Angel of The Mirror Moon of June, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Mirror Moon of June. Valerie Mirror Moon is a powerful master of the powers of blue wolf fire, mirrors, The Mirror Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Valerie Mirror Moon is The Werewolf Mirror Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Scoots. Valerie trained Lincoln in mastering the powers of blue wolf fire, mirrors, The Mirror Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful darkness greatsword and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Scoots with a blazing passion and she wants nothing more than to rip her apart and trap her spirit inside a mirror forever underneath The Mirror Moon!

Me: Can you show us a flashback on how you turned Valerie into a werewolf, Lincoln.

Suddenly, the four orbiting large gold rings fired four beams of light that formed into a viewing window and we saw a flashback: Lincoln and Valerie Mirror Moon were at the park.

Past Valerie Mirror Moon: I always love coming here to the park.

Past Lincoln: Same here, Valerie, it's really peaceful.

?: YOU MISERABLE LOUD! I WILL KILL YOU!

Past Valerie Mirror Moon: Oh Hell no, was that Scoots?

Lincoln: It is.

Suddenly, trees were destroyed because of the sound of an electric scooter, and there stood Scoots.

Past Scoots: DIE! (LAUGHING MANIACALLY)

Scoots came charging at Lincoln and Valerie Mirror Moon, only to be met by a fist to the face by Lincoln and Valerie Mirror Moon that knocked her off her scooter as it fell into the lake.

Lincoln: Nice try, you old hag.

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body and his entire body was covered in thick brown fur and his massive pecs and eight-pack abs were covered in tan fur, his deep sapphire blue eyes remain the same but the pupils turned into slits, his fangs grew longer and rows of straight teeth turned into wolf's teeth, and his nose turned to a wolf's nose and he grew a wolf snout and sturdy tan-colored muzzle, his fingernails grew into claws, his massive white angel wings remained the same, his eleven massive and long white wolf tails and large white wolf ears turned brown, his white hair grew to the length of his neck and became wilder, and he let out a loud howl as he turned into Lincoln The Nocturnal.

Past Lincoln: (Beastly Voice) Now, to tear you apart.

Lincoln charged and punched Scoots hard in the face and he started beating the shit out of her like a wild beast, and when he was done, Scoots' sunglasses were shattered and she was covered in bruises and she had slashes on her clothes and Lincoln's shirt had slash marks from her knife which he ripped off. Then, he grabbed Scoots by the neck with his left hand and he threw her with such incredible and powerful strength and sent Scoots straight back to the Lansing Maximum Security Nuthouse.

Past Valerie Mirror Moon: You reacted too quickly, Lincoln.

Past Lincoln: (Beastly Voice) With the way Selina and the others got attacked, I'm no longer taking any chances.

Then, Lincoln hugged Valerie Mirror Moon.

Past Lincoln: (Beastly Voice) Sorry, Valerie, but after what happened in the past, I'm not going to lose another Guardian Angel!

Suddenly, Lincoln leaned his head down to her right trapezius and he bared his fangs and bit her in the right trapezius, and his fangs injected her with his excessively potent lycanthropy and vampirism which spread throughout her body. Then, Lincoln slowly retracted his fangs.

Past Valerie Mirror Moon: (Groans) I...I don't feel so good.

Suddenly, Valerie Mirror Moon started getting muscle spasms as she let out a growl and her entire body was covered in thick brown fur and her breasts and stomach were covered in tan fur, her yellow eyes remain the same but the pupils turned into slits, she grew fangs and her rows of straight teeth turned into wolf's teeth, and her nose turned to a wolf's nose and she grew a wolf snout and tan-colored muzzle, her fingernails grew into claws, her massive red angel wings remained the same, she grew a long brown wolf tail and brown wolf ears on top of her head, her grey hair grew to the length of her neck and became wilder, and she let out a loud howl.

Past Valerie Mirror Moon: (Beastly Voice) Ooh, now I felt like I got run over by a truck. What happened to me?

Suddenly, Valerie Mirror Moon saw what happened to her through the lake's reflection.

Past Lincoln: (Beastly Voice) I'm so sorry, Valerie. But...!

Suddenly, Valerie Mirror Moon hugged Lincoln, and Lincoln hugged her back as she soothed him.

Past Valerie Mirror Moon: (Beastly Voice) It's okay, Lincoln. But, thank you for what you did, and after what happened with Selina and the others, not to mention what'd happened to our fellow Guardian Angels at the hands of Flip, Scoots, Hawk, Hank, and Killjoy Huggins, you made the right choice.

But, then, all of a sudden, Valerie Mirror Moon placed her hands on Lincoln's massive pecs, but that caught Lincoln's attention and he leaned his head down to her face and they kissed deeply, intensely, and passionately. They intensely made out for an hour, and then, they separated, but their eyes were glowing as lust took hold of their actions. But, before anything else could happen, Lincoln cut the viewing window short as it vanished.

Poliwag: Hey, what's the idea?!

Lincoln: It's best that I don't show what happens next.

Brittney: Right, and this was the first time you turned one of your Guardian Angels into a werewolf-vampire hybrid like you, but I knew there were two ways someone can wind up getting turned into that: getting bitten or having sex, and in this case, you did both, and I'm sure you did the same with the other eleven girls, right?

Brittney was about to form a ball of darkness to hit Lincoln with, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: But, Valerie was right, after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Valerie.

Lincoln with his massive muscular arms still wrapped around Valerie Mirror Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Valerie Mirror Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Valerie Mirror Moon with grey gems on the gold lightning bolts and grey crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Valerie Mirror Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Valerie Mirror Moon.

Valerie Mirror Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Valerie Mirror Moon's waist, and he leaned down to her face and kissed her on the lips, and with Valerie Mirror Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them.

When Lincoln separated, Valerie Mirror Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Valerie Mirror Moon: (In Heaven) My God. Oh, Lincoln, the sixty-one girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the sixty-one girls, he recognized them as he had an atomic red blush on his cheeks, snout, and muzzle, but he didn't have a nosebleed. The sixty-one girls are Aisha, Annette, Artemia, Aselica, Cassandra, Cecilia, Chrisha, Cleo, Demia, Dosarta, Epis, Erze, Estelle, Frey, Glenwys, Gremory, Hanus, Hilda, Isaiah, Isolet, Jane, Juno, Kara, Kirze, Laias, Laudia, Lavril, Lewisia, Lilia, Lorraine, Maria, May, Mediana, Mirianne, Miruru, Morrah, Naila, Nia, Nicky, Ophelia, Pansirone, Priscilla, Rehartna, Reina, Requina, Rodina, Scarlet, Selene, Seria, Shamilla, Shea, Sonia, Talisha, Tanya, Valance, Veronica, Viska, Xerah, Yanne, and Yuria from King's Raid and Keyleth from Dungeons and Dragons: Legend of Vox Machina.

Lincoln: Oh wow, it's Aisha, Annette, Artemia, Aselica, Cassandra, Cecilia, Chrisha, Cleo, Demia, Dosarta, Epis, Erze, Estelle, Frey, Glenwys, Gremory, Hanus, Hilda, Isaiah, Isolet, Jane, Juno, Kara, Kirze, Laias, Laudia, Lavril, Lewisia, Lilia, Lorraine, Maria, May, Mediana, Mirianne, Miruru, Morrah, Naila, Nia, Nicky, Ophelia, Pansirone, Priscilla, Rehartna, Reina, Requina, Rodina, Scarlet, Selene, Seria, Shamilla, Shea, Sonia, Talisha, Tanya, Valance, Veronica, Viska, Xerah, Yanne, and Yuria from King's Raid and Keyleth from Dungeons and Dragons: Legend of Vox Machina.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Aisha: Yes, we're okay, thanks to you.

Then, when Aisha and the other sixty girls saw who it was that saved them from the demons lurking in Trudeau Mansion, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and

Aisha: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made sixty clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Annette: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, sixty-one Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aisha, Annette, Artemia, Aselica, Cassandra, Cecilia, Chrisha, Cleo, Demia, Dosarta, Epis, Erze, Estelle, Frey, Glenwys, Gremory, Hanus, Hilda, Isaiah, Isolet, Jane, Juno, Kara, Kirze, Laias, Laudia, Lavril, Lewisia, Lilia, Lorraine, Maria, May, Mediana, Mirianne, Miruru, Morrah, Naila, Nia, Nicky, Ophelia, Pansirone, Priscilla, Rehartna, Reina, Requina, Rodina, Scarlet, Selene, Seria, Shamilla, Shea, Sonia, Talisha, Tanya, Valance, Veronica, Viska, Xerah, Yanne, Yuria, and Keyleth with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened in New York City.

Maria: So, that explains the sudden appearance of the stuff from Selena's mansion here, and I can't believe you guys went to Trudeau Mansion, that place is haunted!

Lincoln: More than that, it was home to seven demons who were banished from Hell eons ago and were responsible for what happened in 1924 and in 1984 sixty years later.

Nico: Especially in 1984, that's where we saw another haunted part of Caleb's past.

Me: It was a mansion full of black magic and demonic possession, and we had to put an end to that before it was too late.

Eli: At least, we got rid of those demons for good.

Selena Mendez: And destroyed my former mansion for good. We once had good memories there, but those memories were tainted by The Black Ooze of The Eldritch and my parents' failed ritual.

Varie Yulinova: When the day comes to destroy The Order of The Dark Universe, we'll make sure that Dark Sebastian dies along with The Black Ooze of The Eldritch, but we got to watch it with him, there is no telling what that demon is going to do next.

Nicholette Torrington: Since it's nothing more than Malphas' creation, it's unpredictable and insane, so we got to watch it.

Brittney: Malphas can watch from Hell as we destroy his creation.

Lincoln: That's exactly what's going to happen when the day comes.

After Lincoln and all of us removed all the stuff from Selena and Sebastian's former mansion and destroyed it and exorcised Trudeau Mansion and banished the demons to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Valerie Mirror Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Valerie Mirror Moon: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Valerie, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Valerie Mirror Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Valerie Mirror Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw what it was that triggered the alarm, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 Minotaurs have come out and are coming after us.

Travis Tackett: (Sighs) This has Dark Sebastian all over it. I'll handle them.

Travis Tackett flew out and landed.

Travis Tackett: Sending Minotaurs after us was a bad idea, you psychopath, I hope you're watching from the shadows.

Suddenly, Travis Tackett's crimson red eyes turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Travis Tackett went after the armies of Minotaurs, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the Minotaurs even angrier than ever.

Then, Travis Tackett fired blasts of light that hurt the dragons as they shrieked in pain and anger and we saw it on the big screen.

Cage Blunt: Hah, Travis really got them good, and I hadn't forgotten what happens when someone pisses him off.

Caleb Maxwell: He will get violent if anyone hurts him or anyone else around him.

James Blunt: Or you, Caleb.

The dragons roared angrily at Travis Tackett.

Suddenly, Travis Tackett let out an animalistic roar as he showed his fangs and that really scared the Minotaurs!

Then, Lincoln appeared.

Lincoln: That's going to be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of Minotaurs, and one by one, he began absorbing them and he assimilated their Superhuman Strength, Superhuman Speed, Superhuman Agility, and Giant Horns, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the Minotaurs and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the Minotaurs I absorbed, Travis.

They came back inside.

Me: Travis, that was some awesome work you did taking those Minotaurs down.

Travis Tackett holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and red planets orbiting around his legs and thirty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer blonde tail, and his massive blonde angel wings and twenty-four sets of large blonde angel wings underneath his massive blonde angel wings are permanent.

Caleb Maxwell: Now, the next one to transform is Cronus.

Cronus Chase: Heh, this should be good.

Then, Marlene Maxwell got out a video.

Marlene Maxwell: Okay, guys, now this video I have here is from when I was in New York University and at the same age as Caleb before he died, and this is where I also had my first encounter with a vampire and when I was fed his blood that saved me from your dad's no-good relatives, Caleb.

Marlene Maxwell put the videotape in and it played on the big screen and the screen showed New York University in 1958 and the 20-year-old Marlene Maxwell was planning on leaving to go to the diner with her friends. She had her hair styled for the period of the time and she was dressed in a sleeveless dress top, skirt, and shoes, and she had the same mark as her kids and her family members on her right arm.

Past Marlene Maxwell: That was a really tough day in class, but I did it.

Cindy Peterson: You said it.

Katy Reynolds: Now, we better get going before we run into Marcus Edwards.

Renee Thomas: Along with those scumbag relatives of his. Ugh! They gross me out!

Me: Edwards?

Caleb Maxwell: That was Dad's last name at birth before he got married to Mom.

Marcus Mackenzie: And everyone hated his family in the past especially for what happened in the 1940s.

?: HEY, WHERE THE HELL DO YOU THINK YOU'RE GOING, BITCH!?

Past Marlene Maxwell: Oh Hell no! Don't you have anything better to do than to harass me and my friends, Anthony?!

A 20-year-old male in a black leather, white tank top, blue jeans, leather boots, and black hair in a pompadour came out, it was Anthony Edwards.

Caleb Maxwell: You ran into Uncle Anthony?! That bastard! I hated him so much, this guy was a crook and a thug who worked for some of the most notorious groups in The New York Mafia in the past, the bastard was also a misogynist and always looks down on and beats up women. My Uncle Christiano's taught him a lesson by kicking his ass so hard, he wouldn't sit for a week.

Renee Thomas: I knew I smelled cheap cologne in the air! What the Hell are you doing here, stupid?! Shouldn't you be in jail for your last robbery gone wrong?

Anthony Edwards got out a switchblade!

Allie Maxwell: WHAT THE?!

Marlene Maxwell: Yep, he pulled out a switchblade on us.

Anthony Edwards: SHUT THE FUCK UP AND DIE, BITCHES!

Past Marlene Maxwell: Cindy, Renee, Katy, run!

They ran, but then...!

ANTHONY EDWARDS THEN WENT BERSERK AND ATTACKED MARLENE MAXWELL SLASHING AT HER WITH HIS SWITCHBLADE AND LAUGHING MANIACALLY, BUT HE GOT HIT BY MARLENE MAXWELL WHO KICKING HIM RIGHT IN THE GROIN, AND THE THUG WAS SUDDENLY TAKEN DOWN AND GOT KNOCKED OUT! BUT THEN, SOME FIGURES DRESSED IN BLACK APPEARED OUT OF NOWHERE AND THE THUG WAS HANDCUFFED!

Watcher: Should've known you'd show your ass again, Anthony. You're coming with us! It's time for you to pay!

We then saw those figures dressed in black were The Watchers, the vampire police of The Vampire Council.

Past Marlene Maxwell: Hey, wait, where are you taking him? Shouldn't you get him over to the NYPD to get him thrown in prison?

?: Sadly, it doesn't work for us. But, you were lucky to get out of that situation alive.

Suddenly, Marlene Maxwell was met by a familiar looking cat with long auburn hair, light orange fur, auburn muzzle, and dressed in fancy clothes: it was Marcus Mackenzie, member of The Vampire Council and former master of James Blunt.

WE GASPED!

Caleb Maxwell: This was just like on the day I lost that fight with Panther and fell into depression.

Marlene Maxwell: Yes, but back then, you fought against someone from the biggest gang in New York, I fought a thug who doesn't know how to fight and only uses weapons.

Past Marlene Maxwell: W-who are you and..., how do you know those men?

Suddenly, Marlene Maxwell's cross mark on her right arm reacted.

Past Marlene Maxwell: There's something inhuman about you all. (Realizes what they are) Wait, are you all...vampires?

Suddenly, Marcus Mackenzie's light blue eyes turned crimson red and his fangs grew.

Watcher: Sir, it's her, the only daughter of the two humans who saved one of our own back in 1943.

Past Marcus Mackenzie: So, we meet at last, Marlene Maxwell.

Past Marlene Maxwell: H-how do you know who I am, and how do you know my parents?

But, before she could say anything, she felt his hand on her shoulder calming her, but he saw that she was bleeding really fast.

Past Marcus Mackenzie: You do realize you're bleeding, correct? And if you don't get those checked out, you're gonna die.

She saw the slash marks: Anthony really went hog wild slashing her.

Past Marlene Maxwell: W-what are you going to do? Get me to a doctor?

Past Marcus Mackenzie: I have something else in mind.

Suddenly, Marcus Mackenzie pulled her right sleeve down and he bit her on the right trapezius and fed on her blood. Then, he got right behind her and pulled up his right sleeve and bit his right arm enough to let blood out and put it in front of her.

Past Marcus Mackenzie: Here.

Marlene Maxwell suddenly bit into his arm and drank the blood as she held on to his arm. Then, as soon as she was done, she let go and his bite mark on his arm healed.

Past Marlene Maxwell: (Groans) W-what on Earth did you make me drink?

Past Marcus Mackenzie: What you drank was a mixture of my blood and your own, now your wounds should heal right...now.

Suddenly, Marlene Maxwell felt her wounds heal, but in the process, she gained the same powers and abilities of the vampires including immortality, but it also increased all of her senses.

Watcher: Sir, that was rather risky of you to do so.

Past Marlene Maxwell: Hey, it worked, didn't it, but now I feel even stronger than ever. So, what are you going to do to the bastard?

Past Marcus Mackenzie: I don't think you want to know, you should head back home right now.

Marlene Maxwell left as the video ends.

Me: So, that's how you gained the powers and abilities and immortality of the vampires, and this was back when you were in college.

Marlene Maxwell: Yep, and The Watchers were impressed by how I was able to take down Anthony in a split second despite the injuries. But, they were pretty nasty, if I didn't drink Marcus' blood, then it would've ended badly for me.

Caleb Maxwell: Looking back now, I wondered how our stories were connected in every way: not just that we're family of the vampires, but how we've dealt with the demons of Dad's family: you with his no account brother and me with my no good brother.

Nico: So, what happened to that Greaser, Anthony?

Marcus Mackenzie: We brought him back to Yuridia, and after he was found guilty for his crimes, he'd been sentenced to death and we drained him dry of blood.

Caleb Maxwell: Now, I knew why Dad's family hated us even more.

James Blunt put his left hand on Caleb's right shoulder.

James Blunt: Your dad's family will always be scum, and what they did in 1958, that crossed it.

Lincoln: That's for sure. Caleb, did your Mom eventually get married to your dad two years later?

Caleb Maxwell: Yes, they did in 1960, and five years later, I was born along with Drake, and a year later, so was Tyler.

Tyler Maxwell: Caleb and Drake were twins, but what Drake did betrayed the bond between twins and some lines were meant to be severed. Did this mean Dad's bond with Anthony was destined to be severed?

Marlene Maxwell: Yes, it was. I found out long ago that your dad's bond with his brother was always this fractured, and it was destined to be severed forever when this happened.

Eli: Now, I really despise those scumbags even more.

Caleb Maxwell: We're already rid of them forever: those we got rid of months ago along with Drake. As for Dad's grandparents, they died of old age after Dad cut them off forever and he ran away from home to marry Mom and he forever blamed them for his life being nothing more than Hell for him. He didn't choose this life, his family did this to him, and he lived that life of hatred and despair thinking there is no way out for him. That was until Mom really gave him that chance, and she saw he's a truly genuine good man.

Marlene Maxwell: That's right, but as for Cindy, Renee, and Katy, they still hated him because of what his family's done, but I brought out my bad girl biker persona again, and I told them off big time, and that got them to behave themselves, and I wasn't afraid to let that side of me out, especially when it came to the painted hussies who tried to make my life Hell back in high school, and I even had to put Bad Boy Dane Drake in his place when he tried to hit on me.

Caleb Maxwell, Allie Maxwell, and Roxy Drake: Wait, you did what?!

Christiano Maxwell: Oh man, I remembered that all too well. When your mom was seventeen, Dane Drake tried to hit on her, but she let that bad girl biker persona out, and man, did she really let him have it!

Christiano Maxwell showed us the video on the big screen, and Marlene Maxwell changed from her normal outfit to a sleeveless leather vest, white tank top, blue jeans, and black leather boots.

Past High School Marlene Maxwell: Now, you listen here, Dane Drake, I ain't interested in going out with you, you're trouble with a capital T and I can't stand it. If you so much as try to hit on me yet again, I'll kick you so hard in the groin, you won't be able to have sex with any girl ever again. Now, beat it!

Past Student: Hey, you can't talk that way to the boss.

But, then...!

POW!

Marlene Maxwell punched him in the face and gave him a black eye and the video ends.

Caleb Maxwell: Mom, I had no idea about that incident! I can't believe it, you really told off the man who would one day become the leader of The Big Claw Gang.

Claw Dane Drake: Now, I remember that day all too well. Your mom brought that biker girl persona of hers out once more and every last delinquent was terrified of her.

Captain Whitten: Your mom was the toughest and strongest girl ever, and no one was able to beat her.

Roxy Drake: And she was able to put Dad in his place back in high school, even I was stunned, but it proves that you, your Mom, Allie, and your Mom's family are tough people who are never ever to be messed with at all.

Nico: Unbelievable. So, anyone who crosses your mom...!

Caleb Maxwell: Gets not only a stern telling off, but if it gets physical, you're getting a kick to the groin so hard, your reproductive organs will turn to primordial ooze.

Carla Claw: I don't believe this! So, the girl who told Dad off, that was...you!

But, then...!

CALEB WENT FULL ALL-OUT BEAST MODE ON HER!

Caleb Maxwell: (BOOMING VOICE) DON'T EVEN THINK ABOUT IT, CARLA DRAKE! IF YOU SO MUCH AS LAY ONE HAND ON MOM, YOU AND YOUR BOYFRIEND ARE BOTH GONNA SPEND A MONTH IN THE HOSPITAL IN A COMA!

FLAMES CRACKLED BEHIND CALEB MAXWELL!

Carla Claw: YIKES!

Cage Blunt: Oh...!

Travis Tackett: Shit! He went full all-out Beast Mode on her and told her off!

Marlene Maxwell: (Snickers) (To Caleb Maxwell) I knew it, I knew the beast would finally be let out of you, though I was disappointed that it didn't get out earlier when you were in college, I would've wanted to see you put some clod in his place.

We got a shower, and then, Lincoln, Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch are heading to Yurigahama Beach in Japan.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and life energy and he killed them all.

Tamara Caulder: Wow, we're here in Yurigahama Beach, it sure is beautiful.

Lincoln: It sure is, Tamara, and it's perfect for our first date, shall we?

Lincoln, Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Chrystine Mirage: (Swooning) Twilight and the others were right about him, what a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch and hugged them in their abnormally massive and powerful muscular arms, and Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Yurigahama Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch are now in your harem, Linky.

Tamara Caulder, Chrystine Mirage, Pitknight Filly, and Krishnerd Witch showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Tamara Caulder: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, Walter Peck, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We went to the Bullet Train station.

Captain Planet Linka: (Russian Accent) Time to make sure you guys don't kill yourselves

Me: Yeah.

Poromon: I know.

We went onto the train and we had the trip underway.

Me: Always fun going on this train.

Gi: I wonder if we'll see anyone here

Me: It's a good possibility.

Qin: Yeah.

Poromon: Yeah.

But then...

LOUD LONG NASTY FART!

Me: OH MAN! Someone has gas. ED!?

Crumplezone: I don't think it was him!

Ed: Yeah it was not I!

Laney: I think it was that!

We saw a Weezing!

Me: A Weezing! Cool!

LOUD LONG NASTY FART!

It released nasty farts that smelled so horrible that it dissolved people's lungs! Making them cough up blood!

Gears: GEEZ!

Me: That is potent!

Pumbaa: Wait only one person we know has gas like that!

Timon: Yep it's Penelope Pumbaa! One of the Queens of Eating Bugs

Nico: Whoa she must have potent gas.

Me: Lets go help her.

Me, Pumbaa and Timon went to face her.

Pumbaa: Penelope calm down! It's us!

Timon: Yeah!

All she did was fart gas in our faces.

SEAL BARK!

Me: OH GOOD GOD!

Pumbaa: GEEZ! And I thought my farts smell bad!

Timon: WOOO! No kidding!

Me: Okay then.

We fired waves of energy and blasted her.

Then I snapped my fingers and she reverted back and was a girl with purple hair and eyes and had Weezing in the middle of her forehead and had purple angel wings and had a cutie mark with a farting warthog and a centipede on it On her arm.

We wrapped her in a blanket.

Me: Lets air this out.

We did so.

She woke up.

Penelope Pumbaa: (Groans)

Pumbaa: Penelope?

Timon: You okay kid?

Penelope Pumbaa: Timon? Pumbaa? It is you guys! (Stomach grumbles) I'm hungry. Got any of the cream filled kind?

Timon: Here you go kid.

She was served a plate of the little cream filled kind.

Lana: Awesome! She loves eating bugs like me.

Lola: Gross!

Timon: You thought that was bad, listen to this. She has farts that are so deadly that they can not only make your eyeballs explode but also dissolve your lungs and destroy all the bones in your body

WE GASPED!

Qin: GEEZ! No wonder we saw lots of people cough up blood.

Nico: YIKES!

Penelope Pumbaa: Yeah sorry.

Me: You were turned into a Weezing by Dark Gale.

Penelope Pumbaa: Oh man! I remember.

She was in a purple suit and was injected. Then with a nasty super fart she killed all the members of Dark Gale and blasted their lungs and eyes out and turned into Weezing and flew out.

FLASHBACK ENDS

Penelope Pumbaa: That was awful.

LOUD NASTY SUPER FART!

Penelope Pumbaa: Sorry.

Me: Well we destroyed Dark Gale forever so they are dead.

Qin: Yep.

Nico: Your role in Sonya's Team?

Penelope Pumbaa: I think it's best you don't know.

Sonya: She uses her farts to kill our enemies.

Me: Oh.

Penelope Pumbaa: Outside the team I like eating bugs with Timon and Pumbaa.

Lana: You and I are gonna get along great. You are looking at the bug eating queen.

Me: Lana ate a lot of bugs.

Lola: (THROWS UP IN A TRASH CAN)

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her some new clothes and she had purple clothes and a magic sword.

Penelope Pumbaa: Wow I look awesome!

Nico: You sure do.

Bubble Man: Are you guys gonna get anything from this train?

Poromon: Just Bertie Bott's Every Flavor Beans

Me: Love those.

Billy: Me too!

Timon: I would hate to be the mooks that smell Penelope's farts though. She has farts that are so deadly that they can not only make your eyeballs explode but also dissolve your lungs and destroy all the bones in your body!

WE GASPED!

Qin: GEEZ! That is lethal!

Nico: No kidding.

Penelope Pumbaa: Also I love the beans as much as eating bugs.

She had some.

Lana: I love those beans!

Me: They are good.

Lana ate some too

Lana: I like the vomit flavor ones. They are awesome.

Me: (LAUGHS) Yeah only you would Lana.

WE LAUGHED!

We later came back.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the next Eco-Villain, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Sly Sludge, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Sly Sludge, and he's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Gi: I knew we'd be going after him first, this time, he's going to pay for everything he's done.

Linka: (Russian Accent) Same here. I know my element is Wind, but I'm saving my day for when we go after Skumm. Gi, you can take down Sky Sludge.

Nico: That's a good idea. But, we need to purify the air.

Lincoln: I've got a lot of purification techniques to purify the air, that way, you won't have to suck in the polluted air again, Nico.

Me: That's a good idea.

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Sly Sludge. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him!

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Sky Sludge, your time is up.

Lincoln: You're gonna pay for everything you've done, Sly Sludge. Your days of polluting the air are all over.

The previous group came

Titania: Can me, Zexion, Number 7, Titanium Titan, Johnny 13, Kitty, Zs'Skayr, Biowulf, Scorpion, and Gameface go with you guys?

Kitty: (Sniffs) EW! What stinks!?

Penelope Pumbaa: Sorry.

Me: She has farts that are lethal enough to make your eyes explode, dissolve your lungs and destroy your skeleton.

Kitty: EW! Sorry I asked.

Nico: But yes you all can come with.

Pumbaa: Penelope gets that from me though.

Lana: Another awesome thing she does like me is eat bugs.

Biowulf: That is cool! Just don't let Shino or the King-Ohgers see that.

Princess Rose: Nico, which Gene Slammer do you think you'll meet next?

Nico: Well I'm thinking about Volcanic Doomfire next.

Axel Brodie: Cool! That will be awesome.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Death Adder, he's come back from the dead, and he wants revenge on us for killing him. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Death Adder, he's come back from the dead, and he wants revenge on us for killing him again.

Serena Goldorado: I can't believe it, so Death Adder's back for more.

Rosa Espada De Fuego: I knew he would be back for more.

Selina Flare: What do you plan to do to him?

Tyris Flare: As much as I want to banish him to The Black Abyss, I have a much better idea, we'll send him to Vypra where he'll be condemned to forced eternal servitude in The Masters of Evil, but not before Lincoln absorbs his powers and immense strength and abilities.

Lincoln: Great idea, Tyris, I'll make sure Death Adder pays for every last one of his crimes, he has no idea how much more powerful we've gotten since last time.

Nico: That's for sure, that barbaric tyrant is gonna pay for what he's done. Alright, team, let's go, time we put an end to Sly Sludge for good.

Lincoln: His days of polluting the skies end here, and once we get done with him, you're next, Death Adder.

Tyris Flare: For too long, you have gotten away for so many of your crimes, Death Adder, this is where it all ends for you.

Lincoln: Since the air's been polluted by Sly Sludge, we'll need these.

Suddenly, the gems on Lincoln's 28th Century Miracle Box Backpack and our 28th Century Miracle Box Backpacks glowed, and we had on 28th Century Exopack masks and Exopacks that give us clean oxygen.

Me: Nice. Now, let's get that pile of sludge.

Nico: Time to clear the air!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Sly Sludge for good, and once we get done with that air polluting jerk and send that Satanic demonic monster, Dark Sebastian, flying back to Transylvania, Tyris Flare and Lincoln are going to take down Death Adder and send him to The Masters of Evil for forced eternal servitude, but not before Lincoln absorbs his powers and immense strength and abilities along with taking him down for all of his crimes against the land.

We were off

We arrived in Los Angeles, California.

Me: Los Angeles, California.

Qin: Yeah.

Zexion: Let's call Chillyfish.

Nico: Good idea.

Chillyfish then arrived.

Chillyfish: I'm here guys.

Me: Cool!

Qin: Literally.

Stalker: We could hit Sly Sludge with a Purity Blast

Me: That works.

Camie: (COUGHING)

Me: Uh oh. Poison air. Luckily, I do have an idea we can use to make Sly Sludge pissed.

Nico: What is it?

Me: Use our magic and the magic of harmony to make the air clean and the environment indestructible and pure.

Linka: (Russian Accent) Sonya!

She went over!

Varie: She has asthma!

Varie went over to her too.

Sonya: (Wheezing) Linka!

Varie gave her asthma medicine.

Sonya: Yeah. I'll be okay. Just an asthma attack and I don't have my inhaler.

Varie: Well good thing we came.

Linka: Soon Sly Sludge will be destroyed.

Camie: Yeah.

Kitty: Anyone got a spare inhaler?

Varie: I sure do. Always carry plenty.

Varie gave Sonya one.

Me: One of the Dragon Knight Kamen Riders we know had asthma REALLY bad.

Chris Ramirez: That was me believe it or not.

Thundercracker: Good thing the air's clean now

Me: And the environment can't be destroyed or poisoned ever again.

Earth: Thank goodness. But we still got to get rid of the Eco-Villains at large.

Lola: Yeah.

Xenia: This will be fun though.

Biowulf: How many Eco-Villains are left?

Me: After today, 5.

Qin: Yep.

Lincoln: Yep and Sly Sludge makes 3.

Ymir: It's gonna be Linka's day next.

Me: Yep. And she has her own reasons for it.

Nico: I know that.

Ymir: Well I don't.

Me: Oh right. Linka has a nasty vendetta against Verminous Skumm. He was supposed to appear today because he is the antipode of Gi but we moved that to Linka's day. The reason? He killed her cousin Boris.

Ymir: Oh man! How?

Me: With a nasty and terrible drug.

Nico: More will be explained tomorrow.

Me: Yep.

Lincoln then gasped.

Lincoln: WHOA! I saw the next Akuma we're going to face. It's Gi's Akuma, Tsunami Samurai Typhoon. The Hypothetical Akuma of Gi and she is a deadly samurai of water, typhoons and more and she is a deadly force. She was made because of the Eco-Villains terrorizing the world and vowed to destroy them!

WE GASPED!

He showed us a sketch of it and we saw that she looked like a samurai girl and had blue wings and a sword of water.

Me: Whoa!

Gi: Wow! I look amazing as a Samurai.

Me: You sure do.

Android 21: That goal is being worked on

Me: Yep.

Eli: I sense her coming. This will be interesting.

Me: Let me challenge her first and then you guys jump out after I have had my fun. I want to see what she is capable of.

Nico: Okay we'll watch from the benches over here.

Me: Okay.

Gameface: There she is.

They went hiding.

I stood ready.

I waitedand then a figure came and it was Tsunami Samurai Typhoon.

Me: If you seek conflict then you have found the wrong warrior to deal with.

Tsunami Samurai Typhoon: You are mistaken. I am the Purifier of Maelstroms. The Merchant of Water. And I seek you J.D. Knudson!

I unsheathed my sword and she unsheathed her water sword.

Me: You know Demongo said something similar when we clashed.

Tsunami Samurai Typhoon: Indeed he did.

Me: You are one of the Akuma's that are going to kill me. Right?

Tsunami Samurai Typhoon: But of course. I am the daughter of Anubis's dark magic. Gabriel looked deep within her and spawned me from her own burning hatred towards the Eco-Villains. I am her dark side and I possess all the powers that she wields along with a few extras. And I have only one purpose in my existance: TO KILL YOU J.D!

Me: Coincidentally, Samurai Jack's Dark Side said the exact same thing!

We then clashed!

CLANG CLANG CLANG CLANG!

We clashed powerfully!

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

Sparks flew all over the place with intense fury and more.

Plant Man: Damn!

We clashed all over.

Then...

SLASH!

I slashed her hair bun off and her hair unfurled.

Me: (Chuckles) Déjà-vu.

We looked at each other ferociously.

Tsunami Samurai Typhoon: (ROARS IN FURY!)

Me: (ROARS IN FURY!)

I went at her and she went at me and then...

SLASH SLASH SLASH SLASH SLASH SLASH!

NUMEROUS SLASHES!

Then...

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION!

A MASSIVE FIERY EXPLOSION BLASTED OUT WHEN WE CLASHED!

Nico: WHOA MAN! What power!

Gi: That was intense!

Then I kicked her down!

Me: (LAUGHS) Just like living another adventure of the Brave 12 all over again.

Tsunami Samurai Typhoon: (Pants) I sure is.

Everyone came out.

Nico: WHOA! What power!

Gi: That was incredible!

Tsunami Samurai Typhoon: So you all are here. I was thinking I was only going to face J.D.

Me: You didn't think I came alone did you? I just wanted to test your power.

Scorpion: Gi? Is that you?

Tsunami Samurai Typhoon: Yes it's still me. Now let me face J.D.

Me: Sorry but I've had my fun. I need to save my energy for when we face Sly Sludge.

Samurai Jack: This also reminds me of when we faced my dark side. You said something of the exact same thing when we met.

Tsunami Samurai Typhoon: Indeed.

Me: Except Jack's dark side was created by Aku. Yours was made by Gabriel.

Tsunami Samurai Typhoon: True on that.

Chillyfish: You need to calm down!

Tsunami Samurai Typhoon: Not until I kill J.D.

Me: Sorry to disappoint you but I'm not on your number one targets. I believe the target you want is Sly Sludge here.

Tsunami Samurai Typhoon: We'll see.

Eli fired waves of Force Lightning and electrocuted her.

Chillyfish fired waves of ice and froze her to the floor.

She broke out!

Tsunami Samurai Typhoon: My turn!

She roared at went at Gi who was calm and using her power over her inner peace. Then there was a flash of light and Tsunami Samurai Typhoon was screaming in pain and Gi channeled her inner peace and then in a massive surge of power absorbed her Akuma into her and made her part of her!

Nico: WHOA!

Qin: WOW!

Samurai Jack: Just like what I did when I faced my dark side.

Me: I remember that.

Airi: Is she down?

Gi: I absorbed her and locked her into my subconscious.

Me: Wow!

Qin: Awesome!

Nico: Yeah!

Nico: Alright, now we need to get after Sly Sludge.

Lincoln: But, first. Selena.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, and Solla Nexcrota raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Sly Sludge at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Sly Sludge saw it, and he let out a scream of rage and anger!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bastards!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: Let's tear that stupid sky polluting bastard apart limb from limb.

Qin: YEAH!

Ymir: Lets get him!

Zs'Skayr: I'll go invisible to surprise him!

Me: Good idea.

Nico: Awesome. Entrance time!

We then took off, and we got there just in time to see Sly Sludge ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate he has against us.

Nico: Okay, let's end this bastard once and for all.

Sly Sludge: (ENRAGED SCREAM) WHEN I FIND THOSE FUCKING BASTARDS, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

?: OH, SHUT THE FUCK UP, YOU BASTARDS!

Suddenly, the spirits of water appeared out of nowhere and they attacked Sly Sludge in total fury and that made him extremely pissed off even more! Zs'Skayr appeared and then scared him shitless! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Sly Sludge even more pissed off even more!

Nico: Hello Sly.

Me: Long time no punch Smog Breath!

Eli: Yeah!

Me: You've got some nerve coming back from the dead, Sly Sludge.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: And you're also back to polluting the skies again, you really have no sense of shame at all, you're disgusting!

Sly Sludge: DIE! ALL OF YOU JUST FUCKING DIE!

Lincoln and I fired blasts of purifying blasts at Sly Sludge and he got burned badly!

SLY SLUDGE LET OUT ANOTHER SCREAM OF PURE RAGE!

Sly Sludge: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Gi: Seriously? You did this to yourself, Sly Sludge, and there's no way we're forgiving you for what you've done, and we're going to make you pay for everything you've done.

Earth: Especially to the very planet I am embodied after!

Sly Sludge: (ENRAGED SCREAM) DARK SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd

forced The Dark Pact of Apophis upon you and the other Eco Villains.

We also saw it: Sly Sludge had a black snake tattoo with an inverted pentagram on his left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with the others.

Varie Yulinova: Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Sly Sludge: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Sly Sludge was smug at Dark Sebastian's humiliation. But, his smugness was about to be broken big time as we saw the darkness blacken the skies.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON SLY SLUDGE!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARDS! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Sly Sludge: What did you just say?!

Dark Sebastian Mendez: (Demonic Voice) APOPHIS, EGYPTIAN GOD OF CHAOS, HEED MY CALL! TAKE THE SOUL OF SLY SLUDGE AND MAKE HIM YOUR SERVANT FOR ALL ETERNITY!

Suddenly, Sly Sludge found himself about to have his soul taken from him by a black snake formed by the Infernal Darkness of Dark Sebastian, but Selena Mendez, Camie Elextor, Wendy Sauron, and Varie Yulinova retaliated by firing blasts of Divine Darkness which hit the snake and Looten Plunder and undid The Dark Pact of Apophis, and that really enraged Dark Sebastian, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Sly Sludge.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you air polluting freak!

Me: Yeah!

I teleported and punched him in his stomach and his face and kicked him in his mouth.

Sonya: SMOG!

She fired a wave of energy and it hit Sly and burned him bad!

Nico: WHOA!

Amorpho: Time for me to transform!

He turned into Pumbaa and farted in Sly's face.

Sly Sludge: Nasty!

Me: Like you are one to talk!

Venom then grabbed Sly Sludge.

Venom: Remember us?

Johnny 13: Didn't you eat him before?

Venom: Yes we did.

Venom looked at him.

Venom: You come in here again... In fact, you go anywhere in this city, preying on innocent people and polluting the air, and we will find you and we will eat both of your arms and then both of your legs. And then we will eat your face right off your head. Do you understand?

Sly Sludge: [stammering] No. No. Please...

Venom: Yes. So, you will be this armless, legless, faceless thing, won't you, going down the street like a turd in the wind? Do you feel me?

Sly Sludge: What the hell are you?

Venom, Eddie Brock: WE... are Venom.

Dreamcatcher: And your worst nightmare!

Me: All of us are!

Venom: And another thing, you tasted like rotten cigarette smoke.

Nico: Yeah! You would taste as horrible as Sou Fueki.

Me: BLECH!

Venom: Agreed.

POW!

He punched him down.

Number 7: I suggest you stand down

Me: If you know what's good for you.

Sly Sludge: NO!

Me: I was hoping you would say that!

I punched him in his face and kicked and bashed him.

Eli fired waves of lightning and blasted him.

Oshawott charged at him and blasted him with water.

Zexion, Number 7, Titanium Titan, Johnny 13, Kitty, Zs'Skayr, Biowulf, Titania, Scorpion, and Gameface and Tinkermon, Allomon, Hyogamon, SkullSatamon, Ajatarmon, Medicmon, Hisyaryumon, Punkmon, Siriusmon and Footmon: ELEMENTAL AIR FURY BLAST!

They fired waves of energy and elements and blasted Sly all over the place.

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced

Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Sly Sludge.

And then...

LOUD NASTY SUPER HORRIBLE FART!

Me: Nice.

Theia: No we control the power. It doesn't control us.

They concentrated and reigned in the powers of Unown and Weezing and transformed and blasted Sly Sludge all over.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into Death Adder's chest, and he began absorbing him and he assimilated his muscle mass, Superhuman strength, Superhuman stamina, Shockwave projection, Longevity added to Lincoln's Eternal Youth and True Immortality, Charisma added to his own, Axe mastery, Leadership, Shapeshifting, Generating energy waves, Resurrection, and Dark Magic, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, Death Adder was now thin as a rake and completely weakened after Lincoln sucked out and absorbed his powers and abilities and Lincoln let out a loud and massive roar of dominance and power. Then, Lincoln grabbed Death Adder by the neck with his left hand and tossed him into a portal that led to The M.O.E.

We cheered wildly as we holstered our weapons and powered down and Tyris Flare's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long crimson red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large crimson red and white planets orbiting around her legs, thirty-five smaller crimson red and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized crimson red planets orbiting around her wrists and ankles, and massive crimson red angel wings and twenty-four sets of large crimson red angel wings underneath her massive crimson red angel wings are permanent.

Tyris Flare: This is for murdering my parents so long ago, Death Adder, may you suffer for eternity for your crimes. Thank you for helping me deal with Death Adder for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Tyris.

Me and Nico: Our pleasure, Tyris.

Suddenly, Tyris Flare wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tyris Flare's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Tyris Flare sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did absorbing Death Adder's muscle mass, Superhuman strength, Superhuman stamina, Shockwave projection, Longevity, Charisma, Axe mastery, Leadership, Shapeshifting, Generating energy waves, Resurrection, and Dark Magic, Lincoln. He'll get them back, but on a level matching The M.O.E.'s.

Lincoln: Yep, that's right.

Me: After what he did, forced eternal servitude in The M.O.E. is what he deserves. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Ghost Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Ghost Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Xenia Ghost Moon, Werewolf Angel of The Ghost Moon of July.

Me: The Werewolf Angel of July's Ghost Moon, awesome!

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Xenia Ghost Moon, Werewolf Angel of The Ghost Moon of July, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Ghost Moon of July. Xenia Ghost Moon is a powerful master of the powers of blue wolf fire, ghosts, The Ghost Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Xenia Ghost Moon is The Werewolf Ghost Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Hawk and Hank. Xenia trained Lincoln in mastering the powers of blue wolf fire, ghosts, The Ghost Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a blazing passion and she wants nothing more than to tear them apart and have them haunted by ghosts forever underneath The Ghost Moon!

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Hawk and Hank getting a thrashing of their lives and getting sent back to prison.

Nico: Serves them right.

Eli: Big time!

Katnappe: I don't think that line is complete.

Juggernaut: Does it matter?

Baron Mordo: No, it doesn't.

Villamax: Another Eco Villain destroyed.

Me: Yep. But May you may want to gargle a lot of mouthwash.

May: (SPITS) YUCK! Yeah you're right.

Venom: We told you he tasted like rotten cigarettes.

Brain Freezer: How should we celebrate?

Nico: Lynn's Table for another awesome meal. Great job today everyone!

Gi: (To the viewers) Day three done and this was fun.

Me: Yep.

We went back home and went to Lynn's Table and then had a great meal.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Valerie Mirror Moon, but she was in her werewolf form.

Lincoln: Valerie Mirror Moon.

Valerie Mirror Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Valerie Mirror Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Valerie Mirror Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 9'11" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Valerie Mirror Moon still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Valerie Mirror Moon was in a two-piece grey bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Valerie Mirror Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Valerie Mirror Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Valerie Mirror Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Valerie Mirror Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Valerie Mirror Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Valerie Mirror Moon and he hugged her in his abnormally massive and powerful muscular arms, and Elena Fire Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Valerie Mirror Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Valerie Mirror Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Valerie Mirror Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Part 4 next and it's payback time as Linka destroys Verminous Skumm

See you all next time.

Earth Day 2024 Part 4 - Verminous Skumm

Linka's Day to Shine and for payback

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dream: apparently, his dream brought him to Middle Earth, specifically Mordor, Gondor, Rohan, and The Shire, and as he was flying, he saw four tornadoes of the elemental forces of fire and lava, light and nature, wind and nature, and life and nature form, and as the tornadoes faded, he saw four girls standing in their places, and these were four girls familiar to him. Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: We got good news: it's them.

Lincoln explained what happened, and they were stunned.

Selene Arcangela: Oh man, those four girls you saw, it's them: The Keyblade Knights of Middle Earth.

Audrey Sauron: I knew it was them. Which means we're going to run into them first thing in the morning either on Nico's rescue or when we meet the next of Selena's group.

Lincoln: I also sense something bad has happened and they've got a warning to deliver to us.

Michelle Emperyous: Whatever it is, it's not good.

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to Middle Earth, specifically Mordor, Gondor, Rohan, and The Shire.

Lincoln went on to explain that as he was flying, he saw four tornadoes of the elemental forces of fire and lava, light and nature, wind and nature, and life and nature form, and as the tornadoes faded, he saw four girls standing in their places, and these were four girls familiar to him.

Me: Whoa! Who are they?

Lincoln: They are The Keyblade Knights of Mordor, Gondor, Rohan, and The Shire.

WE GASPED!

Nico: No way, The Keyblade Knights of Mordor, Gondor, Rohan, and The Shire?! That's incredible!

Audrey Sauron: And their story is also incredible as well. 3,000 years ago on Middle Earth, there has been a legend that the lands of Middle Earth were protected by the legendary Keyblade Knights of The Ring, they are Keyblade Knights that have all the powers of all the lands of Middle

Earth, and the power they have is absolutely incredible and they have the power to do anything.

We were amazed.

Qin: Wow.

May: And Lincoln knows them?

Selene Arcangela: That's right.

Lincoln: And there's more: I've gone to Middle Earth before without the prying eyes of Lori, Lynn, Lola, Lisa, and Luan and I left my mark on the villains of Middle Earth.

Me: Incredible.

Suddenly, four tornadoes of the elemental forces of fire and lava, light and nature, wind and nature, and life and nature formed, and as the tornadoes faded, four girls were standing in their places, and they were The Keyblade Knights of Middle Earth's lands.

Lincoln: (GASPS) Mina Mordor, Keyblade Knight of Mordor, Gloria Gondor, Keyblade Knight of Gondor, Rihanna Rohan, Keyblade Knight of Rohan, and Sheena Shire, Keyblade Knight of The Shire.

Selene Arcangela: You four have made it.

Eli: And I sense their power, it's absolutely incredible!

Lincoln: And like Audrey Sauron said, they also have the power to do anything including me.

Nico: Oh man. So, care to introduce us?

Anna Anyanova: Sure. The black-haired girl is Mina Mordor, Keyblade Knight of Mordor, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with, she's The Keyblade Knight of the Fiery Land of Mordor and she's the destroyer of Orcs and the ultimate enemy of Sauron himself and she hates all Orcs and Sauron with a vengeance. She hates Sauron because of his evil ways and wants to make sure that he is gone for good, she killed millions and millions of his minions and more and even brought down his evil empire. She is a powerful master of fire and the powers of the fires of Mount Doom and the lava of the terrifying volcano itself. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows and he gained and mastered the powers of fire and the powers of the fires of Mount Doom and the lava of the terrifying volcano itself and also helped him bulk up in muscle along with teaching him about blacksmithing and he became a master blacksmith, and she hates all of Lincoln's Enemies with a vengeance and vowed to throw them into the fires of Mount Doom and burn them.

Selene Emperyous: The white-haired girl is Gloria Gondor, Keyblade Knight of Gondor, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She is the Keyblade Knight of the Land of Gondor and a mighty warrior and defender of all and she has all the powers of light and nature and more. She also hates Denethor, Son of Ecthelion with a vengeance because of the way he treats the throne and beyond. She vowed to bring that monster down and send him to the fires of Hell and purge his evil. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows and he gained and mastered the powers of light and nature and more, and she also helped him bulk up in muscle, and she hates all of Lincoln's Enemies with a vengeance and vowed to make them suffer the ultimate torture she would inflict upon Denethor and that is the Curse of being FOREVER ALONE!

Michelle Emperyous: The yellow-haired girl is Rihanna Rohan, Keyblade Knight of Rohan, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She is the Keyblade Knight of Rohan and a powerful and fierce warrior and a protector of the land and a deadly force. She is also the leader of the Rohirrim and the Eorlingas and the powerful master of a mighty and fierce army in the tens of millions. She is a master of wind and nature and is someone not to be messed around with. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows and he gained and mastered the powers of wind and nature, and she also helped him bulk up in muscle, and she hates all of Lincoln's Enemies with a vengeance and vowed to unleash the ultimate wrath of the entire army of Rohan on them and leave nothing of them left!

Laney Emperyous: And the green-haired girl is Sheena Shire, Keyblade Knight of The Shire, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She is the Keyblade Knight of The Shire and she is a friend of all Hobbits great and small and she's been given the great title of The Immortal Benevolent Ruler of The Shire and loves all of her people like they are her own children. She is a master of nature and life and brings good food and fortune to the Shire. She also HATES Smeagol A.K.A. Gollum with a vengeance because of everything he did and beyond and vowed to make sure that he pays for his crimes in blood. She moved to Royal Woods long ago, and she also really trained Lincoln a lot about how to use the Keyblade and he'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also taught him in everything she knows and he gained and mastered the powers of life and nature, and she also helped him bulk up in muscle, and she hates all of Lincoln's Enemies with a vengeance and vowed to unleash the ultimate wrath of the entire army of Rohan on them and leave nothing of them left!

Me: Whoa, that's really incredible that you four girls have defended the lands of Middle Earth from the Dark Lord, Sauron, and his enemies.

Sheena Shire: But, we weren't alone: like Lincoln said, he's been to Middle Earth before without the prying eyes of Lori, Lynn, Lola, Lisa, and Luan trying to do anything to him and he's left his mark on the villains of Middle Earth: he and Mina killed a lot of Sauron's men and Orcs, he and Gloria drove Denethor into exile after ending his reign, he and Rhianna fought alongside the Rohirrim and the Eorlingas against an army of Sauron's men, and he and I have fought Gollum in the past and defended the Shire and its people from The Dark Lord and his armies.

Nico: Incredible. So, what title did you girls give Lincoln for his heroics against Sauron, his armies, and the enemies of Middle Earth?

Sheena Shire: For his heroics in defending Middle Earth against Sauron, his armies, and the enemies of Middle Earth, I called him The Immortal Virtuous Defender of Middle Earth, and Sauron, his armies, Denethor, and Gollum absolutely despised him.

Mina Mordor: And thanks to our training, Lincoln gained and mastered all the powers of all the lands of Middle Earth, and he like the four of us gained absolutely incredible power and he has the power to do anything: summon healing rains to heal the sick, bring hope and courage to the armies which led to bolstering their morale, bring the murdered innocent souls back to life, summon powerful flames to burn Orcs, summon heavenly flames to burn Sauron's men to ashes, anything!

Me: Wow!

Nico: Unreal.

Sheena Shire: We saw it for ourselves, and we were amazed. Lincoln, everyone, we have some bad news that you're not going to like.

Mina Mordor: It appears Dark Sebastian's resurrected Sauron, his minions, and his armies, and he's also supplied him and his armies with his armies of demons and monsters.

WE GASPED!

Me: That insane demon of chaos!

Nico: I can't believe it, now he's gone and done it!

Poromon: He's set the fuse and lit the powder keg! He's declared war on us already!

Lincoln: Tomorrow, on my rescue, we'll head for Mordor and we're gonna make sure Sauron and his armies stay dead and gone forever, and in the three days to come, we'll go after Denethor in Gondor, Grima Wormtongue and Saruman in Rohan, and an evil version of Gollum in The Shire and end them for good.

Maria: A four-day rescue in Middle Earth's lands, this should be good.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Kira Textington, Wind Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Kira.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Kira Textington, Wind Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Wind. She's The Wind Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Kira Textington hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Kendra Textington, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and earth, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like Camie...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Yesterday, Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of a dangerous cult that was going to bring an ancient evil to Earth and destroy us all. They did a terrible spell that backfired and released a black slime that went into Sebastian and it possessed him and made him what he was.

Kira Textington: What?

Varie Yulinova: It's true, Kira, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Kira Textington: The Black Ooze of The Eldritch did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Solla. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun that we're meeting tomorrow morning is Gina Thunderton, The Lightning Mage of Darkness, she uses the powers of lightning and darkness.

Lucy: Her power over lightning and Darkness is that powerful, no one was able to defeat her.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head out to hunt down the next villain for Nico's rescue.

Nico: Along with Sergio's thugs.

Linka woke up to see Pidgey staring at her

Pidgey: Good morning Linka!

Linka: (Russian Accent) Oh good morning Pidgey.

Pidgey: Time for breakfast. It's your big day today.

Linka gasped.

Linka: Oh boy! My day!

ZOOM!

She went and got dressed and went to the table.

Me: Morning Linka. You're going to need all the energy you can muster for this so I made a huge feast for you.

I gave her meats of all kinds and eggs and borscht too.

Linka: Thank you J.D.

She had a really awesome breakfast.

We then finished our breakfast, and we set out to hunt down the next villain for Nico's rescue and also get rid of Sergio's thugs and send the thugs to The Black Abyss.

Qin: Boy this is an awesome planet.

Nico: (DROOLS) It sure is!

Me: (DROOLS) I love the meat planet!

Ymir: Boy look at all this! (DROOLS) (SLURPS) I love good meats.

Camie: (Drools) Yeah me too.

Eli: Yeah this is an awesome world!

Varie: I think it's great too.

Me: It sure is!

Sora Phaaze: I'm really excited for this.

Mai Shiranui: I am too and it's gonna be so fun and cool.

Nico: Mai, what do you like to do in your free time?

Mai Shiranui: I teach students how to fight in my fighting style at a dojo and they are fast learners too.

Me: Cool!

Camie: What fighting style does Mai use?

Me: It's called the Underworld Flame Dragon Fist. She has deadly fire powers and they can burn anything with intense power.

Camie: WHOA! That is incredible!

Mai Shiranui: Yep it sure is.

Me: Yeah that is awesome.

Ymir: How did you guys meet Mai?

Me: We had a beach day and we found her sinking in quicksand and pulled her out.

Misty Tredwell: I remember that! That was so cool.

Laney: Yep and we were conflicted with wanting to send Numbuh 3's little sister Mushi to the Warp.

Me: Lot of bad blood between them. Ugly story.

Numbuh 3: I got over that!

Me: We know but it happened long ago.

Misty Tredwell: Yeah I remember.

Ymir: Geez! Can you tell me later?

Me: Sure.

Mai Shiranui: Yeah that was fun though and we all had a great time.

Qin: That was fun.

Misty Brightdawn: At least Kuki and Mushi made up too.

Qin: Yep.

Laney: Thank goodness.

Me: Yeah. Man yesterday was awesome!

Ymir: It sure was! 3 down and 5 to go.

Lola: Yeah! Sly Sludge bit the dust!

Lana: He will never poison our air again!

May: I ate him! BLECH! AND HE TASTED LIKE SHIT! (VOMITS SLY'S BRAIN AND HEART)

Me: OH SICK!

MAY WAS VOMITING UP BLOOD AND INARDS!

Me: OH YUCK!

Manaphy: You okay, Mama?

May: I NEVER WANT TO EAT ANYONE LIKE THAT AGAIN!

Me: I don't blame you May.

Nico: Yeah no kidding!

J.D. 3: (Through my Crest on my forehead) Leni in my universe felt the same way after she was turned into a were-spider. She ate lots of people and puked up blood and guts for days.

Me: That is disgusting!

Hunter: (German Accent) Mein Gott! That is awful!

J.D. 3: Yeah it was awful.

Manaphy patted May's back and she was STILL THROWING UP!

May: (VOMITS HORRIBLY)

Nico: GEEZ! Sly really made her sick!

Me: Well what did you expect? He lived practically in poisonous air so that can't be good for your health.

May: (VOMITS MANY TIMES!)

VOMITS! VOMITS VOMITS VOMIT!

Me: GOOD GOD!

Xenia: What a Vomit Storm!

Luna: (FAINTS)

FWOMP!

She fell into a huge pile of sausages!

May: (VOMITS HARD)

Nico: You okay now, babe?

May: (Groans) I think so. (MASSIVE PROJECTILE VOMIT BLAST!)

THIS ONE LASTED FOR 10 MINUTES! YUCK!

May then fell down exhausted!

FWOMP!

We helped her get better.

Manaphy: Mama's okay now.

Me: Good.

May: I am never eating someone like that again.

Me: I wouldn't either.

Nico: Yeah no kidding.

May: Now I've lost my breakfast.

Me: Well we'll get you fed again. Anyway Gi's Akuma REALLY Put up an amazing challenge

Samurai Jack: She sure did! It was like what happened when we faced Mad Jack.

Me: That was cool! Just like old times Jack.

Samurai Jack: It sure was.

Me: Yeah good times.

Ymir: Really?

Me: Oh yeah. We battled it all as the Brave 12. Aku sent massive numbers of baddies after us. Robots, demons, aliens, bounty hunters, magical creatures and more. They always were trying to kill us.

Nico: Yep.

Ymir: Geez!

Camie: I know. Shocking.

Me: Yep.

Nico: Here we are.

Me: Uh Nico we are already here.

Nico: Oh sorry.

Qin: Yeah.

Lincoln: Okay, guys, we're in for one awesome battle, we're here on a meat planet, but here's the villain: the villain we're going after is Meatzilla, the Hypothetical Akuma of Universe 666 Lumpus, he's a monster made entirely out of meats of thousands of kinds! He has meat powers. He was made because of the Prime Universe version of himself ruining his name and more and making him look like an absolute imbecile and more. And he vowed to make that jerk pay!

Lincoln got out his sketchpad, and we saw him: he was a giant monster made entirely out of meats of thousands of kinds!

Nicole: Holy slabs of meat, that's a lot of protein we're gonna be eating.

Nico: No kidding!

May: I'm hungry for him!

Qin: Me too!

Xenia: Boy same here.

The rest of the team was with us.

Lynn: You said a mouthful.

Lincoln: First, we'll need to tenderize him before I throw him on the grill. Luckily, I had this made for just an occasion. (SNAPS FINGERS)

Lincoln snapped his fingers, and we saw the largest barbecue grill ever made!

Me: (WHISTLES)

Nico: Damn, that's one huge barbecue grill.

Then, Lincoln got out a lot of seasonings.

Lincoln: And we'll need a lot of seasonings too.

Lynn Sr.: I've got some extra seasonings just in case you need more.

Lincoln: Thanks dad.

Me: We'll cook some of the meats here too.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yep, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

Lincoln: Tell us about it. Now, let's get after Meatzilla.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twelve sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Meatzilla) AHA! There you are! I just spotted Meatzilla, he's 20 yards away!

Nico: Let's tenderize him and put him on the grill!

Scott heard a Pokemon Cry.

Scott: Hey look here!

We saw a Mandibuzz.

Me: Cool a Mandibuzz!

Jet-Vac: (British Accent) She looks like a vulture though. Vultures! Nature's Cruelest Mistake!

Ellia Eden: I think Vultures are amazing creatures.

Me: I do too.

Mandibuzz: Thanks.

Scott: You hungry?

Mandibuzz: I sure am.

Scott gave her apples.

Mandibuzz: Thanks.

She ate them

Poromon: Wanna come with us?

Mandibuzz: Sure!

Poromon: Yay! Awesome to have a fellow bird.

Nico: Cool!

THUNDERCLAP!

Me: Huh?

Then the sky stormed up and then it was RAINING GRAVY!

Me: WHOA!

I tasted it and it was gravy!

Me: It's raining gravy!

Ed: GRAVY! YUM YUM YUM!

He ran around and ate it all over.

Nico: Oh Ed. But how is this happening!?

Laney: LOOK!

We saw a Dragonair and it was making it rain Gravy!

Me: WHOA! A Dragonair!

Bonnie Terrez: That is cool seeing one here.

Nico: What's that doing here?

Me: No idea. But it must be one of Dark Gale's work.

Simone Houou: Let me see here.

She used Telepathy and gasped!

Simone Houou: OH WOW! That Dragonair is Ms. Frizzle's daughter Natalie!

WE GASPED IN SHOCK!

Qin: WHOA!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: Ms. Frizzle's Daughter is a Dragonair!? That is cool!

Simone Houou: It sure is! Too bad Ms. Frizzle can't be here to see her. She's helping her class today.

Me: Wonder what with?

Simone Houou: Oh Ralphie got sick today and it's broadcast day for them.

Me: Oh man that sucks!

Varie: Oh man I hope it's nothing serious. I'll have to help out when we get home.

Me: Yeah.

Nico put his skeleton back.

Nico: I hate it when that happens. But that is crazy that Ms. Frizzle's daughter became a Dragonair.

Me: I know.

Me and Simone went to face her.

Simone Houou: Natalie calm down. It's me Simone. Remember?

All she did was use Outrage

Me: UH OH! WATCH OUT!

Me and Simone dodged her strikes and she was really trying to hurt us!

We dodged them all and I blasted her back.

Me: WHOA! That was Outrage!

Clair: Be careful! When it uses Outrage like that it goes completely out of control!

Me: Oh shit!

Simone Houou: This is gonna be rough!

May used her Ice Gun to freeze her.

Simone Houou: (Echoing) PHOENIX FIRE!

She fired a fireball from her hand.

I fired a blast of fire from my hand and we blasted her down.

Me: YEAH!

I snapped my fingers and then she reverted back and was a girl with blue hair and had blue eyes and had blue angel wings and had Dragonair in the middle of her forehead and she had a blue jewel necklace around her neck and she had a cutie mark in the shape of the Magic School Bus as a spaceship with rainbow angel wings on it. We wrapped her in a blanket and brought her over.

Me: WHOA! That was intense. Thanks for telling us that Clair.

Clair: No problem.

May: But man she was really brutal.

Me: Yep.

She woke up.

Natalie Frizzle: (Groans) What happened?

Simone Houou: Natalie? Are you okay?

Natalie Frizzle: Simone? (GASP) Simone!

She hugged her.

Natalie Frizzle: I'm so happy you're here.

Simone Houou: Me too.

Natalie Frizzle: Where am I?

Simone Houou: You're on a planet made of meat.

Natalie Frizzle: Oh wow. Where's mom?

Simone Houou: She's with her class unfortunately. Ralphie got sick with something and they are doing their field trip in him.

Me: Whoa! I remember seeing that one. That was where they learned about the immune system.

Eli: That was a cool one.

Me: Also Natalie you were turned into a Dragonair by Dark Gale.

Ed: And you made it rain gravy!

Nico: Sorry your mom isn't here.

Me: Yeah.

Simone Houou: But I remember that field trip like it was yesterday.

She showed a video of it on her device and we saw what happened.

Me: Whoa! They went inside the throat.

Eli: Yeah.

Carlos: Hey what's that!?

We saw them seeing bacteria destroy the throat cells!

Nico: YIKES!

Lana: What is that?

Lisa: Hmm. That appears to be the bacterial strain of *Streptococcus Pyogenes*. The bacteria that causes Streptococcal Pharyngitis also known as Strep Throat!

We gasped!

Me: Whoa! That is a bad bacterial infection. And if left untreated with powerful antibiotics it can damage the voice box and even cause pneumonia and worse it can kill you.

Qin: Geez!

Eli: Yeah!

Simone Houou: Ralphie's immune system almost destroyed us in that one.

Natalie Frizzle: That's crazy but yeah moms field trips always were fun. Arnold still being a coward?

Simone Houou: Like he always is.

Me: And Carlos still tells corny jokes but they are still funny. Also Janet is still crazy but Arnold loves her.

Natalie Frizzle: I can see that.

Nico: Do you remember how you got Gene Slammed?

Natalie Frizzle: Actually yes I do. I was captured by Dark Ge.

She was in a blue suit and had been injected and then a hurricane rolled in and smashed the base and then she got turned into a Dragonair and flew out.

FLASHBACK ENDS

Natalie Frizzle: It was awful.

Me: I know but we destroyed Dark Gale forever.

Nico: Yep.

Me: Also the field trips your mother has are amazing. We went around the Solar System, we saw a Beehive, saw your mothers awesome Light Pinball Machine, Went to the Sound Museum, Learned about Star Evolution, Learned about how to eat things in moderation when Arnold was getting a cool award and learned all about bats and even all about the Internal Combustion Fuel System on the bus.

Natalie Frizzle: That is awesome.

Qin: It sure was cool.

Nico: Your role in Sonya's team?

Natalie Frizzle: Well I'm the weather mage of the team and I use weather powers to defeat our enemies. Outside the team I help my mother with her field trips and teachings. They are fun.

Me: They always are awesome and fun.

Simone Houou: Just like old times.

Nico: And they are fun.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new blue and aqua blue clothes and also a new element sword.

Natalie Frizzle: Wow I look awesome!

Me: You sure do. Also for Earth Day next week we're going to Walkerville Elementary to honor Earth Day by helping your mother's class.

Natalie Frizzle: Mom always loved Earth Day.

Earth Chan: I do too. It's my favorite day too.

Poromon: Where's the meat man?!

Me: Oh right. We're here on a mission too.

Simone Houou: Lets get a move on then.

Me: Nico when we get back, Me, Eli and Simone are gonna give Ralphie get well soon baskets.

Nico: That's very thoughtful and Varie can check him out too.

We then took off into the air to take down Meatzilla, so we can throw him on the grill, cook him up, and eat him and send him to The M.O.E., and send Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our target: MEATZILLA, THE HYPOTHETICAL AKUMA OF UNIVERSE 666 LUMPUS!

Me: WHOA MAN! HE'S HUGE!

Qin: He's a Kaiju of meat!

Xenia: WOW!

Lynn: There he is! I can't wait to eat him!

Lincoln: First, we need to tenderize him. Leave that part to me!

Lincoln fired massive blasts of energy from his massive white angel wings and twelve sets of large white angel wings underneath and lasers from the eyes on the shoulder blades of his massive white angel wings and twelve sets of white angel wings underneath, and they hit Meatzilla, and we landed.

Me: That was some nice tenderizing, Lincoln, but we're just getting started.

Nico: We've got a lot more to go. (To Meatzilla) Oh, and in case you're wondering about your Prime Universe counterpart, we already got rid of him and sent him to The Black Abyss last year and got rid of his clone that Morgana created.

Meatzilla: Aw, I missed out.

Me: Yeah sorry! But that jerk made you into a monster! Metaphorically speaking.

Poromon: MEAT!

Me: YEAH!

Nico: But you are really making us hungry! May the most.

Meatzilla: Really?

Me: You don't want to know.

Nico: Yeah ugly story.

Mandibuzz charged at him and blasted him with energy.

Lincoln: Hope you're ready. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in and swiped their loot!

Sergio Thug: Our loot!

?: (Italian Accent) You-a mean my loot!

We saw the next member of the International Clan of the Coopers!

Lincoln: Gianna Octavia Cooper!

Gianna Octavia Cooper: Good to see-a you again Lincoln.

Me: Care to introduce us?

Anna Anyanova: Sure this is Gianna Octavia Cooper, The Mermaid Angel Scourge of Venice of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Italy and an amazing Gondolier and even a great pizza chef and skilled thief and master of the waters of Venice and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Italy and she helped him on lots of dangerous jobs. She's known as The Mermaid Angel Scourge of Venice because she can swim in the waters of Venice and use the water to steal from her targets and she can also swoop in and steal from her targets from on top of the buildings unseen and unnoticed even in broad daylight. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made

Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Gianna came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the Waters of Venice and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Gianna Octavia Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Whoa! Pleasure to meet you.

Gianna OCtavia Cooper: Pleasure is-a all mine.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Meatzilla, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Suddenly, Lincoln spotted something fly out of Meatzilla and it came to him: the object was a large crimson red jewelry box shaped like Marinette's Miracle Box, but the box had a circle with the Yin-Yang symbol and the Zodiac symbols and it surrounded The Mark of Solomon on the box's top. Inside the box are tall 12-inch long cards with a frame in front with beasts from mythology and J.D. 2's time with their respected elements surrounding the beasts and on the back of the crimson red background is the symbol of The Ebonwu Squadron and in the center is a circular Talisman stone with the same circle with Yin-Yang symbol and Zodiac symbols and The Sun and Moon in the center, but the twelve tall 12-inch long cards in the slots and the thirteenth 12-inch long card in the center had thirteen evil demon lords imprisoned inside.

Lincoln 2: (Through The Thunderbird and animals emblazoned on his forehead) Whoa! Lincoln, do you know what you have in your possession? That's The Box of Solomon, it's a box I created long ago and you see those cards inside? Those are elemental beast cards that I'd created that have the immense powers of the beasts of mythologies from across the Earth and J.D. 2's time.

Lincoln: Wow. But, what's with the Talisman stone in the center?

J.D. 2: (GASPS) Oh God, that's The Circle of Heaven. Lincoln of The Ebonwu Squadron created it as well and those thirteen cards you see in its slots, those are the prisons of thirteen demons we had defeated 250 billion years ago and sealed into those cards.

WE GASPED!

J.D. 2: A long time ago, the planet of Aphiastea, an eternal beach paradise planet, was terrorized by The Thirteen Demon Lords of Chaos: Sog'tholuth, Demon Lord of Darkness, Treg'drith, Demon Lord of Fire, Ag'thillun, Demon Lord of Water, Ror'imez, Demon Lord of Wind, Var'gumath, Demon Lord of Earth, Gar'olus, Demon Lord of Blood, Ag'thukath, Demon Lord of Volcanoes, Sag'thenoz, Demon

Lord of Destruction, Drozamach, Demon Lord of Madness, Zel'gath, Demon Lord of Death, Angraduth, Demon Lord of Depravity, Zag'dron, Demon Lord of Tyranny, and Agometh, Demon Lord of Chaos. These thirteen demon lords were born in the darkest depths of The Netherworld and even Lucifer himself feared them because they were truly the most dangerous even among Hell's legions. So, he banished them from Hell forever into the outer reaches of space, but they landed on Aphiastea, and they caused havoc.

Nico: Oh man!

J.D. 2: Lincoln and I along with the entire Ebonwu Squadron defeated them and he had them put into thirteen cards that were to serve as their prison and placed them into a Talisman Circle known as The Circle of Heaven and he had it put into The Box of Solomon, and he also created the elemental beast cards, but only you can use the elemental beast cards, Lincoln, and you're also the Guardian of The Circle of Heaven.

Eli: But, this means...! Someone wants to free the demon lords, but who?

We soon found out the answer.

Qin: Dark Sebastian.

Lincoln: I can't think of any other person other than him. I'm not letting him get his hands on The Circle of Heaven, if he does, he'll unseal the thirteen demon lords and bring about the apocalypse.

Suddenly, The Box of Solomon merged with Lincoln's 28th Century Miracle Box Backpack, and now, it not only includes the special compartments for Eini and The Universe 666 Miraculous, but now, it also includes the slots for the elemental beast cards for Lincoln to summon and it still houses The Circle of Heaven.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Lazlo, Raj, Clam, Patsy, Nina, Gretchen, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and we tenderized him even more.

Suddenly, Lincoln's massive white angel wings and twelve other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Meatzilla, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Meatzilla's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Meatzilla hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Meatzilla was on his last legs and he was really really mangled.

Then, Lincoln seasoned him up with tons of seasonings, and then, he summoned his massive grill and he lifted Meatzilla up and threw him into the grill and he was being cooked and grilled, and five hours later, the grill opened, and Meatzilla was cooked and grilled to perfection and the seasonings made the smell even more delicious.

Nico: NOW you guys can eat him

Then, we ate him and we let out massive belches and Lincoln sent his spirit to The M.O.E. We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, twenty-five large colored planets orbiting around the legs, twenty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Lazlo, Raj, Clam, Patsy, Nina, and Gretchen are permanent.

Qin: Now, that was really delicious! (MASSIVE BELCH)

Nico: That sure was! Lincoln, you're just as much of a chef as your dad! (MASSIVE BELCH)

Me: Man we are STUFFED! (MASSIVE BELCH)

Nebula Lanaia: I really missed out on a lot, and I was impressed Lincoln had that many talents along with being a comic book writer and video gamer.

Me: You said a mouthful.

Lynn Sr.: He's even made some really amazing dishes for my restaurant, and everyone loved them including me.

Rita: Along with some desserts, and I also had to help keep the chocolate hidden from his sisters.

Anna Anyanova: We hadn't forgotten that you girls are well-known chocoholics while Lincoln had control over that craving.

Nebula Lanaia: I do not want to know how much chocolate you guys went through in the past.

Nicholette Torrington: It's best you don't. Now, we got a big mission: we got to keep Dark Sebastian from getting his bloodstained hands on The Circle of Heaven, if he does, he'll unseal the prisons of the thirteen demon lords and unleash them on the world and trigger the Apocalypse.

Me: There's got to be a way to banish The Thirteen Demon Lords to The Black Abyss before that bloodstained lunatic shows up.

Lincoln thought about it, and then, he remembered reading about one holy ritual.

Lincoln: There is. In one of the books in the library in my room, I discovered a holy ritual that was only talked about among the Archangels: it's a ritual to banish powerful demon lords to The Black Abyss, especially those who got cast out of Hell forever, but this also requires additional assistance such as holy water, a rosary, a crucifix, and holy prayers, and it has to be done before we go after the next Eco-Villain because Dark Sebastian will no doubt be there.

Me: Good idea, Lincoln.

Nico: Yeah, we can't let that lunatic get his hands on The Circle of Heaven. By the way, those cards that were also in there, did Lincoln 2 give them a name when he created The Box of Solomon and The Circle of Heaven?

J.D. 2: He did, he called them The Elemental Beast Cards of Myth, and only Lincoln can use them because Lincoln 2 made sure that only he can use them.

Me: Wow, that's a little strict.

Lincoln: I'll have to make my own Elemental Beast Cards of Myth to give you guys as well.

Me: Yeah.

Qin: So cool.

Me: Yep. (MASSIVE BELCH) Oh pardon me.

Qin: That was awesome though.

Nico: Nice job Mandibuzz.

Mandibuzz: Thanks Nico. That was cool.

Me: It sure was!

Poromon: Want some beer?

Mandibuzz: Oh no thanks. I don't drink.

Poromon: Okay.

Poliwag: (Groans) Too bloated to give puppy eyes.

Horsea: I'll do it! (Gives puppy eyes) Pwetty Pwease?

Maria: Horsea that's enough.

Nico: Mega Man, I know this is a silly question but what do you like to do in your free time?

Mega Man: Oh I like helping Dr. Light make new robots.

Camie: Neat!

Qin: Cool!

Donald Duck: I'm gonna take a walk later.

Me: Okay Donald.

Qin: Good idea.

Xenia: Yep.

Donald Duck: I could use some fresh air.

Lincoln: (Sensed The Anothers) Uh oh, here come the Anothers!

Me: WHOA! So Another Storm Eagle, Sodom, Sandworm, Lagoras, Cthulhu Harold & Gladys, and Grangon.

Me: WHOA! She is one guardian angel that you should NEVER Piss off!

Me: Oh man. Poor girl.

Nico: Yeah.

Anna Anyanova: Yeah no kidding. The pink hair girl is Saline Sanguine, Embodiment, Avatar and Keyblade Knight of The Elemental Transmogrified Land of Ooo, she's Lincoln's Guardian Angel and a powerful force of epic power to be reckoned with. She represents the element of wind and represents the temperament of Sanguine A.K.A. Happiness. She is always happy and cheerful and optimistic and loves being like this all the time. She vowed to make them happy no matter what.

Me: Wow! A true free spirit! That is cool! Awesome to meet you girls.

Saline Sanguine: Same here.

Me: By the way girls are the Another Storm Eagle and Linka friendly or hostile?

Brenda Lousteau: Friendly and one of them has a special treat for Twilight Sparkle.

Me: Nice.

Nico: Sorry we have to do this.

Me: Whoa! So like Shooting Stars and The Aurora Borealis as one. That is amazing.

Twilight Sparkle: I missed seeing them because I was so busy signing autographs on a Zeppelin vacation.

Lincoln: Ah, we're here on Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got bad news: it appears Universe 666 Timmy Turner's come back from the dead and as the 12'6" massive hulking musclebound behemoth after draining the Universe 666 Fairies, Universe 666 Jorgen, and Action Movie Jorgen of their magic, and he wants revenge.

Me: Not good.

Nico: So the Universe 666 versions of the team that we killed have also come back as well, this is really bad.

Lincoln: Seems like it, but we're going to take him down once again and I'm going to suck out and absorb his massive muscle mass and the power and magic he gained from draining the Universe 666 Fairies, Universe 666

We then saw our target: Universe 666 Timmy Turner who's come back from the dead and was back as the 12'6" massive hulking musclebound behemoth after draining all of the Universe 666 Fairies, Universe 666 Jorgen, and Action Movie Jorgen of their magic and power. But, then we saw marks on his pecs, and Lincoln saw they were the cutie marks of Universe 666 Princess Celestia, Universe 666 Luna, and Universe 666 Cadence along with the cutie marks of the Universe 666 Ponies, Pegasi, and Unicorns except for those in Universe 666 Lincoln's harem.

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take down Universe 666 Timmy Turner, so I can suck out and absorb his massive muscle mass and the power and magic he gained from draining the Universe 666 Fairies, Universe 666 Jorgen, and Action Movie Jorgen of their magic along with the immense magic and powers of Universe 666 Princess Celestia, Universe 666 Luna, and Universe 666 Cadence and the Universe 666 Ponies, Pegasi, and Unicorns except for those in Universe 666 Lincoln's harem, and send him to The Black Abyss forever.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, white hair and white wolf ears and tail, red eyes, massive white angel wings, purple Wolf Moon tattoo on her right arm and wolf paw with a ghost on her forehead, white short-sleeved blouse with wolf paw with a ghost, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the flame, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, ghosts, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Ghost Moon, she has a wolf claymore in her right hand, and with her are the twelve girls.

Lincoln: (GASPS) Xenia Ghost Moon, Werewolf Angel of The Ghost Moon of July.

Xenia Ghost Moon: That's right, and it looks like I got here just in time, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

WE GASPED!

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Valerie Mirror Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into Universe 666 Timmy Turner's chest, and he began absorbing him and he assimilated his muscle mass, Superhuman strength, Superhuman stamina, and all of the power and magic of the Universe 666 Fairies, Universe 666 Jorgen, and Action Movie Jorgen and the immense magic and powers of Universe 666 Princess Celestia, Universe 666 Luna, and Universe 666 Cadence and the Universe 666 Ponies, Pegasi, and Unicorns except for those in Universe 666 Lincoln's harem, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln was getting stronger and stronger still, and suddenly, Lincoln grew from 9'11" to 10'0" and his abnormally massive and powerful upper and lower body muscles grew much larger and he still has twelve pack abs Suddenly, Lincoln felt a very sharp pain on his even more wider and even more muscular back, and then, his massive indestructible white angel wings with orange and aurora tips on the massive white feathers grew much larger for his new body with a wingspan of 20,880'0" and his medium sized white angel wings with orange and aurora tips underneath grew larger with a wingspan of 18,880'0" and his small sized white angel wings with orange and aurora tips underneath his medium sized white angel wings grew larger with a wingspan of 16,880'0", and the another pair of white angel wings with orange and aurora tips underneath his small sized white angel wings grew larger with a wingspan of 14,880'0" and the another pair of white angel wings with orange and aurora tips underneath the new pair of white angel wings grew larger with a wingspan of 12,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 10,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 8,880'0", and and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 6,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 4,880'0 and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 2,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,680'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,480'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,280'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 1,080'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 980'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 880'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 780'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of 680'0" and another pair of white angel wings with orange and aurora tips grew and sprouted out underneath the new white angel wings with a wingspan of

Then, when Lincoln was done and the stingers changed back, nothing was left of Universe 666 Timmy Turner except for his underwear and he also drained his soul of energy and banished him to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we were back in The World Tree Estate.

Lincoln: That's it for that heartless lowlife thug.

Universe 666 Me: That's for sure. But, this also means the Universe 666 versions of Lori, Lynn, Lola, Lisa, Luan, Maria, May, Optimus Prime, and Danny Phantom are also back as well, along with the fucking snake who murdered me and turned my former team into monsters!

Universe 666 Lincoln: And murdered my harem, Universe 666 Clyde's harem, and Universe 666 Ets' harem, and turned us into vengeful monsters.

Eli: And murdered Universe 666 Nunnally and sent my Universe 666 counterpart spiraling into rage and revenge.

Maria: We saw the whole thing on the big screen, I can't believe that Universe 666 Timmy Turner was the villain causing trouble again.

Nico: Yep, but we took him down just like last year, and Lincoln sucked out and absorbed him and assimilated his massive muscle mass, Superhuman strength, Superhuman stamina, Superhuman Endurance, and all of the power and magic of the Universe 666 Fairies, Universe 666 Jorgen, and Action Movie Jorgen of and the immense magic and powers of Universe 666 Princess Celestia, Universe 666 Luna, and Universe 666 Cadence and the Universe 666 Ponies, Pegasi, and Unicorns except for those in Universe 666 Lincoln's harem.

Lincoln: And I grew yet again from 9'11" to 10'0", and I now have twenty-five sets of white angel wings: one set of massive white angel wings with a wingspan of 20,880'0" and twenty-four sets of large white angel wings underneath my massive angel wings with wingspans of 18,880'0", 16,880'0", 14,880'0", 12,880'0", 10,880'0", 8,880'0", 4,880'0", 2,880'0", 1,880'0", 1,680'0", 1,280'0", 1,080'0", 980'0", 880'0", 780'0", 680'0", 580'0", 480'0", 280'0", 80'0", and 28'0" and the shoulder blades of my massive white angel wings and twenty-four sets of large white angel wings underneath my massive white angel wings have eyes with rainbow irises.

Maria: (Smirks) You keep on growing in muscle, and there's no way your harem's not gonna keep their hands off you.

Me: It's a bit too late for that though, you've seen it yourself, they can't keep their hands off of him anyways.

Nico: Yeah, and they'll fight to keep him safe, even resorting to more...violent measures to do so.

Lincoln: You're not wrong on that one, Nico. Well, at least, we're rid of that Surfboard Face thug from Universe 666 Earth, but this won't be the last time. (To Xenia Ghost Moon) And it's so good to see you again, Xenia.

Xenia Ghost Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Xenia Ghost Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Xenia Ghost Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Xenia Ghost Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Xenia Ghost Moon and hugged her, and Xenia Ghost Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Xenia Ghost Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Xenia Ghost Moon, Werewolf Angel of The Ghost Moon of July, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Ghost Moon of July. Xenia Ghost Moon is a powerful master of the powers of blue wolf fire, ghosts, The Ghost Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Xenia Ghost Moon is The Werewolf Ghost Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Hawk and Hank. Xenia trained Lincoln in mastering the powers of blue wolf fire, ghosts, The Ghost Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Hawk and Hank with a blazing passion and she wants nothing more than to tear them apart and have them haunted by ghosts forever underneath The Ghost Moon!

Nico: Can we see how...?

Lincoln and Loud Sisters: NO!

Me: Whoa, what happened?

Lincoln: I know what you were about to ask, Nico: you wanted to see how Xenia drove Hawk and Hank out, but we can't do that! Let's just say what she did..., it is not for the faint of heart and it was an absolute messy clean-up.

Nico suddenly shuddered at the thought!

Nico: Whoa, okay, I see your point. I can't believe I asked that, that was wrong.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with those gorillas, you turned Xenia, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Xenia.

Lincoln with his massive muscular arms still wrapped around Xenia Ghost Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Xenia Ghost Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Xenia Ghost Moon with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The

Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Xenia Ghost Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Xenia Ghost Moon.

Xenia Ghost Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Xenia Ghost Moon's waist, and he leaned down to her face and kissed her on the lips, and with Xenia Ghost Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Xenia Ghost Moon had an atomic red blush on her faces, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Xenia Ghost Moon: (In Heaven) My God. Oh, Lincoln, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the twelve girls, he recognized them as he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The twelve girls are Yuina Akagi, Azu Niisato, Kyouka Kitahara, Choco Mitsumata, and Mai Kamiizumi from Maebashi Witches and Fino Bloodstone, Airi

Ortinet, Ramdia de Accimemor, Ceara August, Nova Luminous, Elsa Crucial, and Lore Beriferal from I Couldn't Become a Hero, So I Reluctantly Decided to Get a Job.

Lincoln: Oh wow, it's Yuina Akagi, Azu Niisato, Kyouka Kitahara, Choco Mitsumata, and Mai Kamiizumi from Maebashi Witches and Fino Bloodstone, Airi Ortinet, Ramdia de Accimemor, Ceara August, Nova Luminous, Elsa Crucial, and Lore Beriferal from I Couldn't Become a Hero, So I Reluctantly Decided to Get a Job.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Yuina Akagi: Yes, we're okay, thanks to you.

Yuina Akagi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Azu Niisato: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yuina Akagi, Azu Niisato, Kyouka Kitahara, Choco Mitsumata, Mai Kamiizumi, Fino Bloodstone, Airi Ortinet, Ramdia de Accimemor, Ceara August, Nova Luminous, Elsa Crucial, and Lore Beriferal with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened in Universe 666 Earth.

Maria: I can't believe it. So, we now have to face the return of Universe 666 Nico and the sickos who helped him murder Universe 666 J.D. and Universe 666 Varie?!

Lincoln: Along with all the other crap he's done in his world. Needless to say, Anti-Monitor didn't make him one of his lackeys because he's a two-faced fucking snake. If I see him, I'm gonna tear him apart limb from limb and mount his severed eyeless head on a stake!

NICO'S JAW AND MY JAW DROPPED TO THE GROUND!

CLANG!

Eli closed our jaws.

May: Yikes!

Nico: I don't blame Lincoln for getting that kind of idea.

Me: Same here.

Universe 666 Me: Me too. That snake's lived for too long.

Universe 666 Lincoln: I hope you can also hit him with some lethal curses as well.

Eli: Too easy.

Lincoln: He's right, Nico knew how powerful Universe 666 Nico is, so I've got a few curses that'll drain him of his power before we deliver the final blow and last year, I absorbed the mirror version of Nico along with Broly, The Universe 666 Saiyans and Z-Fighters, and that evil version of Master Vegeta last year as well and made their powers mine.

Nico: That's right, I remember that. But, if he's anything like me, he's not going down without a fight.

Lincoln: Then, that's what we're gonna give him: one final fight, and it'll end with him biting the dust as we beat him into a bloody pulp for everything that he's done.

Me: In the future, that's for sure, Lincoln.

After Lincoln and all of us took down Universe 666 Timmy Turner and Lincoln absorbed him and sent him straight to The Black Abyss and this time forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Xenia Ghost Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her faces, hearts in her eyes, and her nose was really gushing out blood.

Xenia Ghost Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really big, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all

bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Xenia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Xenia Ghost Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful wolf man we know today.

Xenia Ghost Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with

900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw what it was that triggered the alarm, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 Elementals of Earth, Fire, Air, and Water have come out and are coming after us.

Cronus Chase: Dark Sebastian's made his move, I'll handle them. In the meantime, Lincoln, you use your ritual to get rid of the Thirteen Demon Lords and send them to The Black Abyss.

Lincoln: Right.

Lincoln got out the Holy Talisman Stone, The Circle of Heaven, from his 28th Century Miracle Box Backpack, and while he began the ritual to banish The Thirteen Demon Lords imprisoned in the thirteen cards embedded in the holy Talisman Stone to The Black Abyss, Cronus Chase flew out and landed.

Cronus Chase: Sending Elementals after us was a bad idea, you psychopath, I hope you're watching from the shadows.

Suddenly, Cronus Chase's crimson red eyes turned neon crimson red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Cronus Chase: I was surprised to find out that psycho wasn't going to give up that easily, but to send Elementals after us, that just proves he's nothing but a weak coward. (GOLD HEAVENLY RING OF LIGHT APPEARED AND SURROUNDED HIS RED EYES) Well then, it's time I got rid of you all before I let Lincoln absorb you lot.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CRONUS CHASE WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT WENT BACK TO EARTH AND CRONUS CHASE GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Cronus Chase was surrounded by a very massive vortex of black and crimson red, white, and blue energy with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, and hellfire surrounding the vortex, there are vampire bats, phoenixes, and angels surrounding the vortex, and in the vortex is a red phoenix with blood red eyes glaring at the Minotaurs: the blood red eyes of eternal

death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Me: WHOA!

Nico: NO WAY!

Lincoln: Too awesome!

Cronus Chase went after the armies of Elementals, and he fired extremely powerful blasts of black and blood red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the Elementals even angrier than ever.

Suddenly, Cronus Chase saw a magic circle of holy light form underneath his feet and The World Tree Estate: he knew Lincoln was beginning the ritual as he had The Circle of Heaven with the embedded thirteen cards imprisoning The Thirteen Demon Lords in the center of a circle of candles with a rosary, crucifix, holy water, and holy prayers spread before The Circle of Heaven.

Lincoln: St. Michael The Archangel, defend us in battle against the wickedness and snares of The Devil. We pray to Our Lord in Heaven to help us in our darkest hour: the demonic Dark Sebastian has come to unseal The Thirteen Demon Lords and free them from their prison in the holy talisman stone, The Circle of Heaven. We ask you to help us banish The Thirteen Demon Lords to The Black Abyss for eternity.

Suddenly, The Circle of Heaven glowed with rainbow light as heavenly lights shined down upon the cards housing The Demon Lords, and then, we saw darkness coming off the cards and we heard the sounds of thirteen demonic screams, and then, the cards came out of the slots, and thirteen blasts of darkness came out of the cards and they had the faces of Sog'tholuth, Treg'drith, Ag'thillun, Ror'imez, Var'gumath, Gar'olus, Ag'thukath, Sag'thenoz, Drozamach, Zel'gath, Angraduth, Zag'dron, and Agometh in them.

Then, the light of Heaven shined down even more as The Demon Lords of Chaos screamed one last time and they were all banished to The Black Abyss forever, and the cards, their former prisons were now empty.

Me: You did it, Lincoln.

Nico: The Demon Lords of Chaos are gone, but now, you've got thirteen blank cards. What are you gonna do with them?

Lincoln: Hmm, I might have an idea.

Outside, The Elementals roared in anger.

Cronus Chase: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust)(Smirks) Was that supposed to scare me?

Suddenly, Cronus Chase let out an animalistic roar as he showed his fangs and that really scared the Elementals!

Cronus Chase: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) But, I'm not going to be the one to kill you.

Then, Lincoln appeared.

Lincoln: That'll be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of Elementals, and one by one, he began absorbing them and he assimilated their Superhuman Strength, Superhuman Speed, Superhuman Agility, and powers of Earth, Air, Fire, and Water, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the Elementals and Lincoln let out a loud and massive howl of dominance and power. Suddenly, the thirteen tall 12-inch long blank cards that formerly housed The Thirteen Demon Lords of Chaos glowed and twenty more tall 12-inch long blank cards appeared, and the thirty-three cards now had the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and Lincoln put them into his 28th Century Backpack along with The Circle of Heaven, the holy Talisman Stone, and The Elemental Beast Cards of Myth surrounding it.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the Elementals I absorbed, Cronus.

Cronus Chase: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I forgot we also assimilate the powers and abilities of those you absorb.

They came back inside.

Me: Cronus, that was some awesome work you did taking those Elementals down.

Nico: But, aren't you disappointed you didn't feast on them as well?

Cronus Chase: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Almighty Vampire True Immortal Bloody Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Nah, it doesn't work with Elementals.

Cronus Chase holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and red planets orbiting around his legs and thirty-five black and red smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blood red planets orbiting around his wrists and ankles, longer grey tail, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings are permanent.

Caleb Maxwell: We got rid of The Thirteen Demon Lords of Chaos and Lincoln absorbed the armies of Elementals that Dark Sebastian sent after us, and created thirty-three Elemental Cards that are now alongside The Elemental Beast Cards of Myth and The Circle of Heaven, the holy Talisman Stone. Now, tomorrow will be one of The NYPD to transform.

Jack Howard: Now, this should be good.

Then, Cronus Chase got out a videotape.

Cronus Chase: Okay, now this video here, this takes place a week after Caleb's return to New York and his transformation. I was heading out, but of course, I ran into Panther and Shroud of The Big Claw Gang, but that also led to our encounter with Caleb.

Cronus Chase put the videotape in and it played on the big screen and it showed New York at night and it was week after Caleb's return to New York and his transformation. Cronus Chase was out for a walk.

Past Cronus Chase: That was one tough class today, once I meet up with Cage, Travis, and the girls, we'll at least have some fun.

Suddenly, Cronus Chase felt something in the air, and he was then rushing to get to Cage and Travis' apartment. But, then, he saw two figures running on the rooftops: they were Panther and Shroud of The Big Claw Gang, and they landed right in front of him.

Past Cronus Chase: Panther...and Shroud of The Big Claw Gang? What the heck are you two doing here?

Past Shroud: We hear you're loaded, so give us your money!

Past Cronus Chase: I don't have any money on me, and even if I did, why would I ever give you two thieves any of it? You better leave right now.

Past Panther: (Smirks) Or what, you're gonna get your dad to help out?

That of course pissed Cronus Chase off.

Past Cronus Chase: Don't you ever mention the name of that man in front of my face!

That of course freaked Shroud out.

Past Shroud: What the?!

Past Panther: You got some guts freaking Shroud out. (Cracks Knuckles) Want me to teach you a lesson you're not gonna forget?

Past Cronus Chase: (Thinking) Shit!

Suddenly, a gunshot rang out and a bullet hit the wall, and Cronus Chase saw who it was that did it: it was Caleb Maxwell.

Past Caleb Maxwell: Leave, Panther, and take your fellow street scum with you.

Past Shroud: Hey, who are you calling...?

But, then, Caleb Maxwell raised his gun at Shroud.

Past Caleb Maxwell: Next smart ass comment that comes out of your mouth, you're gonna be eating lead!

Shroud growled at Caleb Maxwell, and he and Panther left, and Caleb Maxwell left. Cronus Chase went inside and met with Cage Blunt, Travis Tackett, Leela Salyers, and Peace Salyers and he told them of what happened.

Past Cronus Chase: I can't believe what I just saw, Caleb drove those two away.

Past Leela Salyers: But, I'm not surprised. Even though The Big Claw Gang are a notorious gang and are the most powerful gang in New York, Caleb's dark shadow is out there haunting them and any other criminal he encounters.

Past Peace Salyers: I'm not surprised he hadn't ended them long ago.

Cage Blunt and Travis Tackett knew of Caleb's encounters with Panther, Carla Claw, Sally Gamble, and Claw Dane

Drake back in 1985 before he died and before the gang expanded, and they kept silent on that as the video ended.

Carter Kenrick: So, that explains the bullet hole we found near the apartment, Caleb showed up to drive Panther and Shroud away.

Roxy Drake: I always knew Caleb would show up whenever Dad's gang are running loose again, and he always sends them running.

Jack Howard: And takes the fun out of chasing them and trying to put the cuffs on them.

Casey Antonio: And we have to deal with the results of Caleb chasing them back into the shadows and of his rampage against The Syndicate.

Vessie Harris: I knew Caleb was out for blood the day he came back to New York, but I didn't expect it to be that bad.

Captain Whitten: Same here. But, I knew it was coming, I knew Drake would regret this.

Abby Smith: And he left a trail of death wherever he went.

Cuffs Lane: Only for him to vanish.

Jazz Jackson: We almost got close to catching him.

Caleb Maxwell: Oh please, you know I always escape.

Jack Howard: Hey, we don't give up that easily especially when it comes to you.

Caleb Maxwell: What was that, Jack? You know I don't like boasts, and you know what happens if I hear it, (Snarls)

Right?!

Caleb Maxwell snarled as he said that: and he had a glare that looked like it came from Hell itself.

Lincoln: Uh oh...!

Nico: Jack, you shouldn't have boasted like that.

Allie Maxwell: (Sighs) I'd better discipline the nannygoat.

BONK! POW!

Allie Maxwell threw a donut at Jack Howard's head and punched Caleb right in the nose.

Roxy Drake: (Snickers) (To Jack Howard) Dork.

Jack Howard: Eh, I had it coming.

Luna: And she also punched her older brother right in the nose.

Caleb Maxwell: Ouch.

Caleb Maxwell's injured nose spurted out blood, but it hit May.

May: (SHRIEKS)

Caleb Maxwell: Oh shit.

We got a shower, and then, Lincoln, M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama are heading to Plage Paloma in Saint-Jean-Cap-Ferrat in France.

Lincoln snapped his fingers, and the 10'0", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Charlie the Goat: Wow, we're here in Plage Paloma, it sure is beautiful.

Lincoln: It sure is, Charlie, and it's perfect for our first date, shall we?

Lincoln, M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Mahiru Koizumi: (Swooning) What a handsome and manly wolf hunk.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama and hugged them in their abnormally massive and powerful muscular arms, and M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and twenty-four sets of large white angel wings underneath spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Plage Paloma, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama are now in your harem, Linky.

M3GAN, Charlie the Goat, Vaggie the Moth, Mahiru Koizumi, Hiyoko Saionji, and Peko Pekoyama showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Mahiru Koizumi: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Misty, The Pipsqueaks and Xion's 3rd Mission.

Nico: Anyone else want to go with Misty Brightdawn, Seashell, Peach Fizz and Glory and Xion? Besides Will, Eiji, Leo Corbett, Mama Cosma, Dark Riku, and Pintar?

Clovis: Wow!

Me: I know.

Krillin: We all think so.

Cece: Cool! Krillin you beat Pintar in a tournament?

Krillin: I sure did. Pintar was one of my opponents in the World Martial Arts Tournament.

Me: That was the biggest ever tournament to determine the strongest fighter in the world. My teacher and Master, Goku won that tournament and it was a tough event. But he won it and it was amazing.

Cece: That is so cool!

Nico: Yep and it was fun and cool.

Brick: We all think that is cool.

Lucca: Yep.

Nico: So, any of your enemies active right now? Can't believe we haven't run into a single one.

Zak Storm: That's because we're saving them for Misty's Big day for her and all of you.

Me: Oh that's thoughtful.

Zak Storm: Yep. But here is one for you that you might not like.

He showed a photo to us and it was someone I thought we would NEVER SEE AGAIN! I gasped!

Me: Oh man! This is Estonia's most deranged serial killer Leena Klammer.

WE GASPED!

Cece: Who is she?

Me: A dangerous and maniacal woman.

Clovis: But she looks like a little girl.

Me: Well looks are deceiving. She is really a 35 year old woman that looks like a 9 year old girl. She has a disease that stunted her growth and she passed herself off as a 9 year old girl.

Nico: We haven't seen her in a while.

Me: No we haven't. I'm surprised Anti-Monitor brought her back.

Cece: What is she like?

Me: Well she is a deranged serial killer. She killed 35 people.

Nico: Including the parents of one of my friends.

I went over her history.

Leena Klammer, better known as Esther Coleman or Esther Albright is the titular main antagonist of the 2009 horror film Orphan and the titular main protagonist of its 2022 prequel Orphan: First Kill.

She is presumed to be a 9-year-old Russian girl who now has a foster family named The Colemans (Kate Coleman, John Coleman, Max Coleman and Daniel Coleman). However, Esther is actually a 33-year-old mentally unstable Estonian woman who has a hypopituitary disorder that makes her look much younger than she actually is and who has since impersonated a little girl who died years ago at the hands of the horrid Albright family, whose matriarch in particular targeted her life.

She is portrayed by Isabelle Fuhrman, who also played Shoko in Adventure Time and Clove in The Hunger Games.

According to Dr. Värava from the Saarne Institute, an Estonian mental institution, Leena Klammer is a mass murderer who killed the entire Sullivan family after tricking them into adopting her by posing as a runaway. Leena decapitated the father, ripped the mom and daughter's tongue out with her teeth and ate it then killed the son by stabbing him. She would usually use her appearance to rob people, but for an unspecified reason (likely the Sullivan father rejecting her advances), she chose to murder these particular victims. For this, she was caught and placed in the Saarne Institute. She was one of the wildest and violent patients, who would always hurt the staff. These behaviors eventually resulted in her being put in a straitjacket; she would constantly get out of them due to her fighting and resisting, but developed several scars as a result. She would later decide to cover these scars by wearing ribbons.

Leena reportedly murdered an art therapist who did not follow safety protocols, and Anna Troyev is hired to replace her. Leena escapes the institute by murdering a security guard who was attracted to her after luring him into her room. She takes his key and hides in Anna's trunk, later murdering her with a tire iron. Leena researches missing American girls and notices she bears a resemblance to a girl named Esther Albright, and pretends to be her when a police officer finds her.

Leena concocts an elaborate story about how a woman abducted her and forced her to pretend to be her daughter.

The Albright family matriarch Tricia takes her in, but notices she seems different; not remembering the death of "her" grandmother, or what type of bird her therapist had. It is later revealed that Tricia was aware that Leena was an imposter because her son Gunnar had accidentally killed the real Esther and she covered it up without telling her husband Allen. Tricia gives Leena specific details about the real Esther's life to ensure her therapist and family friends buy the ruse and no one discovers the truth about Esther's death. Leena and Tricia murder a detective who had discovered that her fingerprints did not match and throw his body down a well.

Gunnar and Tricia attempt to kill Leena when she is not phased by their blackmail attempts, and appears to be making romantic advances on Allen. When Allen goes to an art gallery, Gunnar and Tricia try to stage a suicide, but Leena manages to kill Gunnar with a crossbow, and accidentally sets the house on fire. When Allen returns home and finds Leena and Tricia hanging from the roof during a struggle, he saves Leena but Tricia falls to her death. After Leena's disguise comes off, he is horrified to the point he falls off the roof and died.

After living with her new adopted family for several weeks, Kate Coleman grows suspicious when her adoptive daughter, Esther Coleman (actually Leena Klammer) expresses far more knowledge of sex than would be expected for a child of her age. Esther further antagonizes Kate by cutting flowers planted as a memorial to her stillborn child, casually reveals when other woman flirt with Kate's husband John (given he previously had an affair) and reads intimate details from Kate's diary. She is further alarmed when Sister Abigail, the head of the orphanage, warns her and John about Esther's tendency to be near when things go wrong. Esther overhears this and later kills

Sister Abigail by bludgeoning her to death with a hammer. She convinces Max Coleman, Kate's daughter, to help her with this and they hide all pieces of evidence in their treehouse.

A few days later at school, she opens Max's brother Daniel Coleman's backpack causing his books to fall out when he's walking up the stairs. Kate gets out of the car to help him but leaves it running. Esther comes back to the car puts the gear selector in neutral and takes off the parking brake, causing the car to roll down the hill with Max still inside.

Daniel decides to retrieve the hammer which was used to slay Sister Abigail to prove Esther's guilt. However when he reveals his plans to Max, Esther overhears. The next day, Daniel goes to the treehouse and finds it unlocked. He enters the treehouse and searches for the hammer but finds nothing. Esther appears behind him and sets the treehouse ablaze to stop Daniel. She leaves the now-on-fire treehouse and locks Daniel inside, in an attempt to kill him. Daniel climbs out from the treehouse through the window and near burns to death, only ends up falling to the ground, injured and unconscious. Esther near murders him with a brick but Max shoves her out of the way. Daniel is hospitalized cause of the neck injury and abdominal bleeding. Esther then murders Daniel at the hospital but doctors save him. Kate, knowing what happened, furiously slaps Esther and knocks her down and is immediately subdued and sedated.

Esther tries to seduce a drunken John, who finally realizes Kate is telling the truth and threatens to send her back to the orphanage. Esther, mad and hurt, ransacks her room and takes off her clothing/makeup, unwraps her breasts and removes the ribbons around her neck and wrists, revealing she isn't actually a child at all. Meanwhile, as Kate is coming out of sedation, she receives a call on her cell phone from the Saarne Institute. Dr. Värava, who works at the Institute, reveals that Esther's true identity is Leena and that she's a grown woman with dwarfism. The doctor warns Kate that Leena/Esther is extremely dangerous.

At home, Leena/Esther, hurt from being scolded, murders John, no longer posing as a child. Max witnesses her father being stabbed by Leena and hides in a hamper in her closet. Kate rushes home, only to find John dead. Leena gets a revolver from John's safe, shoots Kate in the arm and hunts Kate down before she goes to search for Max. While firing at Max in their greenhouse, Kate manages to break through from above Leena/Esther and knocks her out.

Leena later follows Kate outside to a frozen pond and lunges at Kate, where they fall and struggle onto the ice as Max watches from a hill above the pond. Max maneuvers herself to grab the gun that was dropped by Kate during the struggle. She fires at Leena/Esther but hits the ice instead, which breaks, causing Kate and Leena/Esther to drop into the water below.

After a brief struggle under the ice, during which Kate is stabbed in the leg and Leena/Esther is elbowed in the face, Kate climbs out partially, followed by Leena/Esther, who pleads for Kate's mercy, still trying to maniplate her (while holding knife behind her back, no doubt to stab Kate with). But Kate isn't falling for it and furiously responds, "I'm not your f**king mommy!" before violently kicking Leena/Esther hard in her face, breaking her neck and sending her back into the pond, finally killing her as her corpse sinks to the bottom of the lake with blood rushing through the water, while Max and Kate are met by the police moments after as Esther's corpse keeps sinking to her watery grave. With this, the 7 people she had killed, the

Sullivan family, Sister Abigail, and John Coleman are finally avenged.

When I was done everyone was shocked and horrified!

Sunny Starscout: She is pure evil!

Eli: She sure is!

Cece: We're going to kill her and get it over with!

Me: No as much as I want to, we've killed her more than enough. So instead we're going to send her to the Arkham Asylum Supermax section of the Saturn Insane Asylum.

Nico: Good call there.

Me: Yep.

Nico: Where is she now?

Eli: I sense her there.

We saw an island with an abandoned city on it.

Me: Whoa! Looks like no one has been in that city for years.

Zak Storm: We never have been there.

Eli: Wow.

Nico: Well lets head over there.

We went there.

Leo Corbett: GO! GALACTIC!

He transformed!

Leo Corbett: GALAXY RANGER! RED!

Eiji: The Core Medals you all are using are all from me.

Me: Yep it's true.

Will: And it's cool.

Eiji: HENSHIN!

He transformed into KAMEN RIDER OOO!

Nico: YEAH!

We docked and went into the city and it was creepy and scary.

Me: Whoa.

Sunny Starscout: Where is everybody?

Me: I don't know. It's like this whole city is dead.

Eli: I don't sense anyone here. Just Leena Klammer.

Nico: Where is she?

We looked around.

Me: Okay Leena where are you, you little bitch?

Nico: Keep your eyes peeled.

Me: Yeah.

Nico: No use hiding from us.

Krillin: Yeah.

I looked around the area.

Then I heard something clang from an alley 45 yards ahead of me.

Me: Huh?

I looked and saw a shadow!

Me: There!

I fired an energy blast and it went into an the alley and it hit something and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Out of the explosion was LEENA KLAMMER!

Me: Well well well if it isn't our least favorite Serial Killer from Estonia!

Leena Klammer: (GROWLS) YOU KILLED ME!

Me: Because you deserved it you monster! For killing all those people!

Nico: Including Varya Visnapuu's parents!

Me: Their blood is on your hands.

Zipp Storm: You wil pay for each one of them!

Zipp flew at her and kicked her in the face and Leena went at her and Zipp with her incredible speed, dodged her strikes and Zipp punched her in her stomach and punched her in her face and kneed her in her nose!

Cece: WOW! Pipp your sister is a great fighter.

Pipp Petals: Oh my glitter she sure is! GO ZIPP!

POW BIFF WHAM BIFF SMASH!

She punched and kicked Leena all over!

She kicked Leena and fired a massive blast of rainbow lightning and it hit her and electrocuted her all over!

Me: YIKES! That must've been a painful form of electroshock therapy.

Will got out her Core Medal and fired waves of purple lightning and electrocuted Leena.

Nico: This time we're going to make sure you never escape your straitjacket ever again!

Leo got out his Core Medal and fired waves of fire and blasted her down.

Zipp kicked her in her face and used Roller Ghoster's Core Medal and went skating and went fast and punched her all over with intense speed and strength!

Eli: WOW! Look at Zipp go!

Cece: She is definitely Rainbow Dash's Legacy alright!

Me: No doubt about it! She is fast and strong and powerful and also is full of courage.

Nico: Yep.

Pipp Petals: (SQUEALS) Go get her Zippy!

Nico: YEAH!

Sunny Starscout: YEAH!

Zipp kicked her in her back and bashed her all over!

Eiji got out his Core Medal and blasted her with energy.

Me: YEAH! Ready Master Krillin?

Krillin: You bet!

We formed ENERGY DISK!

Me and Krillin: DESTRUCTO DISK SUPER SLASH BARRAGE!

We threw numerous disks and slashed her all over the place!

SLASH SLASH SLASH SLASH SLASH SLASH SLASH SLASH!

We cut her all over!

Zipp kicked Leena in her face and neck and punched her in her face and Leena screamed in fury!

Leena Klammer: I HATE YOU!

Zipp's aura flared up with intense force and she teleported and kicked her in her back!

Nico gave her a wet willie!

SPLAT!

Nico kicked her down and Zipp used her intense speed and kicked her all over.

Nico: YEAH!

Then a Scyther appeared and SLASHED LEENA ALL OVER! It slashed her eyes and Leena screamed in excruciating pain!

Me: WHOA! A Scyther!

Eiji: Time to use Tajadol combo!

Taka! Kujaku! Condor! (Phoenix screech) Ta~ja~dol!

Eiji went Tajadol Combo.

Nico: Where did that Scyther come from?

Me: Must be one of Dark Gale's work.

I used Telepathy and gasped!

Me: OH MAN! That's Mung's daughter Capsaicin Daal!

Nico: WHOA!

Me: I'll help her.

I went over to face her.

Me: Capsaicin calm down and lets talk.

Eiji charged at Leena and fired waves of energy and fire.

All Scyther did was charge at me intending to slice me in half!

I blocked her strikes.

Then I snapped my fingers and she reverted back and she was a girl with blue hair, blue eyes and had blue angel wings and had Scyther in the middle of her forehead and had Mung's company with a chili pepper on it on her arm and she also had a no Truffles tattoo on her arm. I wrapped her in a blanket.

Capsaicin: (Groans) What happened? Where am I?

Me: You're in an abandoned city in the Bermuda Triangle. You were turned into a Scyther by Dark Gale.

Capsaicin: Dark Gale? Who are they?

Me: Oh you're not part of Sonya's team. Well it's a long story.

Nico: What do you do in your free time?

Capsaicin: Well I love cooking with my dad and also helping Chowder make food. He and I are brothers. Not by blood but we love each other that way. Also I find ways to bring down my stupid mother.

Me: I know it's a sore subject but why do you hate your mother?

Capsaicin: I hate her because my father deserves better. Truffles is the ugliest, meanest, nastiest, stinkiest, cruelest, cheapest, grossest and most unforgiving hag ever!

Nico: WHOA!

Me: GEEZ! Talk about bad blood!

Pipp Petals: Lets get you dressed first.

Me and Pipp gave her green and red clothes and a red fire sword.

Capsaicin: Wow! I look awesome.

Me: You sure do.

Brick: BALLISTIC BARRAGE!

The Rowdyruff Boys ran fast and ricocheted off buildings and smashed Leena with a massive flurry of punches and bashed her into pulp.

Boomer: Like that, bitch?!

But then a tongue grabbed Leena by her face and we saw a girl with green hair and red eyes and black clothes and wings and had Bullfrag on a tiara!

Me: (GASP) Irene Incursea!

Nico: Bullfrag's Embodiment! Wow!

She threw Leena back and smashed her into a building and it smashed on top of her and she was buried in rubble!

Irene Incursea: (GRUNT) Thought you could use some help.

Me: No problem!

Xiao Fung: Yeah!

Irene Incursea: And Zipp awesome job taking her on.

Zipp: Thanks!

Pipp: O.M.P.! I got the whole thing on my phone and downloaded it to Cliptrot! Everyone is loving it!

Nico: Nice!

Irene Lost Control and launched her tongue at Xiao Fung.

Xiao Fung: Not this time.

He fired a blast of wind and blasted her down.

Me: He's the demon sorcerer of Wind and has the powers of wind at his command.

Nico: Yep.

Xiao Fung: It's true. Also it's fitting because she has the powers of a frog.

Cece: What are Incurseans?

Me: They were a warrior race of frog aliens.

Nico: Yep and Ben and his friends have had a lot of problems with them.

Supergirl charged at her and blasted her with laser vision.

I fired the cure ray into her and injected her.

Me: There!

Nico: Yeah!

Supergirl used her Core Medal and fired energy beams.

Nico: YEAH!

Nico grabbed Leena out of the rubble who was badly mangled up and cut up bad and bruised.

Leena: (Weakly) I guess it's back to the Black Gates for me. Go ahead. Kill me.

Leena closed her eyes...only to open them to find she got handcuffed.

Nico: That would be taking the easy way out, Leena. You don't deserve it

Me: Besides we got bigger fish to fry. Even though we want to kill you for everything you've done, and we still hate you, you aren't worth killing anymore. So It's back to the looney bin for you.

SHE SCREAMED!

Capsaicin fired waves of fire and blasted Irene down and the antidote took effect and she had her green eyes back.

Irene Incursea: (Groans) What hit me?

Izzy Moonbow: You had an ugly froggy beatdown.

Me: Izzy that was funny.

Irene: (Sarcastically) Hardy har har.

Zak: Nice job!

Me: Thanks. Zipp deserves most of the credit. Great job Z.S.

Zipp Storm: Thanks J.D. That was so fun!

Eli: You did great!

Zipp Storm: Yeah!

We later went back home.

We came back and we had Leena in tow.

May: Hey guys! (GASP) LEENA KLAMMER!?

Lincoln: She is with you?!

Me: That was what happened on Misty, The Pipsqueaks and Xion's third mission.

We told them everything.

May: WHOA! You guys really did a number on her.

Me: Well Zipp mostly went to town on her. She deserves most of the credit.

Lincoln: No kidding!

Rainbow Dash: That was AWESOME! Way to go Zipp!

Zipp Storm: Yeah that was so fun!

Me: You should be very proud of your legacy R.D.

Nico: Next time, Roxas, Cadance, Yost Reed, and Blossom Z should come.

Me: Cool!

Misty Brightdawn: Awesome and dad can come with too.

Me: Good idea! It'll be perfect to see you in action Misty.

Lola: YEAH!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the next Eco-Villain, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Gi: Have a nice walk, Donald.

Donald Duck: Thank you very much.

He went down to the surface.

Me: Donald Duck needs some fresh air too.

Qin: Yeah.

On the surface in the park, Donald was having a good walk and he was humming It's a Small World for Disney.

Donald Duck: Such a beautiful day.

?: Respect your elders!

WHAM WHAM WHAM!

He saw Huey, Dewey and Louie and Old Man Jenkins was bashing their heads in with his cane!

Old Man Jenkins: Dang stupid youngsters! Learn your place!

THEN DONALD DUCK EXPLODED IN RAGE! HIS FACE TURNED RED AND STEAM TOOTED OUT OF HIS EARS! THEN...

Donald Duck: (ANGRY QUACKING)

HE RAN AND PULVERIZED OLD MAN JENKINS ALL OVER THE PLACE IN A FEROCIOUS FIGHT CLOUD!

POW WHAM SMASH BIFF WHOMP SMACK CHOMP WHAP BAP ZONK BONK KATOW THWACK BOP BAP WHAM SMASH CHOMP QUACK WHAP WHAP BONK! WHAP!

HE WAS REALLY SMASHING HIM ALL OVER!

Linka: Think Donald's gone stir crazy on that walk of his?

Me: No idea.

Eli: Oh man! I sense an anger attack at the park!

Me: Uh oh!

We went to the park and saw DONALD DUCK BEATING UP OLD MAN JENKINS!

Me: HOLY SHITBUCKETS!

Qin: Donald is beating up Old Man Jenkins!? Why?

Huey: He did this to us.

We saw lumps on their heads.

Dewey: He told us to learn our place.

Me: Why of all the stupid!?

Nico: What a jerk! But why is Donald like this with him?

Mickey: I can answer that one. Donald has always had anger management problems ever since 1934. Its been pretty iconic for everyone and for us at Disney. They stemmed from a fear that the world is always out to get him and that no one understands Donald quite literally. His tendancies to lash out was wildly unfocused until Donald's nephews Huey, Dewey and Louie came along and he went to anger management counseling trying to turn that anger into protective instincts. Every outburst is Donald wanting to protect them. He loves his nephews so much that the very thought of anything bad happening to them infuriates him!

DONALD BEAT UP OLD MAN JENKINS SO BADLY!

Lockdown (to Sora): Was he like this on your adventures?

Sora: Oh yes he has. Donald's anger always got the job done in destroying the Heartless and many of our enemies.

Goofy: Ahyuck! That's Donald for you.

Me: Yep. Its been an iconic thing.

Donald Duck beat up Old Man Jenkins to a pulp.

Me: Okay lets stop this!

We grabbed them and Fluttershy used her stare on him and What he saw was worse than seeing Patrick's bare naked butt after he took a bath!

Fluttershy: You should be ashamed of yourself! You big fat meanie! You have no right picking on innocent children like that just because they ran into you! You better not do that again!

Nico: Yeah!

Lincoln: You tell him Flutters!

Donald Duck: And if you ever hurt my nephews like that again I will whoop your tail all the way to the sun and destroy you and send you to the BLACK ABYSS! I AM SERIOUS!

Huffer: I'd listen to them if I were you!

Qin: YEAH!

Vypra and Dark and everyone at the M.O.E. Came and put him on a Gurney.

Donald Duck: You just made a big enemy out of me you disgusting palooka!

Me: Easy Donald. Easy.

Vypra: Sorry about this guys. Old Man Jenkins has always been hard to get along with.

Lily: He always has been a jerk to everyone in Bikini Bottom. But you just got to find a way to get him on your good side. Easier said than done. But just keep a close eye on him.

Dark Spicer: Donald Duck sure kicked his ass.

Me: Big time.

Pacifica: Donald, remind us to never get you mad.

Donald: I'm sorry guys.

Me: It's justified Donald. But man you really smashed his face in.

Qin: Yeah.

Vypra: Donald Duck's anger is iconic and a force to be reckoned with.

Huey: That's our uncle Donald.

Mickey: And one of my best friends.

Qin: Yep.

We went back home.

We were watching TV. Donald had a block of ice on his head.

Donald Duck: (Groans) I have a headache.

Me: You really let him have it though Donald.

Sora: And you didn't even need magic spells.

Donald: That is true.

Me: Goofy were you that protective of Max?

Goofy: Ahyuck. Nope I wasn't that protective but I did give him the love and support he needed.

Me: Good.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Verminous Skumm, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Verminous Skumm, and he's causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Linka: (Russian Accent) I knew we'd be going after him, this time, he's going to pay for everything he's done.

Boris: (Russian Accent) Especially for what he did to me.

Wheeler: What he did cannot be forgiven, this time, that dirty rat dies here and now!

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Skumm. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him! And he's already pissed at us for banishing The Thirteen Demon Lords to The Black Abyss, so his plan to unseal The Circle of Heaven and free them was ruined big time, and now, he's out for revenge.

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Verminous Skumm, your time is up.

Lincoln: You're gonna pay for everything you've done, Skumm, we're gonna make you pay for all of your crimes in full, especially for your part in Boris' death.

The previous group came.

Red X: Can me, Electropede, Common Cold, Mysterio, Katnappe, Juggernaut, Comic Book Guy, Baron Mordo, Villamax and Brain Freezer go with you guys?

Nico: Yes you can.

Electropede: Boy Donald sure beat the crap out of Old Man Jenkins.

Me: Yeah no kidding. But it's what he gets for whacking his nephews.

Donald Duck: Yeah. You guys go ahead without me. I'm too tired.

Rainbow Dash: Yeah you just rest. Pickle and Barley Barrel! Front and Center!

They came!

Pickle and Barley: REPORTING FOR DUTY CAPTAIN RAINBOW DASH! (SALUTES)

Rainbow Dash: At ease. Take care of Donald while we are away. He had a bad day and needs to calm down and cool down.

Pickle Barrel: You got it Captain.

Barley Barrel: We'll look out for him.

Rainbow Dash: That's my junior Wonderbolts.

Ymir: Wow those two are loyal to Rainbow Dash.

Me: Yep that's Pickle and Barley Barrel. We met them in Hope Hollow and they are very loyal to Rainbow Dash and they are very diligent in taking care of us whenever we get sick or pregnant.

Nico: Yep. It's true.

Ymir: Wow those two are very special to her.

Me: Yep.

Broccoli Guy: Nico, which Gene Slammer do you think you'll meet next?

Nico: Jesse will like this one. Rainbow Dragon next.

Jesse Anderson: Wow! Alright Nico!

Qin: Cool!

Me: Rainbow Dragon is cool! We'll probably meet the gene-slammers of the Crystal Beasts too.

Nico: And the Advanced Crystal Beasts too.

Lola: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Clancy, he's come back from the dead, and he wants revenge on us for killing him. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Clancy, he's come back from the dead, and he wants revenge on us for killing him again.

Sunset Shimmer: He really has no sense of shame at all.

Asuka Kazama: Well, that settles it, he's gonna die here and now.

Lincoln: That he will, Asuka.

Nico: That's for sure, he's gonna pay for what he's done. Alright, team, let's go, time we put an end to Verminous Skumm for good.

Lincoln: Verminous Skumm..., you've gotten away with your crimes for far too long, and there's only one way to put you down for good..., we're calling forth the birds of prey to end your life. Time to pay, Skumm! And once we get done with him, you're next, Clancy.

Asuka Kazama: For too long, you have gotten away for so many of your crimes, Clancy, this is where it all ends for you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Verminous Skumm for good, and once we get done with that bastard and send that Satanic demonic monster, Dark Sebastian, flying back to Transylvania, Asuka Kazama and Lincoln are going to destroy Clancy and send him to The Black Abyss forever.

We were off to Russia.

We arrived in Moscow.

Me: Good ol' Moscow.

Linka: It's good to be home in Mother Russia.

Mysterio: Which Heartless Robots should I summon?

Me: How about Ratty Rat Heartless?

Mysterio: Good choice.

Me: Lets also call Whirlin for this too.

Nico: Good idea.

We did so.

Whirlin appeared too.

Whirlin: Hey guys.

Me: Awesome.

Yolei: Lets go get some Russian food here too!

Sora: Looks like it's just you and me now, Goofy.

Long Haul: It's for Donald's own good, Sora.

Me: Besides he needs to cool down anyway.

Qin: Yeah he'll be okay.

Sora: Yeah.

Goofy: Ahyuck. Yeah Donald will be fine.

Ymir: Yeah. Also Yolei sure loves Russia's food doesn't she?

Me: She sure does. When she met Russia's Digidestined she wanted to try some of their food but never got the chance.

Nico: Yeah and when we were here on Natasha's day to shine she got that chance and she loves it.

Juggernaut: Linka, what are the odds of Skumm trying that Bliss crap again?

Linka: I would say very high.

Ace Ukiyo: Bliss?

Me: It's a drug that was made by Skumm and it's as dangerous and addictive as a thousand tons of cocaine. And no Roger you are not going to try any!

American Dad Roger Smith: Wasn't even thinking about it! I like cocaine anyway. And I don't even want to find out what Bliss could do to aliens.

Bomb Burst: That's good.

Me: Yeah and I don't want to find out either.

Lisa Loud: Good thing that I made an antidote for the Bliss.

She pulled out a pink formula.

Lisa Loud: My Anti-Bliss Antivenom. It's a medicine for those that had Bliss.

Me: Good thinking Lisa.

Baron Mordo: I'm pretty sure Cybertronians would be immune to Bliss anyway.

Optimus Prime: Yeah we are pretty much immune to human drugs.

Me: Yep.

Ymir: How come Roger likes cocaine?

Me: Don't fucking ask.

Jamesdean5842: Roger has a habit of wanting to get that. But I made it clear that if he tried anything to get some, I would use the power of the pen to turn Roger into all kinds of things before turning him into protoplasmic slop.

Roger was shaking in fear.

Icepick: Hey, guys. I see an Owl trying Bliss right now!

Me: UH OH!

Fluttershy went and stopped it before it could eat it.

Fluttershy: Oh no no no. Don't eat that stuff. It's dangerous.

I took the Bliss.

Me: So this is the stuff. Nasty.

Fluttershy: Where did you get that?

The owl told her that it was from a cart up ahead.

Me: That must be it.

I went over to the cart.

Me: It's a huge shipment of Bliss.

Brain Freezer froze the cart.

Me: Okay.

Me and Nico lifted it.

Twilight Sparkle opened a portal to the Black Hole at the Center of the Galaxy.

Me: This will piss him off!

We threw it in and it was vaporized in the Black Hole!

Me: There!

Nico: That probably wasn't the only one!

Me: Nope look!

We saw NUMEROUS CARTS!

Eli: I got this!

Eli used the Force and pulled the carts over and we threw them into the portal and they were all destroyed.

We closed the portal.

Eli: That's the last of it. I sense none of it left.

Me: That bubonic plague ridden rathead!

Lincoln: WHOA! And just in time too. Linka's Akuma is coming! Her name is Tornado Knight Jetstream. The Hypothetical Akuma of Linka and a master of intense wind and tornadoes and storms. She was made because of Verminous Skumm killing Boris and she vowed to kill him

WE GASPED!

He showed us a sketch of her and she was a knight girl and had blue angel wings and had a tornado for legs!

Me: WHOA! Looks like a villain knight version of you Red Tornado.

Red Tornado: She does look similar.

Mr. Boss: Except she isn't a robot

Me: Nope. She's wind in pure form!

Lola: Yeah!

Then a gust of wind blasted in. We then saw TORNADO KNIGHT JETSTREAM!

Me: WHOA!

Tornado Knight Jetstream: (Russian Accent) Glad you all made it.

Me: You look awesome like this Linka! Like you are one with the wind!

Villamax: Linka? Is that you?

Tornado Knight Jetstream: Yes it's me Villamax.

Me: You are after Skumm as much as we are right?

Tornado Knight Jetstream: I sure am.

Qin: Looks like we BOTH want to destroy him.

Tornado Knight Jetstream: Indeed.

Whirlin: You need to calm down!

Tornado Knight Jetstream: Not until Skumm is dead.

Me: Okay then.

I fired waves of energy and blasted her all over.

Whirlin: WIND SPIN!

He fired a tornado and blasted her.

Tornado Knight Jetstream: My turn!

She fired a wave of wind and it formed a whirlwind around SpongeBob and Patrick.

Patrick: IT'S THE RAGING WHIRLPOOL!

SpongeBob and Patrick were spun around in a tornado and they were having fun and they laughed hysterically!

I fired waves of energy and blasted her down and knocked her down. She was knocked out!

Hotlink: Did you have fun, you two?

SpongeBob and Patrick laughed!

Lily: (LAUGHS) Just like when we met Mermaidman and Barnacle Boy.

Nico: Yeah!

Me: Now to go after Skumm. We're going to hit him hard!

Nico: Alright, now we need to get after Verminous Skumm.

Lincoln: But, first. Selena.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, and Kira Textington raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Verminous Skumm at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Verminous Skumm saw it, and he let out a scream of rage and anger!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bastards!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: Let's tear that monster apart limb from limb.

Linka: Save the most for me!

Qin: With pleasure!

Xenia: Yeah!

Eli: I sense him 200 yards ahead.

Comic Book Guy: I have to say this. Bliss is the worst. Drug. Ever!

Me: Yes. It. Is!

Nico: Yep. Entrance time!

We then took off, and we got there just in time to see Verminous Skumm ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate he has against us.

Nico: Okay, let's end this bastard once and for all.

Verminous Skumm: (ENRAGED SCREAM) WHEN I FIND THOSE FUCKING BASTARDS, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

?: OH, SHUT THE FUCK UP, YOU BASTARD!

Suddenly, the spirits of wind appeared out of nowhere and they attacked Verminous Skumm in total fury and that made him extremely pissed off even more! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Verminous Skumm even more pissed off even more!

Me: You've got some nerve coming back from the dead, Verminous Skumm.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: And you're also back to causing trouble once again, you really have no sense of shame at all, you're disgusting!

Verminous Skumm: DIE! ALL OF YOU JUST FUCKING DIE!

Lincoln and I fired blasts of purifying wind at Verminous Skumm and he got burned badly!

VERMINOUS SKUMM LET OUT ANOTHER SCREAM OF PURE RAGE!

Verminous Skumm: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Linka: (Russian Accent) Seriously? You did this to yourself, Verminous Skumm, and there's no way we're forgiving you for what you've done especially for causing Boris' death, and we're going to make you pay for everything you've done.

Verminous Skumm: (ENRAGED SCREAM) DARK SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd

forced The Dark Pact of Apophis upon you and the other Eco Villains.

We also saw it: Verminous Skumm had a black snake tattoo with an inverted pentagram on his left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with the others.

Solla Nexcrota: Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR RUINING MY ATTEMPT TO UNSEAL THE THIRTEEN DEMON LORDS AND DESTROY THE WORLD!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Verminous Skumm: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Sly Sludge was smug at Dark Sebastian's humiliation. But, his smugness was about to be broken big time as we saw the darkness blacken the skies.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON SLY SLUDGE!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BASTARD! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Verminous Skumm: What did you just say?!

Dark Sebastian Mendez: (Demonic Voice) APOPHIS, EGYPTIAN GOD OF CHAOS, HEED MY CALL! TAKE THE SOUL OF VERMINOUS SKUMM AND MAKE HIM YOUR SERVANT FOR ALL ETERNITY!

Suddenly, Verminous Skumm found himself about to have his soul taken from him by a black snake formed by the Infernal Darkness of Dark Sebastian, but Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, and Kira Textington retaliated by firing blasts of Divine Darkness which hit the snake and Verminous Skumm and undid The Dark Pact of Apophis, and that really enraged Dark Sebastian, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Verminous Skumm.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you freak!

Me: Okay you Bubonic Plague Ridden sack of shit! It's time for you to be exterminated! And you're not getting anymore cheese!

Ground Man: J.D., cheese never even crossed our minds right now.

Me: I know but usually some rat villains like him have a weakness for cheese.

Skumm: HEY I HATE CHEESE! I may be a rat but I don't like cheese!

Me: Oh that's too bad because I was gonna melt you with scalding hot cheese!

Lola: YEAH!

Me: But I do have a plan B.

I pulled out some D-Con Rat Poison!

Skumm: Rat poison!?

Me: That's right!

Katnappe: Cat people like me eat rats like you!

Skumm: I'm not that appetizing!

Me: Maybe this will be!

I threw the poison and it went into his mouth and he swallowed it.

Me: Better start praying rathead!

Camie: YEAH!

Ymir: This is gonna hurt!

We fired waves of energy and blasted him all over the place.

Squidward: Quick question. How long before the poison kicks in?

Me: For a rat his size I would say about an hour and a half.

Nico: Plenty of time.

Common Cold: You make us sick. Now we'll return the favor!

He fired snot blasts and drenched him.

Me: SICK!

Linka: WIND!

She fired wind blasts and blasted him in a tornado.

Qin fired waves of fire.

Leozack: Have some of this!

He fired lasers and blasted him all over!

Capsaicin Daal: Like old times Chowder?

Chowder: You know it!

Capsaicin and Chowder: SUPER BELCH BLAST!

They fired a massive belch and blasted Skumm all over with energy.

Me: NASTY!

Electropede: Time for some shock and awe!

He fired a blast of lightning and electrocuted him all over.

Me: Take that ratface!

Eli fired waves of Force Lightning and electrocuted him all over.

Gi: WATER!

She fired a wave of water and blasted him all over and drenched him.

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Verminous Skumm.

A MASSIVE EXPLOSION OF ELEMENTAL FORCES ERUPTED BEHIND US, AND THE FORCES OF THE ELEMENTS TRANSFORMED INTO MYTHICAL BEASTS THAT LET OUT A MASSIVE ROAR, AND THAT PISSED OFF VERMINOUS SKUMM TO NO END! NOW, THE BATTLE TO DESTROY VERMINOUS SKUMM WAS ON!

Lincoln, Linka, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Verminous Skumm, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Verminous Skumm and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and two massive angelic and demonic greatswords and he even fired red and blue wolf fire and elemental blasts at her as well and Nico and I also left many more by firing rainbow energy slashes with my gold-plated dragon claws and fired blue wolf fire as well, and Lincoln, Linka, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us attacked him super hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Verminous Skumm even angrier than ever.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit Verminous Skumm and he got hit hard. Plus, the blast also hit The Monitor Orb embedded in his forehead and it shattered and not only did we gain a massive power boost, but Verminous Skumm clutched his head in pain!

Capsaicin Daal was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with Natalie Frizzle.

Natalie Frizzle: No we control the power. It doesn't control us.

They concentrated and reigned in the powers of Scyther and Dragonair and they transformed and blasted Skumm all over.

Pidgey flew at Skumm and blasted him with wind and energy.

Electropede, Red X, Common Cold, Mysterio, Katnappe, Juggernaut, Comic Book Guy, Baron Mordo, Villamax and Brain Freezer And Shootmon, Swanmon, Gatomon, Chaosdramon, Wanyamon, Guardromon, Toropiamon, AncientGreymon, Timemon and Budmon: ELEMENTAL PLANET BURST!

Xenia fired arrows and blasted him all over.

Lola fired fire blasts and burned him.

They fired waves of energy and blasted Skumm all over the place.

Nico punched him!

POW!

Nico kicked him in his crotch and kicked him in his face!

Nico: That was for all the people you poisoned!

Linka then punched him in his mouth!

Linka: THAT WAS FOR BORIS!

Verminous Skumm: You think you've won. I'll just have more Bliss delivered! Not a problem!

Me: Don't count on it Skumm! We found all of your poison and threw all of the Bliss into the black hole at the center of the galaxy! So your poison is gone for good!

Verminous Skumm: Fine. At least I'll finally get a chance to kill you all for good! I wonder how it's gonna be for one to be without the other.

Linka: Time to find out!

Me: We'll see about that!

I fired waves of energy and Linka fired waves of wind.

We blasted him down.

Me: Too bad you won't be around long enough to see that happen!

Then Living Laser, Trap Jaw, INSTIGATOR, Multiple Man, Boomerang, Knightbrace, Jack O Lantern, Pied Piper, Ryugu Tamatebacco and Pterodactyl Ghost came.

Nico: Living Laser, Trap Jaw, INSTIGATOR, Multiple Man, Boomerang, Knightbrace, Jack O Lantern, Pied Piper, Ryugu Tamatebacco and Pterodactyl Ghost.

Pied Piper: Too bad this isn't the dark ages because I would not use my flute to drive you out.

Living Laser: Tell me all the Bliss is gone!

Nico: It is. Don't worry!

Trap Jaw: Good!

Me: We threw it into the black hole at the center of the galaxy. It's gone forever.

INSTIGATOR: Last thing we need is more peple dying because of it.

Me: Yeah.

Boomerang: (to Nico) (Australian Accent) We heard you fought Lumpus' Akuma.

Nico: We sure did and it was awesome!

Multiple Man: (to Scott) You should take care of that Mandibuzz

Crabmon: Unfortunately her mother wasn't with us because she and the class were on a field trip. They were inside Ralphie. They were learning all about the Immune System. Ralphie was sick and they were doing a Broadcast Day project.

Trap Jaw: Oh that sucks. I hope Ralphie gets better.

Great Moth: So do we. J.D. and Simone brought Get Well soon baskets for Ralphie when we got back home. Also Simone showed us what that was like back then and Lisa even identified what he had too back then. He had Strep Throat.

Trap Jaw: Oh man that's bad! I hope Ralphie got to a doctor.

Mikey 2003: Well actually his mom knew what to do because she's a doctor herself. And Varie came and helped her too when we got home and Varie gave him some antibiotics.

Nick: Because he was bashing Huey, Dewey and Louie's heads with his cane. They had nasty lumps on their heads and Donald Duck exploded and beat the crap out of him. We found out that Donald has always had nasty anger management problems that stem from the world out to get him. But mostly because of family instincts and he is determined to protect his nephews.

Phoenixmon: And that is really understandable for him too. Old Man Jenkins has always been a jerk. Oh I'm Nick's Phoenixmon.

Fangmon: That guy needs a serious attitude adjustment! Oh I'm Zarya's Fangmon.

Knightbrace: Pleasure. But yeah Old Man Jenkins has been a handful. SpongeBob, Patrick and Lily should know that.

Eartha: Yeah no kidding there. Old Man Jenkins getting beat up by Donald was justified.

Lala: That old timer had it coming. But man he just made a HUGE enemy of Donald Duck for hurting his nephews.

Lincoln and his harem summoned a massive horde of birds of prey to devour Verminous Skumm and they swooped in and they devoured him as we heard his screams of agonizing pain, and when they were done, Verminous Skumm was left as nothing but a pile of bones and he was sent to The Black Abyss. We cheered as we holstered our weapons and powered down, and Linka's new body, clothes, weapons, jewelry, Third Eye, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large sky blue planets orbiting around her legs, thirty-five smaller sky blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized sky blue planets orbiting around her wrists and ankles, and massive blonde angel wings and twenty-four sets of large blonde angel wings underneath her massive blonde angel wings are permanent.

Lincoln, Asuka Kazama, Nico, and I went after Clancy, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue and white, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Clancy, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Asuka Kazama did the same by firing blue and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Asuka Kazama, Nico, and I attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Clancy even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Clancy, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Clancy's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into Clancy's chest, and he began absorbing him and he assimilated his muscle mass, Deception, Intelligence, Manipulation, Energy projection, Flight, Superhuman endurance, Superhuman resilience, and Superhuman strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

We cheered wildly as we holstered our weapons and powered down and Asuka Kazama's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long brown wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large blue and white planets orbiting around her legs, thirty-five smaller blue and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue planets orbiting around her wrists and ankles, and massive brown angel wings and twenty-four sets of large brown angel wings underneath her massive brown angel wings are permanent.

Asuka Kazama: This is for everything you've done so long ago, Clancy, may you suffer for eternity for your crimes.

Thank you for helping me destroy Clancy for good, Lincoln.

Lincoln (Smiles Warmly) You're welcome, Asuka.

Me and Nico: Our pleasure, Asuka.

Suddenly, Asuka Kazama wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Asuka Kazama's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Asuka Kazama sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did absorbing Clancy's muscle mass, Deception, Intelligence, Manipulation, Energy projection, Flight, Superhuman endurance, Superhuman resilience, and Superhuman strength, Lincoln.

Lincoln: And also draining his soul of energy and sending him to The Black Abyss for good.

Me: After what he did, death is what he deserves. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Lightning Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Lightning Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Felicia Lightning Moon, Werewolf Angel of The Lightning Moon of August.

Me: The Werewolf Angel of August's Lightning Moon, electrifying.

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Felicia Lightning Moon, Werewolf Angel of The Lightning Moon of August, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Lightning Moon of August. Felicia Lightning Moon is a powerful master of the powers of blue wolf fire, lightning, The Lightning Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Felica Lightning Moon is The Werewolf Lightning Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Luan. Felicia trained Lincoln in mastering the powers of blue wolf fire, lightning, The Lightning Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion and she wants nothing more than to electrocute her to death underneath The Lightning Moon!

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Luan getting the thrashing of her life from the rest of her sisters.

Nico: For shame, Luan! For shame!

Knightbrace: Good riddance to him.

Jack O Lantern: That'll teach him to sell drugs.

Pied Piper: You said it!

Me: Good riddance!

Ryugu Tamatebacco: What now?

Pterodactyl Ghost: We celebrate!

Yolei: With Russian Food!

Nico: Yep. Great job today everyone.

Linka: (To the viewers) Skumm is gone and we are halfway done.

Me: Yep.

We returned home, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Xenia Ghost Moon, but she was in her werewolf form.

Lincoln: Xenia Ghost Moon.

Xenia Ghost Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Xenia Ghost Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Xenia Ghost Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 10'0" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Xenia Ghost Moon still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Xenia Ghost Moon was in a two-piece grey bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Xenia Ghost Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Xenia Ghost Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Xenia Ghost Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Xenia Ghost Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Xenia Ghost Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Xenia Ghost Moon and he hugged her in his abnormally massive and powerful muscular arms, and Xenia Ghost Moon placed her hands on Lincoln's massive pecs as her breasts pressed against Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Valerie Mirror Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Xenia Ghost Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Xenia Ghost Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Earth Day 2024 Part 5 - Dr Blight

Ma'Ti and Maximum Ride's day to shine as well as Lori Jimenez's Day for Payback

---

In the early morning hours at 12:12 AM, Clyde had a dream, and he saw two figures hiding out and living in Boise, Idaho. But, there were no ordinary two figures, they were Prince Scorponok McBride, son of Clyde's future wife, Scorpia. and Jillian Melville-McBride, daughter of Clyde's future wife, Cheryl Christina Melville. Clyde woke up from the dream, but he wasn't the only one, Scorpia, Cheryl Christina Melville, Lincoln, Black Alpha, Nico, and I also had the same dream.

Clyde: Same dream?

Lincoln: We sure did, bubby.

Scorpia: And it also means that we found out where our kids are at.

Me: They're in Boise, Idaho.

Nico: Oh god, no! that's not good at all.

Clyde: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Clyde.

As we were about to go to Boise, Idaho, to rescue Prince Scorponok McBride and Jillian Melville-McBride, then suddenly, there was a knock at the door.

Scorpia: (Confused and went to the door) Who would that be in the middle of the night?

Scorpia opened the door and saw a young and beautiful woman who has pale skin, long flowing white hair with two sideburns and a heart-shaped bang with gray and blue stripes into a ponytail, icy blue eyes, and pale blue lips. She wears a light blue short dress with a white feather band surrounding her waist, transparent sleeves that have a gradient and blue towards her hands with Water Element symbols on each one, and white tights with cyan on her feet ,and deep ocean turquoise heels attached to stainless steel skating blades. She wields a True Ice Sword and True Ice Shield. And a small growling and monstrous purple and silver sharped-like Moon Dragon with wings and long tail with crescent moon-shaped. He also has a Undead Element symbol on his chest. They were Princess Ice-Heart and Phobos the Moon Dragon.

Princess Ice-Heart: Greetings, Scorpia and Cheryl.

Cheryl Christina Melville: How do you know who we are? Who are you?

Princess Ice-Heart: I am Princess Ice-Heart, The Ice Warrior and Ice Skater Champion.

Phobos the Moon Dragon: My name is Phobos, I may be The Indestructible Beast of Destruction, but I'm also cute and cuddly. (chuckles) Also, do these young kids belong to you two?

The four kids whore with Princess Ice-Heart and Phobos the Moon Dragon, was a tall and slim young 13 years old Caucasian girl who has white skin, dark blue eyes, and autumn blonde hair with black stripes. She wears a lime green shirt with black and brown diamond pattern vest, tan capri leggings, and dark yellow flats. And a tall and muscular 13 years old human-Scorpioni hybrid who has light tan skin, yellow eyes, red long stinging tail and strong broad pincers, and short white and black mohawk-like hair. He wears a dark red tank top, black pants, and dark red boots. They were Jillian Melville-McBride and Prince Scorponok McBride.

When Cheryl Christina Melville and Scorpia saw them, they were stunned.

Scorpia: (Stunned) How is that possible?

Princess Ice-Heart: Me and Phobos found them in Frisco, Texas.

Cheryl Christina Melville and Scorpia ran up to Jillian Melville-McBride and Prince Scorponok McBride, they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Clyde joined in on the hug, along with me, Nico, Lincoln, and Black Alpha.

Me: Thanks, Princess Ice-Heart and Phobos.

Princess Ice-Heart: Anything for a fellow hero.

Phobos the Moon Dragon: (to Clyde) Do you have something to say to them?

Clyde: Of course. (to Jillian Melville-McBride and Princess Scorponok McBride) There's something you should know, Cheryl, Scorpia, your mothers are one of my many future wives.

Jillian Melville-McBride and Prince Scorponok McBride: Does that mean...you're our father.

Clyde: (smiled) What else I wouldn't be?

That filled Jillian Melville-McBride and Prince Scorponok McBride with joy, as Clyde picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Then, Clyde told everyone what happened. We were proud of what Clyde, Princess Ice-Heart, and Probos the Mood Dragon did in reuniting Cheryl Christina Melville and Scorpia with their kids, and Jillian Melville-McBride and Prince Scorponok McBride now has a loving, strong, brave, and caring father in their life. As well as Princess Ice-Heart and Phobos the Moon Dragon join the Team Loud Phoenix Storm as new members of the Ultimate Elementals Heroes. We went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dark dream: apparently, his dream brought him to the planet, Dilgan, but as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place were two figures: a man and woman dressed in black and red Satanic robes with the symbol of Malphas, and he knew who they were: they were Sebastian and Selena's parents, the members of The Dark Church of Malphas, they're back from the dead and they're SUPER PISSED about how we ruined everything for Sebastian and how we destroyed their perfect killing machine by freeing him! Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not good.

Lincoln explained what happened, and they were horrified.

Selena Mendez: You've got to be kidding me! That insane lunatic resurrected our parents!

Camie Elextor: And they're pissed off we ruined everything for Sebastian and how we destroyed their perfect killing machine by freeing him!

Wendy Sauron: It was their fault for messing with the dark forces.

Varie Yulinova: And because of their failed ritual to summon Malphas to destroy us and the world, it resulted in The Black Ooze of The Eldritch, Malphas' creation, to come out and kill them and possess Sebastian turning him into that monster.

Lorena Cavenstein: And for causing his fall into darkness and madness, along with making him commit all those atrocities in the past.

Solla Nexcrota: And for many other crimes against mankind and all life on Earth and the universe and beyond.

Kira Textington: What do we do?

Lincoln: We're gonna destroy Selena's parents and Dark Sebastian there with them, but we're not gonna kill him yet. We'll send him right back to Transylvania because we'll be facing him along with The Order of The Dark Universe.

Selene Arcangela: Good idea, Lincoln. But, the others are gonna freak out!

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to the planet, Dilgan.

Lincoln went on to explain that as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place were two figures: a man and woman dressed in black and red Satanic robes with the symbol of Malphas, and he knew who they were: they were Sebastian and Selena's parents, the members of The Dark Church of Malphas, they're back from the dead and they're SUPER PISSED about how we ruined everything for Sebastian and how we destroyed their perfect killing machine by freeing him!

WE GASPED!

Nico: Un-freaking-believable! He's absolutely lost it!

Qin: I never thought we'd have to deal with them again, and he's got some nerve bringing them back from the dead!

Nebula Lanaia: We're gonna make them pay for what they did!

Rhonda Ragnarok, Aria Aquabizarre, Elrena Excelion, and Adallia Apocralyph: Those two Satanists will feel the wrath of Ragnarok for this!

Jaime: That they will.

Chrystine Mirage: My mother, Queen Chrysalis, turned evil because of Opaline, but what Selena's parents did, it was proof they were just born evil.

Me: I was still stunned to find out your mother's Queen Chrysalis.

Nico: Me too.

Lincoln: Chrystine's a Half Human and Half Changeling and vice-versa with pony and changeling, and I did find out during our date when I marked her that she's the daughter of Chrysalis, and she has all of Chrysalis's powers and beyond, and that she's trying to save her mother from the very monster that Opaline made her into. We'll make sure to do just that when the time comes.

Qin: I wonder what Opaline promised your mother?

Nico: We'll get that answer when we get it from the Queen herself.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Gina Thunderton, Lightning Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Gina.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Gina Thunderton, Lightning Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Lightning. She's The Lightning Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Gina Thunderton hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Georgia Thunderton, in a Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark

Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and earth, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like the others...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of The Dark Church of Malphas and they were going to bring Malphas to Earth and destroy us all. They did a terrible spell, but that backfired and it released The Black Ooze of The Eldritch that went into Sebastian and it possessed him and made him what he was after it killed them.

Gina Thunderton: What?

Varie Yulinova: It's true, Gina, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Gina Thunderton: The Black Ooze of The Eldritch did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Solla. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The next Hunter of The Nightflame Sun that we're meeting tomorrow morning is Xenia Vola Dappra, The Crystal Mage of Darkness, she uses the powers of crystals and darkness.

Lucy: Her power over crystals and Darkness is that powerful, no one was able to defeat her.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head to Dilgan.

Nico: And kill Selena and Sebastian's parents once and for all and send Dark Sebastian back to Transylvania.

Maximum Ride woke up to see Xerneas staring at her

Xerneas: Good morning Max.

Maximum Ride: Good morning Xerneas.

Xerneas: It is your day to shine so its time for breakfast.

Maximum Ride: Oh be right down.

She went and got dressed and went to the table.

Me: Morning Max. You excited? Today is yours and Ma'Ti's day to shine.

Nico: And Lori's day for justice.

Maximum Ride: Looking forward to it.

We gave her meats of all kinds.

We finished our breakfast, and we set out to hunt down Selena and Sebastian's parents and send them along with Sergio's thugs to The Black Abyss and send Dark Sebastian back to Transylvania.

Me: Back on Dilgan again for some fun.

Qin: Yeah this is awesome.

Lola: It sure is.

Camie: At least it's not hot like it is on Valmorg.

Ymir: Too true. Wow I heard about Valmorg being so hot.

Lola: I know.

Nico: Flash Man, I want to thank you, Wheel Gator, and your teams for coming

Flash Man: No problem Nico. This will be fun and cool.

Qin: It sure will be.

Lola: Yeah!

Mufasa: I'm just glad we get to spend this time with you.

Me: Thanks Your Majesty. I'm glad you can have fun too.

Eli: Same here Your Majesty.

Nico: Mufasa, are you proud of Simba?

Mufasa: I am always proud of my son and his entire family Nico.

Me: We all are.

Simba: Thanks guys. That means a lot to me. You all helped me and the Pridelands defeat Scar.

Ymir: Scar?

Me: Mufasa's younger brother.

Eli: And one of the most hated monsters ever.

Me: Long story.

Eli: He is called that because he has a scar over his left eye and Mufasa called him that because of it.

Mufasa: (LAUGHS) It's true.

Baihumon: If Scar comes back, I call dibs on him

Me: Granted.

Nico: Granted.

Me: Cool.

Baihumon: Thanks

Nico: Long story short, Scar killed Mufasa in the past.

Me: Yep.

Baihumon: Yeah.

Ymir: Oh man that is awful.

Mufasa: But everyone destroyed him back then and it was great.

Lana: I'll say and I Got to eat all kinds of bugs in an eating contest.

WE LAUGHED!

Timon: It's true.

Pumbaa: Oh yeah!

Lana: Yep.

Me: We loved that one.

Ymir: Lana is one gifted girl.

Qin: When it comes to eating bugs, Lana is a legend.

Penelope Pumbaa: She and I are gonna get along great.

Me: Yep.

Qin: Yeah.

Me: WHEW! Linka are you happy now that Skumm is dead?

Linka: (Russian Accent) I sure am and now Boris can be free. So can all of us.

Me: Thank goodness.

Nico: The fucker tried one last Bliss attempt!

Me: YEAH He sure did! But thank goodness we intervened.

Lisa Loud: That is for sure. I found a bunch of patients in the hospitals that took Bliss earlier and gave them my antiserum for it.

Me: Good work Lisa.

Qin: Yeah.

Lola: Linka's Akuma was cool though.

Me: She looked like a knight version of Red Tornado minus the Android part.

Nico: Even had similar powers

Me: Yep.

Qin: So awesome.

Lola: Yeah. Donald Duck missed out on it though.

Lana: He sure did.

Nico: But he's all better now. Man he beat the crap out of Old Man Jenkins.

Me: Yeah no kidding.

Donald Duck: Can't believe I missed the whole thing

Luan: I got it on video though for you Donald.

Donald Duck: Thanks Luan. It was cool you guys had fun.

Eddy: It sure was.

Yolei: And we had Russian food again. It was awesome.

Lola: It sure is awesome.

Qin: I'll say.

Maria: An owl almost tried the Bliss shit!

Me: Thank goodness Fluttershy caught it in time.

Fluttershy: That was good.

Me: And we threw that Bliss stuff into the black hole at the center of the galaxy.

Ymir: Good riddance.

Lola: Yeah.

Qin: No kidding.

Jamesdean5842: Thank goodness Roger Smith didn't try any Bliss or who knows what would have happened.

Lola: I don't think I wanna find out.

Nico: One less drug in the world?

Me: Yeah.

Qin: Yeah.

We agreed.

Lincoln: Okay, guys, we're in for one scary and brutal battle, we're here on the planet, Dilgan, and just as my dream foretold last night, we're here to battle Sebastian and Selena's parents who are members of The Dark Church of Malphas, and they're SUPER PISSED at us for how we've ruined everything for Sebastian and how we destroyed their perfect killing machine!

Me: And Dark Sebastian's also there and he's helping them after he brought them back from the dead!

The rest of the team were with us, but not Sebastian, he's still staying in the infirmary and with the spell still on him, it'll keep him from getting possessed by Dark Sebastian again.

Nico: I always knew there was something very dark and evil about them, and my Church friends all sensed it.

Leandro: Same with me. My past as a missionary and a priest in Church helped me find out their dark secret, but to find out they were also members of The Dark Church of Malphas, that just made things so much darker than ever.

Connor Chan: And you don't like heretics and Satanists like them, Dad. You got some holy water and crucifixes just in case they try to attack us?

Leandro took out bottles of holy water and crucifixes and gave them to us.

Aurora: You always come prepared as always, dear.

Alicia and Mindy: That's our dad.

Suddenly, Lincoln's deep sapphire eyes and the rainbow iris of his eyes turned heavenly golden yellow as we felt a massive and powerful divine force coming from him and heavenly lights shined down as the Angels and Archangels of Heaven appeared.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I should've known Malphas' disciples have returned for revenge, now I have no choice but to get involved in this once more.

Me: We're gonna need all the help we can get, My Lord.

Nico: If you've taken control again, this means there's something seriously dark we're gonna face when we face those two.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) You are correct, Nicholas. Apparently, when Dark Sebastian brought them back, he'd also turned them into demons in the likeness of the evil demon, Malphas, and given them immense dark powers as well.

WE GASPED!

Eli: That depraved fiend!

Selene Arcangela: That's putting it mildly, but like all demons, they despise all things holy and good in the world which is what we are gonna use against them.

Me: And we know just the things to use on them: holy water, prayers, exorcism prayers, The Lord's Prayer, the holy light of Heaven, heavenly flames, and crucifixes.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large

orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Sergio Casagrande...!

Nico: Sergio again?

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) There had to have been some sort of reason as to why Sergio became like this, or someone who made him turn into this. In any case, we should get after Sebastian and Selena's parents along with Dark Sebastian.

Me: Yes my lord.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twelve sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice)(Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I knew Lincoln increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Sebastian and Selena's parents) I've spotted them, Sebastian and Selena's parents are 20 yards away, but they and Dark Sebastian are coming after us right now.

Nico: Time we put an end to those Satanists and drive that monster back to Transylvania.

Red She Hulk heard a Pokémon cry.

Red She-Hulk: Hey look!

We saw a Hitmonlee!

Me: A Hitmonlee!

Qin: Whoa!

Hitmonlee: Man this place is amazing.

Red She-Hulk: It sure is. Want some food?

She gave it some food.

Hitmonlee: Thanks.

Hitmonlee ate it.

Nico: Wanna come with us?

Hitmonlee: I would be honored.

Poromon: Yay!

Qin: Cool!

But then...

KRASPLAT!

NICO GOT DRENCHED IN NACHO CHEESE SAUCE!

Me: WHOA!

Nico: HEY! (Slurps) Cheese!

Poromon licked Nico.

Poromon: Yummy!

Nico: OKAY WHO IS THE WISEASS!?

Lola: LOOK!

We saw an Aurorus!

Me: WHOA! An Aurorus!

Xenia: Cool!

Nico: How'd that get here?

Me: Must be one of Dark Gale's work.

But then..

MASSIVE VOMIT BLAST!

IT VOMITED A MASSIVE TORRENT OF NACHO CHEESE SAUCE AND DRENCHED MAY!

KRASPLAT!

May: HEY! (SLURPS) That is good.

Manaphy licked her.

I Am Weasel: Hmm. Let me see here.

He used Telepathy.

I Am Weasel: HOLY MACKERAL! That Aurorus is none other than the Goddess of Cheese herself, Gouda Cheddar!

Nico gasped!

HALLELUJAH! HALLELUJAH!

Nico: The Goddess of Cheese!? Where have you been all my life!?

Nico drooled!

Me: Nico is gonna be in CHEESE heaven! Lets go help her!

I Am Weasel: For I AM WEASEL!

We went to help her!

I Am Weasel: Gouda calm down and lets talk about this.

All she did was charge at him and we dodged her.

I Am Weasel: This requires more drastic measures.

Me: Yep.

We fired waves of energy and blasted her all over. I snapped my fingers and she reverted back and was a girl with yellow hair and yellow eyes and had cheese angel wings and had Aurorus in the middle of her forehead and had a cheddar cheese wheel with fondue as a cutie mark on her arm. We wrapped her in a blanket and brought her over.

Me: Cheesy!

Qin: Funny.

She woke up and saw I Am Weasel staring at her.

I Am Weasel: Are you gonna be all right Gouda?

Gouda Cheddar: I Am Weasel? Oh it's good to see you.

I Am Weasel: You too Gouda.

Nico: You drenched me and May with Nacho Cheese sauce.

Gouda Cheddar: Sorry.

Me: You were turned into an Aurorus by Dark Gale.

Gouda Cheddar: (GASP) I remember!

She was in a purple suit and was injected and then she exploded into liquid cheese and then reformed outside and turned into Aurorus and left.

FLASHBACK ENDS

Gouda Cheddar: It was awful. Good thing I can reform myself.

Nico: No kidding. What's your role in Sonya's Team?

Gouda Cheddar: I am the Cheese Mancer of the Team and I use cheeses of all kinds to destroy our enemies. Outside the team I make all kinds of cheeses.

Nico drooled waterfalls.

Nico: Cheese...

I Am Weasel turned Nico's tail and it squeaked like a faucet and turned his drool down.

Me: Okay that is funny.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave Gouda new yellow and orange clothes and a cheese magisword.

Gouda Cheddar: I look awesome.

Me: You sure do.

Qin: Yep.

Nico: Now for other business.

Me: Lets get a moveon.

We then took off into the air to send Dark Sebastian back to Transylvania and destroy Sebastian and Selena's parents and send them and Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our targets: SEBASTIAN AND SELENA'S EVIL MOM AND DAD WHO'VE BEEN RESURRECTED AND TURNED INTO DEMONS IN THE LIKENESS OF MALPHAS BY THE DEMONIC DARK SEBASTIAN WHO WAS ALSO THERE WITH THEM, AND THEY WERE OUT FOR BLOOD!

Lynn: There they are!

Dark Sebastian: (DEMONIC VOICE) KILL THEM!

Dark Sebastian summoned a massive army of demons from Hell to attack us. Suddenly, one of The Elemental Beast Cards of Myth came out of Lincoln's 28th Century Miracle Box Backpack: it had The Angel surrounded by heavenly light on the front and it went onto Lincoln's massive greatsword which he unholstered from his back and the 9'6" massive, wide, double-edged gold blade was surrounded by golden yellow heavenly light.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice): I CALL UPON THE POWER OF THE ANGEL OF THE KINGDOM OF HEAVEN! BEGONE FROM THIS PLANE AND RETURN TO HELL WHERE YOU BELONG, SPAWN OF SATAN!

Then, Lincoln swung his massive greatsword and fired a massive wave of heavenly light that hits the massive army of demons and sends them back to Hell as they were destroyed and it also hits Dark Sebastian and Sebastian and Selena's demon-turned parents as they screamed in pain, and the card returns back into his backpack.

Sakura Avalon: Whoa! Those cards Lincoln 2 created, they're just like The Clow Cards!

Li Syaoron: That was really incredible.

Yue: Hmm, those cards are like The Clow Cards, but I'll need to observe them even more. In the meantime, we better take care of those demons at once.

Then, the Angels and Archangels attacked them with their longswords and slashed them, and we landed and it pissed

Dark Sebastian off along with Sebastian and Selena's demon-turned parents.

Selena Mendez: Hello, Mom and Dad. Though I could say it's good to see you again, that would be a lie because of what you did. It's bad enough that you two were nothing more than human-despising Satanists, but when I found out that you two were members of The Dark Church of Malphas and you were trying to bring Malphas into our world to destroy us all and the world, my hatred for you two is even more intense as ever.

Selena's Dad: (DEMONIC VOICE) YOU LITTLE BRAT!

Selena's Mom: (DEMONIC VOICE) WE WILL DESTROY YOU AND EVERYONE THAT YOU LOVE!

Nico: Shut your mouth, maggots!

Nico unholstered his greatsword and slashed their mouths and they now had slits!

Me: Nice.

Selena Mendez: (To Dark Sebastian) And you've got some goddamn nerve bringing them back from the dead, you absolute lunatic.

Dark Sebastian: (Demonic Voice) YOU HAVE RUINED ALL OF MY CHANCES TO GET RID OF YOU ALL! THIS IS ALL YOUR...!

Nico: No, this is all your fault because you're nothing more than an absolute monster born from The Black Ooze of The Eldritch, Malphas' creation. Plus, everything we'd been through back in the past, at first, I thought it was Dark Chase Young, but he was only the second person behind what we'd been through in New Jersey, the true demon behind this was none other than Malphas.

Me: You helped your son become a monster that was worse than anyone we know!

Qin: Because of what you two did, that slime made Sebastian betray us and we were horrified by the atrocities and horrendous monstrous nightmares he was forced to commit in the past! He lost all of his friends and his sanity because of it, but thanks to Lincoln and J.D., they saved him and drove that monster out of him.

Nico: But, we're not gonna kill you just yet. See, we knew about The Order of The Dark Universe and that because of that ritual, Sebastian got imbued with the powers of Apophis, Egyptian God of Chaos, but you made him commit betrayal and made him murder the former leader of The Order of The Dark Universe, Astaroth Voldemorte, Master of Darkness and you took his powers of darkness and sent his soul to Hell thus becoming the new leader of The Order of The Dark Universe, and the ritual made you a lot worse than ever: now, you were truly out for destruction and chaos. But, that's not going to happen.

Me: Not on our watch, you monstrous bastard.

Dark Sebastian: (Demonic Voice) (ENRAGED SCREAM) I WILL DESTROY YOU ALL IF IT'S THE LAST THING I DO!

Me: We'll see about that!

Dark Sebastian charged at us with murder on his mind, but then, another Elemental Beast Card of Myth came out of Lincoln's 28th Century Miracle Box Backpack: it had The Phoenix surrounded by flames on the front and it went onto

Lincoln's massive greatsword and the 9'6" massive, wide, double-edged gold blade was surrounded by flames.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice): I CALL UPON THE POWER OF THE IMMORTAL PHOENIX OF FIRE! BEGONE FROM THIS PLACE AND RETURN TO THE SHADOWS WHERE YOU BELONG, SPAWN OF MALPHAS!

Then, Lincoln swung his massive greatsword and fired a massive wave of phoenix fire that hits Dark Sebastian and sends him flying back to Transylvania as he spews toxic death threats and hatred at us and we gained an astronomically massive power boost from his hatred and madness and the card returns back into his backpack.

Selena's Mom: (Demonic Voice) NO! NO! (ENRAGED SCREAM) YOU ARE ALL GOING TO DIE FOR THIS!

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, and Gina Thunderton: YOU AND YOUR HUSBAND FIRST, DISCIPLE OF MALPHAS!

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, and Gina Thunderton fired blasts of Divine Darkness from their staves which hit Selena's demon-turned parents!

Selena Mendez: You two went way too far! Your spell not only backfired, but it resulted in The Black Ooze of The Eldritch, Malphas' creation to come into our world, and after it killed you both, it turned my brother into a monster, and all for you two to have a killing machine to do the bidding of Malphas, you both make me sick, and you can forget spending an eternity in Hell, there's only one place that's perfect for the likes of you two!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) And that is in The Black Abyss!

Me: That's right my lord!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice): This is where you two die here and now! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

But then...

WHOOSH!

A figure swooped in a swiped their loot!

Sergio Thug: OUR LOOT!

?: (Australian Accent) I think you bloaks mean MY loot!

We saw the next member of the International Clan of the Coopers!

Anna Anyanova: Sheila Melbourne Cooper!

Qin: COOL!

Me: WOW!

Sheila Melbourne Cooper: G'day to you mates.

Me: G'day to you too. Care to introduce us Anna?

Anna Anyanova: Sure. This is Sheila Melbourne Cooper, The Ghost Wind of Melbourne of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Australia and an amazing master of the Australian Outback and also is a powerful master of the forces of Aboriginal Magic and the spirits of Australia and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Australia and she helped him on lots of dangerous jobs. She's known as The Ghost Wind of Melbourne because she has a mysterious power that enables her to move with the wind and strike while invisible in the winds to steal from her targets and enemies. She goes after poachers, crooked lawmen, and more. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Gianna came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the Australian Outback, the forces of Aboriginal Magic, and the spirits of Australia and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Sheila Melbourne Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: Wow! Pleasure to meet you.

Sheila Melbourne Cooper: Same here mate.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever. Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Selena's parents, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at them with their massive greatswords and gauntlets and greaves leaving scars on them.

Selena's Parents: (DEMONIC VOICE) DIE! ALL OF YOU JUST DIE!

Selena's parents charged at us! Suddenly, Another Elemental Beast Cards of Myth came out of Lincoln's 28th Century Miracle Box Backpack: it had The Minotaur surrounded by Earth on the front and it went onto Lincoln's massive greatsword which he unholstered from his back and the 9'6" massive, wide, double-edged gold blade was surrounded by earth, rocks, crystals, and lava.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice): I CALL UPON THE POWER OF THE MINOTAUR OF EARTH! FACE THE FURY OF THE EARTH, DISCIPLES OF MALPHAS!

Then, Lincoln swung his massive greatsword and fired a massive wave of earth, rocks, crystals, and lava that hits Sebastian and Selena's demon-turned parents as they screamed in pain, and the card returns back into his backpack.

Then, we attacked them with powerful slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at them as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Chrystine Mirage, Nebula Lanaia Loud, Rhonda Ragnarok, Aria Aquabizarre, Elrena Excelion, Adallia Apocralyph, Jaime Diana Knudson, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked them hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Sebastian and Selena's parents and Dark Sebastian even angrier than ever!

Dark Sebastian: DIE, BITCH!

Dark Sebastian went at us, but Lincoln and I punched him hard in the jaw and sent him flying off of Dilgan and he crashed right back to Earth, specifically Transylvania. Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Sebastian and Selena's parents, and we found ourselves in Heaven.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomachs of Sebastian and Selena's parents, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE FROM THIS PLANE FOREVER!

Lincoln, Nico, and I did one final powerful energy slash that hit Sebastian and Selena's parents hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Sebastian and Selena's parents were on their last legs and they were really really mangled.

Selena's Dad: (Demonic Voice) You...! You think...this is the end! It won't be the end of The Dark Church of Malphas!

Soon, they will make their glorious return!

Selena's Mom: (Demonic Voice) Dark Sebastian..., he will revive the members of The Dark Church of Satan, and turn them into demons to get their revenge on you, J.D. Knudson! We will have our vengeance on you for destroying us!

WE GASPED!

Selena Mendez: We'll be ready for them along with The Order of The Dark Universe, as for you two, it's time we say our farewells forever, this time, I mean it! I'm cutting my ties with you two forever!

Then, Lincoln swung his massive greatsword and fired a massive beam of holy light that turned into crosses and they fired chains that bound them on their wrists and ankles: the two demons were both crucified and they screamed and they burst into flames as the flames of Heaven consumed them and turned them to ashes and they were sent to The Black Abyss forever!

We cheered as we holstered our weapons and we powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, eleven massive and long colored wolf tails large gold halos with four large orbiting gold rings on each corner behind the heads, twenty-five large colored planets orbiting around the legs, twenty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings and massive rainbow fairy wings and twenty-four sets of large rainbow fairy wings underneath the rainbow fairy wings of Chrystine Mirage, Nebula Lanaia Loud, Rhonda Ragnarok, Aria Aquabizarre, Elrena Excelion, Adallia Apocralyph, and Jaime Diana Knudson are permanent.

Then, we went back to Earth.

Selena Mendez: We...we did it. We killed my parents once and for all.

Me: But, Dark Sebastian, he's still out there, and you heard what they said, he's going to bring back the members of The Dark Church of Malphas whom I killed long ago and turn them into demons in the likeness of their master, Malphas, to get revenge on me.

Nico: We'll face them along with The Order of The Dark Universe and we'll destroy them. (To God) My Lord, how many members were there in The Dark Church of Malphas?

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) There were over 600 members that were in The Dark Church of Malphas. The high-ranking leader and founder of The Dark Church of Malphas is Alaister Necroshade, and there are nine high-ranking members who happen to be his four brothers and five sisters, their names are Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade.

WE GASPED!

Me: I remember those ten all too well! As you said, My Lord, Alaister Necroshade is the high-ranking leader and founder of The Dark Church of Malphas and the nine other high-ranking members are his brothers and sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial

Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade. They were the worst of the worst Satanists ever, they were from my old high school in Colorado, and they were just as bad as Damian Alaister and his friends who formed The Church of Necrom, but they were even more bloodthirsty and destructive!

Sakura Knudson: Those ten did tons of Satanic rituals sacrificing lots of animals in the past, but they went too far. They sacrificed students who went missing, and J.D. and I caught them, and we had all of them expelled from school and sent to prison forever.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) Yes, that was fourteen years ago. But, not a week after they were sent to prison, they escaped from prison and they began gathering more members and founded The Dark Church of Malphas and plotted to summon Malphas to destroy all of Mankind and the world. Sebastian and Selena's parents were also among them, and they delved into darkness long ago in their teen years and when they became adults, they also did the same crimes of sacrificing people in dark rituals, and they joined The Dark Church of Malphas.

Qin: This is bad.

Suddenly, Lincoln had a premonition and formed a viewing mirror, and we saw what was happening: Dark Sebastian's resurrected Alaister Necroshade, the high-ranking leader and founder of The Dark Church of Malphas, along with the nine other high-ranking members and his four brothers and five sisters, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia

Necroshade, and Maacah Necroshade, along with the 666 members of The Dark Church of Malphas, and he turned them into demons in the likeness of Malphas.

God: (Through Lincoln's body) (Divine Heavenly Godly Voice) We're too late, he's brought them back, but I can put an end to the 666 members of The Dark Church of Malphas.

Suddenly, Lincoln's heavenly golden yellow eyes and heavenly golden yellow iris of his Third Eye glowed, and in the viewing mirror, we saw heavenly lights shining down, and then, a massive shower of heavenly golden yellow blades came raining down, and they skewered and killed the 666 members of The Dark Church of Malphas as they burst into flames and were sent to The Black Abyss except for Alaister Necroshade, Aragon Necroshade, Damon Necroshade, Abigor Necroshade, Belial Necroshade, Delilah Necroshade, Herodias Necroshade, Jezebel Necroshade, Athalia Necroshade, and Maacah Necroshade who were taken by Dark Sebastian to Transylvania to free the members of The Order of The Dark Universe.

God: (Through Lincoln's body)(Divine Heavenly Godly Voice) That should do it. But, now this means in addition to the members of The Order of The Dark Universe, we'll be facing the high ranking members of The Dark Church of Malphas, but we are more than ready for them. Now, I must take my leave.

God left as Lincoln's heavenly golden yellow eyes turned back to deep sapphire blue and the heavenly golden yellow iris of his Third Eye changed back to rainbow colors.

Lincoln: I also heard everything, so now, The Order of The Dark Universe and The Dark Church of Malphas have formed an unholy alliance, but we'll be ready for them.

Nico: WHEW! That felt good!

Me: Same here.

Qin: Yeah!

Laney: Yeah!

They also bring your WORST NIGHTMARES to life! And they are girls that you should NEVER MESS WITH! They will also kill you with the very monsters you fear! She came to Royal Woods where she met Lincoln and she even taught him how to use all the powers of the dragons, fire, and intense infernos, and over time, he gained all the powers of powers of he dragons, fire, and intense infernos, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's Enemies with a burning vengeance and she vowed to burn them into ashes.

Nico: Yeah it was scary! Those dragons destroyed everything and humanity was teetering on the verge of extinction!

Dorothy Abercromby: I know. It was awful.

Ymir: When was this?

Me: I think back in 2020 and it was scary as all get out. We had to ride our dragons there and it was awful.

Sougo got JungleFuryRedArmor while Geiz got RPMRedArmor

Colla: Nope that's it.

Me: We have the whole league done. I guess I wasn't put into the group because there wasn't an ecovillain for me. Maybe Greedily but not sure.

Qin: Yeah.

Me: I don't know what the Ring of Destruction for Lightning would have been.

Me: WHOA!

I caught the ridewatches and purified them,

Nico: We sure have.

Xenia: Yeah.

They hugged.

Nico: I've missed you.

Rhianna Crystal: Same here.

Me: That's for sure.

Nico: We'll make The Dark Lord pay for what he's done.

Eli: He and his army are going to pay.

Flash Man: We better get going if we're to get to Sauron.

Suddenly, we saw a massive army of Orcs heading right for us.

Lincoln: Orcs, I should've known. FACE THE FLAMES OF MOUNT DOOM, SCOURGE OF MIDDLE EARTH!

Lincoln fired massive waves of fire, lava, and the fire and lava of Mount Doom at the armies of Orcs and all of them were incinerated and burned to ashes and their souls were absorbed into Lincoln as he assimilated their superhuman strength, speed, and durability, and they're going to be drained of energy soon, so they were chained by Lincoln 2, Lincoln 3, Lincoln 4, and Black-Suit Lincoln.

Me: Awesome!

Mina Mordor: That's our Immortal Virtuous Defender of Middle Earth.

Lincoln: The Orcs were just the beginning, now let's get going.

We travelled onwards, and then, we saw massive armies of Barrow-wights, Ettens, Dragons such as Fire-drakes and Cold-drakes, Ogres, Spiders, Trolls, Úmaiar, Úvanimor, Vampires, Wargs, and Werewolves.

Lincoln: The Servants of The Shadow, the servants of Sauron, the current Dark Lord, and the former Dark Lord, Morgoth. I knew they'd be here.

Finally, we came face to face with the evil Dark Lord himself, Sauron.

Audrey Sauron and Mina Mordor: Sauron! Your time is finally up, Dark Lord! It's time for you to pay!

Suddenly, we saw the full moon shine down from nowhere and we heard the sounds of over

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 howls in the air, and then, we saw 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Suddenly, we heard more howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999,999,999,999,999,999 more werewolves coming out of nowhere and they were heading for us.

Caleb Maxwell: They just keep coming!

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take down Sauron for good.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, electric blue hair and electric blue wolf ears and tail, blue eyes, massive black angel wings, blue Wolf Moon tattoo on her right arm and wolf paw with the Thunder Kanji on her forehead, white short-sleeved blouse with wolf paw with the Thunder Kanji, dark blue sleeveless top, white gloves, dark blue skirt with wolf paw with the Thunder Kanji, dark blue knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, lightning bolts, werewolves, phoenixes, and angels on the coattails, and on the back is the symbol of The Lightning Moon, she has a wolf claymore in her right hand, and with her are the six girls.

Lincoln: (GASPS) Felicia Lightning Moon, Werewolf Angel of The Lightning Moon of August.

Felicia Lightning Moon: That's right, and it looks like I got here just in time to help finish Sauron for good, but I also got word that more bodybuilder thugs of Sergio has been sighted.

Me: How many?

Felicia Lightning Moon: 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999.

Lincoln: Sergio, you really don't know when to quit, do you? And you all better get out here, you bodybuilding thugs! I know you're here, I can smell your blood!

Suddenly, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large and muscular men came out, and like Felicia Lightning Moon said, these guys are bodybuilders, and they're also hired thugs of Sergio.

Sergio Bodybuilder Thug: You're gonna pay for what you did absorbing our friends!

Lincoln: Your friends deserved it for obeying the orders of that stupid rat with wings, and now, it's your turn.

The bodybuilding thugs ripped their tank tops off and ran at Lincoln, but Lincoln charged at them and he really trashed them as he punched and kicked them all over the place, and he was really working up a sweat, and finally, he knocked the massive bodybuilders down.

Then, Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive bodybuilder thugs, and one by one, he began absorbing them and he assimilated their massive superhuman upper body and lower body strength, massive muscle mass, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodybuilders except for their speedos and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a gorilla.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Sauron, and he proceeded to brutally smash him hard into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and his massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON SAURON! HE WAS REALLY GOING APESHIT ON HIM!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED SAURON WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED SEVEN BLASTS OF HEAVENLY LIGHT THAT HIT HIM AND HE WAS BURNED!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Then, Lincoln blasted Sauron with fire, lava, and the Lava of Mordor and Mount Doom, and he also slashed at him with his massive greatsword.

Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked him hard with his new cane.

Then, Skippy balanced himself on his tail and delivered a hard kick to Sauron's stomach and he fell to the ground in pain only to get back up.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at Sauron which hit him hard.

Lincoln continued smashing him hard with his extremely massive godly superhuman strength and Sauron didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him despite how powerful Sauron is.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed Sauron all over the place!

Then, Lincoln slashed off Sauron's arm which had The One Ring on it, and then, he fired lava of Mount Doom from his left hand and it melted The One Ring into nothing but molten metal, and as a result, it led to Sauron letting out a wail of pain and agony as he turned to dust and he was sent to The Black Abyss forever, but not before Lincoln and all of us assimilated his powers and abilities, and then, he drained the souls of all of Sauron's armies of their energy and sent them all to The Black Abyss and we returned home to The World Tree Estate.

Lincoln: And that is Day 1 of our Middle Earth rescue excursion done.

Mina Mordor: Now, I'm finally rid of Sauron and his armies forever.

Lincoln: Yep. Now, tomorrow, we'll go after Denethor in Gondor, and we'll make him pay for his crimes against the throne.

Gloria Gondor: Perfect, he will finally pay for his crimes in full.

Lincoln: That he will, Gloria. (To Felicia Lightning Moon) And it's so good to see you again, Felicia.

Felicia Lightning Moon: You too, Lincoln, it's been eight years since we last met.

Suddenly, Felicia Lightning Moon had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Felicia Lightning Moon was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Felicia Lightning Moon: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Felicia Lightning Moon and hugged her, and Felicia Lightning Moon was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on their faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and twenty-four other sets of large sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Felicia Lightning Moon: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 10'0" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and twenty-four sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Felicia Lightning Moon, Werewolf Angel of The Lightning Moon of August, she's Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Lightning Moon of August. Felicia Lightning Moon is a powerful master of the powers of blue wolf fire, lightning, The Lightning Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Felica Lightning Moon is The Werewolf Lightning Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Luan. Felicia trained Lincoln in mastering the powers of blue wolf fire, lightning, The Lightning Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Luan with a blazing passion and she wants nothing more than to electrocute her to death underneath The Lightning Moon!

Nico: Can we see how...?

Lincoln and Loud Sisters: NO!

Me: Whoa, what happened?

Lincoln: I know what you were about to ask, Nico: you wanted to see how Felicia punished Luan, but we can't do that! Let's just say what she did to Luan..., it is not for the faint of heart and it was truly messy and Luan got electrocuted big time.

Nico suddenly shuddered at the thought!

Nico: Whoa, okay, I see your point. I can't believe I asked that, that was wrong.

Brittney formed a ball of darkness and was about to hit Lincoln with it, but Nicole got in between them.

Nicole: Don't even think about it, Brittney! Now, back to your lair, Empress of Darkness!

Brittney: (HISSES)

Brittney hissed at Nicole showing her vampire fangs and she turned into bats and flew back into her room!

Nicole: And I can guess why Brittney was about to blast you: after the incident with Luan, you turned Felicia, and after what happened in the past, you weren't taking any chances and you weren't going to lose another Guardian Angel to death, especially at the hands of one of the five mean Loud Sisters.

Lincoln: That's true, but now you guys know how The Werewolf Angels of The Elemental Wolf Moons came into being.

Nico: And it was the doing of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of your enemies. What a bunch of jerks.

Lincoln: That's for sure, and now that you're here, Felicia.

Lincoln with his massive muscular arms still wrapped around Felicia Lightning Moon's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Felicia Lightning Moon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Felicia Lightning Moon with electric blue gems on the gold lightning bolts and electric blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Felicia Lightning Moon: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Felicia Lightning Moon.

Felicia Lightning Moon had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Felicia Lightning Moon's waist, and he leaned down to her face and kissed her on the lips, and with Felicia Lightning Moon's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Felicia Lightning Moon had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Felicia Lightning Moon: (In Heaven) My God. Oh, Lincoln, the twelve girls I rescued are...!

Red Savarin and Travis Tackett: Boys, in your rooms now, and no questions asked, or you're in for a serious buttkicking!

We obeyed Red Savarin and Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the six girls, he recognized them as he had an atomic red blush on his cheeks and muzzle, but he didn't have a nosebleed. The six girls are Jacqueline Jackie Rhodes and Kate Addleton from Bush Baby, Little Angel of the Great Plains, Lady Aska from Magic Knight Rayearth, Dianna Soreil and Miashei Kune from Turn A Gundam, and Iris EXE from Megaman NT Warrior.

Lincoln: Oh wow, it's Jacqueline Jackie Rhodes and Kate Addleton from Bush Baby, Little Angel of the Great Plains, Lady Aska from Magic Knight Rayearth, Dianna Soreil and Miashei Kune from Turn A Gundam, and Iris EXE from Megaman NT Warrior.

Nicole: You didn't have a nosebleed attack for the first time in a long while, Lincoln, because the girls this time weren't voluptuous bombshells. But, thanks to Travis and Red warning the rest of the boys, I think it's engrained into them.

Lincoln: That's true, next time, we'll tell them. Are you girls okay?

Jacqueline Jackie Rhodes: Yes, we're okay, thanks to you.

Then, when Jacqueline Jackie Rhodes and the other five girls saw who it was that saved them from Sauron and his armies, their faces turned atomic red upon seeing the 10'0" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning Jacqueline Jackie Rhodes: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lady Aska: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jacqueline Jackie Rhodes, Kate Addleton, Lady Aska, Dianna Soreil, Miashei Kune, and Iris EXE with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told them everything that happened on Mordor.

Maria: Hah, serves Sauron right.

May: And we saw Lincoln display the powers of fire, lava, and the lava of Mount Doom when we went after Sauron's men and he burned and incinerated them all to ashes.

Lincoln: And we also outfought Sauron and made him suffer big time.

Nico: It was really brutal, but Lincoln outfought Sauron, and it was intense.

Me: We were still stunned to find out Lincoln came to Middle Earth before and fought Sauron and his armies and minions.

Eli: And he has the powers of the lands of Middle Earth along with incredible power and he can do anything. Just how much more powerful is Lincoln truly?

Nebula Lanaia: I don't think anyone wants to know. Not unless you want to freak out like McWolf and swallow a bug.

Me: Yuck!

Nico: Right, good idea. We don't want that again.

After Lincoln and all of us destroyed Sauron and his armies and sent him and every last one of his armies straight to The Black Abyss and this time forever, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Felicia Lightning Moon saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Felicia Lightning Moon: My God, I was right that Lincoln's really grown into an 18-year-old 10'0" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Felicia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Felicia Lightning Moon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Felicia Lightning Moon: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded and when Lincoln checked the computer, he saw what it was that triggered the alarm, 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999,999,999,999,999,999,999,999 Hellhounds have come out and are coming after us.

Loona: Hellhounds, they're definitely not from my version of Hell.

Captain Whitten: They're from the prime universe of Hell. Time to take care of them.

Captain Whitten flew out and landed.

Captain Whitten: Sending Hellhounds after us was a bad idea, you psychopath, I hope you're watching from the shadows.

Suddenly, Captain Whitten's green eyes turned neon green and he was surrounded by a black and blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels.

Captain Whitten: I was surprised to find out that psycho wasn't going to give up that easily, but to send Hellhounds after us, that just proves he's nothing but a weak coward. (GOLD HEAVENLY RING OF LIGHT APPEARED AND SURROUNDED HIS RED EYES) Well then, it's time I got rid of you all before I let Lincoln absorb you lot.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CAPTAIN WHITTEN WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES

AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE VAMPIRE BAT WENT BACK TO EARTH AND CAPTAIN WHITTEN GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Captain Whitten went after the armies of Hellhounds, and he fired extremely powerful blasts of black and blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels, and he slashed at them with his massive greatsword, and that made the massive armies of Hellhounds even angrier than ever.

Then, the Hellhounds roared angrily at Captain Whitten.

Captain Whitten: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Too bad I ain't a vampire, because if I was, I'd roar at you like Blunt, his old man, Cronus, and Travis did to the others. (Smirks) But, I'm a nice person, I'm not gonna kill you all.

Then, Lincoln appeared.

Lincoln: That'll be left to me.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of Hellhounds, and one by one, he began absorbing them and he assimilated their Superhuman Strength, Superhuman Durability, Hellfire Breathing, Fangs and Claws, Probability Manipulation, Fear Inducement, Affliction, Precognition, Intangibility, Superhuman Intelligence, and Teleportation, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the Hellhounds and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: That was really good, and you and the other members of the team also have the powers and abilities of the Hellhounds I absorbed, Captain Whitten.

Captain Whitten: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Heh, I knew that. And I also know you also have immense holy powers as well, Lincoln.

Lincoln: That was due to my unbreakable connection to God, the Archangels, and Angels of Heaven, along with being born with the powers of light and purifying powers.

They came back inside.

Me: Captain, that was some awesome work you did taking those Hellhounds down.

Nico: And you were right, you don't have vampire powers and you're not a vampire. If you did, you would've done the same thing as Cage, Mr. Blunt, Travis, and Cronus, and that would've been good and hilarious.

Captain Whitten: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Heaven Cosmos Divine Darkness Dark Hellfire Firestorm Police Defender Divine Darkness Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That probably won't work with Hellhounds, but like I said, I wasn't gonna kill them, but Lincoln was gonna.

Captain Whitten holstered his massive greatsword on his back and powered down, and his new body, clothes, weapons, jewelry, accessories, 28th Century backpack, Third Eye, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five black and blue planets orbiting around his legs and thirty-five black and blue smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized black and blue planets orbiting around his wrists and ankles, longer blonde tail, and his massive blonde angel wings and twenty-four sets of large blonde angel wings underneath his massive blonde angel wings are permanent.

Captain Whitten: Still, that was pretty interesting, I was the first one to transform. The next one to do so tomorrow will probably be Carter.

Carter Kenrick: Captain, Caleb was supposed to say that.

Caleb Maxwell: I didn't need to, I sensed a pattern though. Remember when we faced the Demon Blood Influenced versions of you guys? Well, it looks like you guys are going to transform again for this, and I think Dark Sebastian's not the only one sending those monsters at us.

Applejack: You think Lila Rossi is...?!

Lincoln: I can't think of any other person other than the lying conniving bitch and Paris' Public Enemy Number One! I did tell you guys of how The Kawaii Sisters and I destroyed an army of Evil Succubi that Lila had summoned.

Me: So, the bitch is responsible for this, huh? And is she and Dark Sebastian working together?

Nico: I doubt the bitch would work together with that psychotic bastard.

Lincoln: (Sensed It) You're right, they're not, Nico. But, just in case the bitch tries that again.

Lincoln's eyes glowed and we now had tracker functions in our built-in wrist computers on our left Bracers.

Me: Cool. Now, when the alarm sounds, it'll show us which monster army is coming after us.

James Blunt: Heh, well, this was quite a surprise.

Then, Captain Whitten got out a videotape.

Captain Whitten: Okay, now this video I have here, this takes place on the night Caleb returned from the dead, but from my point of view. I was there the night I saw Caleb rise from his grave and return to New York and like James said, Caleb awakened to a living nightmare and though alive but shaken horribly by the trauma of his death, he made his way back to the city where I followed him, and that led to my encounter with James Blunt.

Captain Whitten put the videotape in and it played on the big screen and it showed New York at night and it was indeed eight years to the day that Caleb died in 1985 and it would lead to his resurrection. There we saw Captain Whitten drive past the cemetery.

Past Captain Whitten: (Sighs) It's been eight years since you died, Caleb. You left this world too soon, your mom and Allie although they're doing well need your help more than ever.

But, then as Captain Whitten was about to drive off, he saw a wave of rainbow energy pass through the skies, and it passed right through the cemetery and he got out to investigate. Suddenly, without any sort of reason, he went to Caleb's grave. Then, the ground started to shift and move, and he ran to a nearby tree to hide. Then, he saw a hand rise out of the grave and a figure rose right out of the ground: it was Caleb Maxwell restored to life and returned from the dead, but he aged physically back to 18 and he'd awakened to a living nightmare as the trauma of his death in 1985 hurt him bad.

Past Captain Whitten: (Gasps) It can't be...! Caleb's...back from the dead?!

Then, Caleb Maxwell began walking as he was making his way back to New York City.

Past Captain Whitten: Oh God, Caleb's making his way back to the city, but he no longer has any of his memories from the past. I better follow him, if Drake sees him, he's gonna kill him once more.

Captain Whitten got back into his car and he began following Caleb Maxwell without alerting the now distraught and resurrected young man. But, unknown to Captain Whitten, a vampire was also here in New York and Caleb was about to meet him.

Captain Whitten managed to get a good distance from himself and Caleb Maxwell, but then, he saw James Blunt, Cage's dad, but he didn't know why he was here, but he saw the vampire spotted Caleb and he doesn't know what's going to happen. Then, everything happened on the day James Blunt first met Caleb Maxwell, and Captain Whitten was about to take action, but then, he saw James Blunt take action and he got Caleb Maxwell to his truck and he drove him back to his home in West Virginia. Captain Whitten saw what happened, but he heard Caleb say he had no memory of where he is or who he is, but when he heard him say the word vampire, something came back to him: a memory of what happened back in 1985 flashed in his mind: it was the memory of Caleb's right arm leaking out blood whenever a vampire was near.

Past Captain Whitten: Just who was that man? And did he say vampire? I remembered seeing Caleb's right arm leaking out blood, but he didn't say anything about it and he always ran off. But, that man who just showed up, why did he take an interest to Caleb especially when he heard him say his last name. But, whoever he is, I think he just saved Caleb from running into Drake and getting killed yet again. But, it's true that Caleb's memories were fragmented thanks to what happened back in 1985, and he probably won't remember his mom, Allie, or those on his mother's side of the family, nor any of his old friends or myself. (Sighs) And that truly is a sad thought, but Caleb deserves to a chance to recover, but it could take a long time, but I'll wait, and if he does return, he'll be welcomed back by those who've missed him dearly.

Captain Whitten drove back to the precinct as the video ends.

Nico: Whoa, so you saw what happened near Caleb's grave and you followed him and made sure you didn't startle him.

Captain Whitten: I had to do it, what I saw was beyond shocking.

James Blunt: And the rest was as you saw when I first met Caleb.

Lincoln: Yes, that's true, and what you said was true, Captain.

Cage Blunt: He's right, Dad's arrival saved Caleb from encountering his brother again and saved his life once more and that led to Caleb starting on his road to recovery.

Jack Howard: And you didn't tell us this, Captain?

Captain Whitten: Heh, would you believe me when I told you about it?

Marcus Mackenzie: We would've erased your mind of what you saw, but your ties to Caleb were that strong, same with everyone else he encountered.

Me: Especially with what happened in 1984 and 1985 in your world before it merged with ours last year.

We got a shower and Ets and his harem were heading to Bubblaine.

Ets was in blue swim shorts and his harem were in two-piece bikinis, but his harem were given a task to keep Ets away because we're preparing for Ets' birthday today.

Ets: This is pretty awesome that we're here in Bubblaine.

Katie "Pidge" Holt: You got that right.

Ets and his harem dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, they went back to the beach, and they had a volleyball game and it was awesome. Then, as the sun set on Bubblaine, the girls piled on Ets and they kissed him all over the place. Then, Katie got a message telling them to bring Ets back, and they did.

Back at The World Tree Estate, we'd decorated the place with a cyber and tech-theme for the party.

Eli: We really outdid ourselves in the decorations.

Lincoln: Especially with a cyber and tech-theme for Ets.

Nico: That's true since it fits him perfectly because of his cyber and tech powers as well.

Me: And we also got some awesome gifts for him as well.

Poromon and the Mascots spot Ets and his harem.

Poliwag: Guys, Ets is coming back.

Luan: Places everyone.

We turned out the lights and hid. Then, Ets and his harem came back inside.

Ets: Whoa, it's dark in here. Hang on, there's the light switch.

Suddenly, Ets turned on the lights and then, a cyber and tech-themed banner came down that said in cyan blue letters: Happy Birthday, Ets as streamers and balloons came out along with Confetti and we also came out.

Everyone: SURPRISE! HAPPY BIRTHDAY, ETS!

Ets: WOW! You guys planned all this?!

Nico: Yep.

Then, The Masters of Evil arrived and we got the party started.

Lincoln gave Ets an awesome looking book, this one is a spellbook on technomancy, and it was full of tech-themed spells.

Ets: Whoa! A spellbook on Technomancy?! Oh, this is gonna be awesome!

Then, Nico and I gave him our gifts: a technological greatsword made of 28th Century metal that had the molecular structures of Stellar Cometite and Venusite fused in that made it indestructible along with silver 28th Century combat knives.

The Loud Sisters got Ets some awesome blasters, brand-new cellphone, new clothes, etc., and he also got an awesome comic from Lincoln, it was based on our battles against Dark Gale and The Midnight Princesses, and it sold off the shelves like hot cakes and were a success.

Madison Taylor: The comic based on our battles against Dark Gale and The Midnight Princesses was really awesome! Lincoln really did awesome making this!

Sakura Avalon: It sure was!

Keroberos: That was pretty amazing! Say, about those Elemental Beast Cards of Myth you have in your possession, I did some looking around, and apparently, it proved Yue right: they're just like The Clow Cards.

Yue: Only for them, you used the mythical beasts of mythology and legend along with the creatures J.D. 2 and Lincoln 2 had seen 250 trillion years ago, and yesterday, when you absorbed the armies of Elementals that Dark Sebastian sent after us, you used the thirteen blank cards that once housed The Demon Lords and created twenty-seven brand-new cards and made them into Elemental Cards.

We were amazed.

Nico: No way!

Me: Incredible!

Madison Taylor: We've got to see them in action more often.

Sakura Avalon: Say, have you thought about using The Elemental Beast Cards and Elemental Cards in a combo, Lincoln?

Lincoln: No, I hadn't thought about that before. But, you may be onto something there, Sakura.

J.D. 2: This should be interesting to see. Hmm, so far, everything's been quiet, last year when we had a birthday party, Billy Exetor broke out to get revenge.

Nico: So far, he hadn't thought about making any moves on us, but we can't let our guard down.

Lindsey Exetor: That's right, we've seen what that stupid sociopath is capable of.

Sylvia Exetor: And if he does break out again, we're gonna unleash pure Hell on him!

Meilin: Have you thought about talking with your parents about this and disowning him?

Sylvia Exetor: We did that long ago, but this was before that part of our code was enacted: that when someone gets disowned and because they're pure evil and have no remorse, then we don't have to hold back and we can kill them.

Nico: Hmm, if Billy does break out to get revenge, we'll do what we did to Heather, Margie, and so many other spoiled brats.

Luna: Only this isn't a spoiled brat we're dealing with, we're dealing with a sociopathic psycho.

Lori: Should he break out, I will literally turn him into a human sausage and throw him in a sewer!

Me: Ew! Nasty!

Sylvia Exetor: Now, that I'd like to see. Besides, it fits him well, he's nothing but human sewage.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before we go after the next Eco-Villain, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Then we heard noises coming from the garage.

Me: Whoa sounds like a lot of woodworking.

The mascots came back.

Ma'Ti: What are you guys buying now?

Poromon: We bought a $35.00 table and refurbished it. Take a look.

We went and saw the table!

WE SAW THAT IT WAS A BIGGER AND LONGER AND HUGE TABLE!

Me: WHOA! What a table!

Leni: I totes helped them with it.

Camie: It's beautiful!

Ymir: It sure is.

Maximum Ride: Look at the size of it!

Me: This is just what we needed too! With the number of us growing and all that we need one.

Nico: Wow! Great job guys!

Soundwave: It was cheap?

Poromon: Yep. We bought it at the discount furnature store.

Qin: And you remade it with tools and more.

Poromon: Yep.

Camie: Wow!

Zhuqiaomon: Too awesome and cool!

Lola: It sure is.

Camie: Awesome.

Blaster: We're still keeping our old one.

Me: We'll have to refurbish that one too.

Qin: Good idea.

Xenia: Yeah.

Poromon: We are going to make the old table into a table for the mascots. We're growing in numbers too and we need one too.

Camie: Good idea.

Ymir: Yeah.

Merrick: Make sure not to break it.

Poromon: We won't.

Slinkman: I hope it won't be like Lumpus's old table that was haunted.

Raj: (India Accent) Oh I remember that one. It was crazy.

Qin: Yeah.

Lola: Oh boy.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was our old enemy, Dr. Amelia Blight, and the bad news: she's restored The School and is back to causing havoc. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please, tell me that wasn't who I think we saw!

Lincoln: Afraid so, Eli.

Me: The time has come!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was our old enemy, Dr. Amelia Blight, and the bad news: she's restored The School and is back to causing havoc.

EVERYONE GASPED!

May: Are you kidding me?!

Ma-Ti: I knew she was next.

Max Ride: And she's restored The School?! Has she lost her mind?!

Lori Jimenez: I'm gonna make that bitch pay for what she's done, I'll make sure of it.

Suddenly, Lincoln also saw the sign of Apophis over the skies.

Lincoln: As if things weren't bad enough, Dark Sebastian's back for more, he's already causing havoc and destruction and he has some really nasty surprises in store for us especially when we use our entrance on Blight. He'll try and send demons at us and attack us with energy blasts and hellfire to try and kill us.

Selena Mendez: Damn him! And he's already pissed at us for what we did this morning humiliating him and killing my former parents, he's out of his mind.

Camie Elextor: Before we do our entrance, we need to cast a spell to destroy the surprises that evil monster your parents created and give him a taste of his own fucking medicine.

Qin: That's good, we'll send that monster flying back to Transylvania.

Nico: Which'll end with him spewing toxic death threats and explicit words at us. Alright, team, let's get going, Amelia Blight, your time is up, you bitch.

Lincoln: You're gonna pay for everything you've done, Blight, we're gonna make you pay for all of your crimes in full, especially for murdering Lori Jimenez's mom.

Nico: Yeah!

Ymir: What was the School?

Me: A research facility that Max and her friends escaped from. They were part of a terrible experiment called the Angel Project and they were treated like shit there. We destroyed all their experiments a while back and made them pay.

Nico: Yep. We sure did.

Lola: Yeah.

The previous group came.

Pied Piper: Can me, Living Laser, Trap Jaw, INSTIGATOR, Multiple Man, Boomerang, Knightbrace, Jack O Lantern, Ryugu Tamatebacco and Pterodactyl Ghost go with you guys?

Nico: Yes you all can come with.

Qin: Yeah.

Me: I do have a plan on how we're going to destroy the place.

Nico: What's the plan J.D.?

Me: We're gonna need LOTS of tons of high explosives.

Trap Jaw: I'm on it.

He called Firefly.

Then minutes later, Firefly came back with over 400,000 tons of super powerful high explosives!

Me: WHOA! That's perfect Garfield. Thanks.

Firefly: Anytime. This will make sure the School is gone for good.

Me: Perfect.

I sealed them into a scroll.

Smithers: Nico, which Gene Slammer do you think you'll meet next?

Nico: Rainbow Dark Dragon next.

Me: WHOA!

Qin: Scary!

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Twinrova from The Legend of Zelda, she's come back from the dead, and she wants revenge on us for killing her. When we saw it, we knew it meant trouble.

Lincoln: Are you kidding me?!

Me: Lincoln, was that...?!

Lincoln: Yep, the figure we saw in the vision orb was none other than Twinrova, she's come back from the dead, and she wants revenge on us for killing her again.

Sunset Shimmer: Honestly, she really has no sense of shame at all.

Lili De Rochefort: Well, that settles it, she's gonna die here and now.

Lincoln: That he will, Lili.

Nico: That's for sure, he's gonna pay for what he's done. Alright, team, let's go, time we put an end to Amelia Blight for good.

Lincoln: Dr. Blight, you've gotten away with your crimes for far too long, and there's only one way to put you down for good, we're calling forth the power of love to end your life and show that love will always triumph over hatred. Time to pay, Blight! And once we get done with her, you're next, Twinrova.

Lili De Rochefort: For too long, you have gotten away for so many of your crimes, Twinrova, this is where it all ends for you.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to finally destroy Dr. Amelia Blight for good, and once we get done with that hate-filled bitch and send that Satanic demonic monster, Dark Sebastian, flying back to Transylvania, Lili De Rochefort and Lincoln are going to destroy Twinrova and send her to The Black Abyss forever.

We were off. We went through a portal to the world of Maximum Ride and we were off.

We were flying.

Me: Wow look at this.

Pterodactyl Ghost: It sure is amazing.

Trap Jaw: Let's call Pterodactyl Ghost.

Pterodactyl Ghost: I'm already here.

Trap Jaw: Oh sorry.

Maximum Ride: We have such terrible memories of this place. We escaped for a reason from it.

Me: It's good you did Max.

Qin: Yeah.

Mai: We should use a Heart Blade for this

Me: Good idea. But before we attack we need to come up with a plan.

Nico: Good idea.

Maximum Ride: I know a place where we can formulate it.

We followed Max and she lead us to her cave.

Maximum Ride: This is the cave we lived in.

Me: Perfect. We can use this as our base of operations for this.

Nico: Great.

We went in and got ready.

Multiple Man: Time for me to make an army!

Me: Wait. We need to understand the lay of the land.

Multiple Man: Oh right.

I pulled up a holographic area map of the School area.

Me: Hmm.

Maximum Ride: Okay they have automatic machine gun turrets all over the outside perimeter. So we have to disable those and the security systems if we're going to make a good break in.

Eli: I can do that. I'll use the force to create an Electromagnetic Pulse Light Bomb.

Me: Good idea bro.

Qin: Yeah.

Dardemus: We should put a bomb at the entrance

Me: Well first we got to capture all the men and women there. We'll send them to prison.

Nico: Good idea. They aren't worth killing.

Me: We'll put bombs and explosives all over every single room and square inch of the building.

Nico: Great.

?: That's perfect.

We looked and saw an angel with PHOENIX ANGEL WINGS!

WE GASPED!

Lincoln: WHOA! It's Maximum Ride's Akuma, Mannia the Inferno Phoenix Angel. The Hypothetical Akuma of Maximum Ride and she is an angel of fire and the power of the phoenix and a powerful one. Here's the shocker. She is a good Akuma. She is an akuma fighting for the side of good. She is a powerful force of fire and good. She despises the atrocities of the School and wants to make sure they pay for their crimes by bringing them all to justice.

WE GASPED!

Me: WHOA!

Nico: An Akuma that's good!? Wow!

Knightbrace: Max? Is that you?

Mannia: Yes it's still me. But I am not like the other Akumas you all faced. I am a good Akuma.

Qin: Wow! That is so cool.

Gabriel: So not all the Akumas I made are evil.

Me: I guess there are some that abandoned their evil goals and vowed to protect people.

Nico: That is cool.

Marinette: That is cool.

Me: Usually we ask you to calm down and then we fight. But not this time.

Mannia: Yep. That's gonna be for Ma'Ti's Akuma that's coming.

Lincoln: That's Twilightheart Phantom. The Hypothetical Akuma of Ma'Ti and he is a ghost of the light of the sun and the darkness of the moon and has all the powers of Dusk and Dawn. He was made because of the Eco-Villains running amok and vowed to destroy them all.

WE GASPED!

Me: WHOA!

He showed us a sketch of him and he was a ghost with piercing red eyes and had one angel wing with the sun in it and one demon wing with the moon in it.

Ma'Ti: Wow! That is amazing!

Qin: Whoa that is fitting for Ma'Ti.

Me: Yeah it sure is

Pterodactyl Ghost: You can still be in our ranks

Mannia: Nah. I am Team Loud Phoenix Storm all the way. But thanks for the offer.

Pterodactyl Ghost: No problem.

Nelson: We appreciate it. But you can be on both teams too

Mannia: In know. Thank you. But my place is with you.

Nelson: Okay.

Me: You have a good heart.

Eli: Yep. But for now lets focus on our goal here.

But then...

KRABLAM!

Nico got hit on his head with a Pork Butt!?

Nico: OW!

Cow: A pork butt! I'm hungry!

Chicken: Me too! Where's the taters?

Pterodactyl Ghost: Who did that?!

Nico: YEAH! Who's the wiseass!?

Lola: I think that did it!

We saw a Dewgong!

Me: Cool a Dewgong!

Mannia: That one was throwing Pork Butts and Taters all over the place and they are tasty.

Chicken: They sure are.

Nico: What's the big idea?!

Cow: Wait let me see.

She used Telepathy and gasped!

Cow: (GASP) That's our sister Milly!

Chicken: The Pork Butts and Taters Queen and Happy Meat Queen and hater of the Red Guy!?

Me: WHOA!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: Lets go help her.

Me, Cow and Chicken went to face her.

Cow: Sis calm down!

Chicken: This is not good for yas!

All she did was charge at us and we dodged her.

Me: Okay we do this the hard way.

We fired eggs and milk and blasted her.

I snapped my fingers and she reverted back and was a girl with pink hair and blue eyes and had yellow angel wings and had Dewgong on her forehead and her cutie mark was a ham with fire on her arm. She also had an anti-Red Guy symbol on her arm.

We wrapped her in a blanket and brought her over.

Cow: That was cool. (MOOS)

She woke up.

Milly: (Groans) What happened?

Chicken: Yous okay Milly?

Cow: Yeah.

Milly: Cow? Chicken? Oh guys!

She hugged them.

Cow: Good to see you sis.

Chicken: Yeah.

Milly: I'm glad you are all okay.

Me: We are too. You were turned into a Dewgong by Dark Gale.

Milly: (GASP) I remember!

She was in a white suit and injected and in a flash of light and water she turned into a Dewgong and blasted out and ran.

FLASHBACK ENDS

Milly: It was awful.

Me: Well Dark Gale is gone for good.

Nico: Yep. What's your role in Sonya's team?

Milly: I'm the Explosive Pork Butts and Taters Master. I fire Pork Butts and Taters as bombs and destroy our enemies.

Me: Whoa that is potent.

Milly: Yep and outside the team I give meat at the school cafeteria in competition with the Red Guy who serves ketchup food.

Me: We know that feeling too.

Drillhorn: You know about Supercow, right?

Milly: I sure do. My sister is Supercow and she is great.

Cow: (LAUGHS) Yes I am.

Camie: Supercow?

Me: Cow's superhero form. She is gifted.

Camie: Nice.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new pink and red clothes and a meat sword.

Milly: I look awesome.

Me: You sure do.

Ryugu Tamatebacco: Let's set up the bombs now

Me: First thing's first.

A figure came and it was TWILIGHTHEART PHANTOM!

Me: That.

Ma'Ti: WHOA! My Akuma is scary!

Twilightheart Phantom: I sure am.

Lola: Ma'Ti, is that you?

Twilightheart Phantom: It's still me Lola.

Me: I guess calming you down is out of the question.

Twilightheart Phantom: It sure is.

Me: Okay then...

I fired waves of energy and blasted him all over.

Pterodactyl Ghost fired waves of energy and blasted him all over.

Twilightheart Phantom: My turn.

He fired waves of sunlight and moonlight and we deflected the blasts. I fired waves of energy and blasted him down.

Mannia: That makes up for it.

Me: Yep. And he is knocked down. NOW We can set up the bombs.

We went to the school!

We fired an electromagnetic pulse blast and disabled the systems. Then we bushed in and moving faster than lightning we set up bombs all over. We also captured all the men and women that worked there.

Ratso set up the first bomb.

Ratso: Set and armed.

We were moving fast.

We had bombs all over.

Nico: How we doing?

Me: 75% of the bombs are armed and ready.

Lola: How do we set them off?

I pulled out the detonator.

Me: Remote detonator.

Jack O Lantern: Let me add some of my bombs too

Me: Good idea.

We added all the bombs and armed them all.

Me: Armed and ready.

Nico: Excellent.

Lola: Yeah.

Me: I'll give the detonator to Pterodactyl Ghost for this one.

Pterodactyl Ghost: Thanks.

I did so.

Nico: Okay we're ready to go after Blight.

Disk Wars Magneto: Be on guard. There might be more guards

Me: Okay. Now we need that army.

Multiple Man: Great!

He made a lot of clones.

Boomerang: More guards are coming!

Me: TAKE THEM DOWN!

We blasted them all over the place.

Nico: That's that!

Qin: Yeah!

Nico: Alright, now we need to get after Dr. Blight.

Lincoln: But, first. Selena.

Selena Mendez: Got it.

Camie Elextor: Let's do it.

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Lorena Cavenstein, Solla Nexcrota, Kira Textington, and Gina Thunderton raised their staves as they chanted an incantation and we then saw the symbol of The Nightflame Sun appear in the sky and a magic circle appeared on the grounds where Verminous Skumm at as it glowed with purple energy as we saw it through a viewing window. Then, we saw the chaos erupt as beams of purple energy and magic were fired from nowhere and they forced out armies of demons and monsters that got destroyed in a split second. Dr. Blight saw it, and she let out a scream of rage and anger along with The School's minions!

The viewing window closed as we were laughing hysterically!

Me: HAH! Serves you right, bitch!

Nico: Okay, now we can do our entrance without any of Dark Sebastian's nasty surprises.

Me: Let's tear that bitch apart limb from limb.

We then took off, and we got there just in time to see Dr. Blight ranting, raving, and screaming and shrieking like a monster and our energy auras flared up extremely as we grew stronger from the toxic hate she has against us.

Nico: Okay, let's end this bitch once and for all.

Dr. Blight: (ENRAGED SCREAM) WHEN I FIND THAT BLASTED TEAM LOUD PHOENIX STORM, I AM GOING TO END ALL OF THEM! HOW DARE THEY GET IN MY WAY!

?: OH, SHUT THE FUCK UP, YOU BITCH!

Suddenly, the spirits of love appeared out of nowhere and they attacked Dr. Blight in total fury and that made her extremely pissed off even more! Then, the spirits converged and they crashed down and a massive explosion erupted as a Thunderbird Screech and Phoenix Cry was heard and we appeared, and this made Dr. Blight even more pissed off even more!

Me: You've got some nerve coming back from the dead, Dr. Blight.

Nico: I honestly thought we were finally done with you, especially after all the trouble you've caused to the Planeteers and Captain Planet. But, thanks to Dark Sebastian bringing you and the others back from the dead, that was basically crossing the line!

Lincoln: And you're also back to causing trouble once again, you really have no sense of shame at all, you're disgusting!

Dr. Blight: DIE! ALL OF YOU JUST FUCKING DIE!

Lincoln and I fired blasts of purifying love at Dr. Blight and she got burned badly!

DR. BLIGHT LET OUT ANOTHER SCREAM OF PURE RAGE!

Dr. Blight: YOU MISERABLE CRETINS! I WILL KILL YOU ALL!

Lori Jimenez: Seriously? You did this to yourself, Blight, and there's no way we're forgiving you for what you've done especially for causing Mom's death and all for your goddamn hatred, and we're going to make you pay for everything you've done.

Dr. Blight: (ENRAGED SCREAM) DARK SEBASTIAN, YOU ASSHOLE! YOU LIED TO ME! YOU SAID THEY'D STEP RIGHT

INTO YOUR TRAP ONCE THEY DID THAT STUPID ENTRANCE AND THEY WOULD ALL DIE!

Selena Mendez: Aha! I knew it, we already knew the insane dark side of my brother was behind this and that he'd forced The Dark Pact of Apophis upon you and the other Eco Villains.

We also saw it: Dr. Blight had a black snake tattoo with an inverted pentagram on his left arm: proof of The Dark Pact of Apophis.

Camie Elextor: Just like with the others.

Solla Nexcrota: Alright, Dark Sebastian, you better get out here right now! Your plan to get rid of us backfired on you, you insane monster!

?: (Demonic Voice) (ENRAGED SCREAM) YOU STUPID BASTARDS AND BITCHES! YOU'VE RUINED EVERYTHING! WHY CAN'T YOU ALL JUST DIE!?

Suddenly, we saw the symbol of Apophis: the snake surrounded by an inverted pentagram appear on the ground, and then, a tornado of pitch black and blood red darkness appeared, and once the vortex disappeared, in its place stood Dark Sebastian, but he had black hair, pale skin, red eyes and black sclera, black coat with red inlay, black dress shirt, black pants, and black boots and massive black demon wings with a wingspan of 6'666'0".

Nico: Dark Sebastian. I should've known you'd be here.

Qin: I can't believe you also forced The Dark Pact of Apophis on the bitch and the other Eco-Villains, you really have no sense of shame at all!

Nico's friends also spewed all sorts of nasty and disgusting names at him, and that absolutely pissed him off even more!

Dark Sebastian Mendez: SHUT THE FUCK UP, BITCHES! DIE! THIS IS FOR HUMILIATING ME!

DARK SEBASTIAN FIRED A BLACK AND RED ENERGY BLAST AT US TO KILL US, BUT LINCOLN REDIRECTED IT AND IT HIT DARK SEBASTIAN RIGHT IN THE STOMACH AND SENT HIM FLYING INTO A WALL! HE GOT BACK OUT, BUT THAT PISSED HIM OFF BIG TIME!

Dr. Blight: Hah, serves you right.

Dark Sebastian Mendez: (DEMONIC VOICE) WHAT THE FUCK DID YOU SAY?!

Dr. Blight was smug at Dark Sebastian's humiliation. But, her smugness was about to be broken big time as we saw the darkness blacken the skies.

Selena Mendez: UH OH, NOW YOU'VE GONE AND DONE IT!

Camie Elextor: HE'S GONNA USE THE DARK PACT OF APOPHIS' DARK POWER ON BLIGHT!

Dark Sebastian Mendez: (Demonic Voice) YOU GODDAMN BITCH! HOW DARE YOU SAY THAT TO ME! AND AS IF I'D EVER OBEY THE LIKES OF YOU, YOU AND THE OTHERS ARE NOTHING MORE THAN MY PLAYTHINGS TO USE AND DESTROY!

Dr. Blight: What did you just say?!

Dark Sebastian charged at Dr. Blight and he proceeded to slash at her many times with a demonic black broadsword and stab her in the stomach and legs and arms with a knife!

Dr. Blight: (SCREAMS IN AGONY)

Dark Sebastian: DIE! DIE! DIE! DIE! DDDDDIIIIIIIIIIEEEEEEEEE! (LAUGHING INSANELY AND DEMONICALLY!)

DARK SEBASTIAN WAS STILL MERCILESSLY ATTACKING DR. BLIGHT SLASHING HER AND STABBING HER AND HE WAS COVERED IN HER BLOOD AND HE WAS STILL LAUGHING DEMONICALLY AND INSANELY! THEN, HE DID THE WORST THING EVER!

SLASH! SCREAMS!

HE SLASHED OFF HER LEFT EYE AND MADE HER BURN MARKS EVEN WORSE BY BLASTING HER WITH THE BLACK FIRES OF HELL!

Gina Thunderton: THAT'S IT! LET'S SEND HIM BACK TO TRANSYLVANIA!

Selena Mendez, Camie Elextor, Wendy Sauron, Varie Yulinova, Solla Nexcrota, Kira Textington, and Gina Thunderton retaliated by firing blasts of Divine Darkness which hit Dr. Blight and undid The Dark Pact of Apophis and blasted Dark Sebastian off of her and that really enraged him, but Selena Mendez blasted Dark Sebastian with a blast of Divine Darkness and sent him back to Transylvania as he spewed toxic hatred and death threats towards us, but that made us grow stronger still.

Now, all that was left is to take down Dr. Blight.

Nico: Alright, now that the two-faced fucked-up snake is back in Transylvania, now it's your turn, you bitch!

Lori Jimenez: YOU WILL PAY FOR WHAT YOU DID BLIGHT!

POW!

She punched Blight in the face and kicked her in her stomach and punched her in her nose!

Me: Your ecovillainy ends now!

Lois Griffin: You should be ashamed of yourself!

Dr. Blight: I DON'T GIVE A FUCK YOU BITCH! THAT STUPID WRETCH HAD IT COMING! I KILLED HER AND I DON'T CARE!

Me: YOU PISSANT BITCH!

POW!

I punched her hard in her face and knocked out many of her teeth!

Nico: YOU HEARTLESS MONSTER!

Nico punched her in her nose and broke it!

INSTIGATOR: Have some of this!

He fired lasers and blasted her.

Eli fired waves of Force Lightning and electrocuted her.

Me: YOU MAKE ME FUCKING SICK BLIGHT!

Colla: YEAH! HATE!

She fired a beam of energy and it hit me and then it SUPERCHARGED ME!

Me: WHOA!

I went at her fast and punched and kicked Blight all over with extreme merciless fury!

I punched and kicked her brutally!

POW BIFF SMASH!

I kicked her in her face and knocked her down!

Dusk: Here's a guitar in your face!

KRABLANG!

She bashed her in her ace with it!

Qin: Take that!

Me: YOU FUCKING HEARTLESS MONSTER!

I fired waves of energy and blasted her all over!

Lori: I'm going to literally turn you into a garbage pretzel!

She went and tied Blight into a pretzel knot and she screamed in agony!

Lori then smashed her into the ground and pulverized her brutally!

Living Laser: Wrong Lori for this!

Me: Does it really matter?

Living Laser: I guess not.

Lori Loud: Wanted to help out.

Lori Jimenez: Thanks Lori. We got this.

Blight untied herself and bones were reset.

Blight then formed a dark energy sword!

Me: WHOA!

Lori Jimenez: I WILL KILL YOU BITCH!

She unsheathed the Star Saber!

They then clashed ferociously!

CLASH CLASH CLASH CLASH CLASH CLASH CLASH CLASH CLASH!

Pterodactyl Ghost charged at her and kicked her down.

Xerneas charged at her and fired waves of energy and blasted her down.

Xenia fired arrows and blasted her.

Milly: Like old times guys?

Cow: You know it! (TURNS INTO SUPERCOW) SUPERCOW AL RESCATE! AIYIYIYIYIYIYIYIYI! MOOO!

Milly, Supercow and Chicken: PORK BUTTS AND TATERS BOMB STORM!

They fired Pork Butts and Taters and Eggs and bombs and blasted her all over with massive numbers of fiery explosions!

Nico: TAKE THAT!

Mannia: My turn!

She fired a massive blast of fire and blasted Blight all over.

Mannia: You will pay for your crimes you monster!

Qin: Yeah!

Suddenly, the full moon showed itself, and then, we heard the sounds of loud howls in the air, and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 werewolves coming out of nowhere and they were heading for us, but Lincoln charged at them and he morphed the tips of his tails into Cell's stingers and he stabbed them into the chests of the massive numbers of werewolves, and one by one, he began absorbing them into his body and he assimilated their Superhuman strength, Enhanced senses, Super speed, Healing, Super Senses, Healing factor, Shapeshifting, Superhuman speed, Superhuman stamina, Superhuman durability, Massive muscle mass, virility, testosterone, Infectious bite and scratch, Disease immunity, Enhanced Speed, Immortality, Lie Detection, Empathy, Pain Transference, Memory Transference, Animal communication, Superhuman reflexes, Eolas, Ansin, Invulnerability, Lycanthrope enhancement, and Telepathy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the werewolves and Lincoln let out a loud and massive howl of dominance and power.

Lincoln: Alright, now we can take care of Dr. Blight.

Lincoln and the girls fired elemental hearts and they hit Dr. Blight and they exploded with incredible power and the power of love burned the hate-filled bitch badly!

Lincoln and his harem: Now, for the grand finale! We've had it with you, Dr. Blight! Time to pay for your crimes! HEART FINAL SMASH: ELEMENTAL HEART BLAST!

Lincoln and his harem fired elemental hearts right at Dr. Blight and they exploded on contact as they hit her and sent her flying into a wall. Then, Lincoln fired a blast of slime that bound Dr. Blight to the wall, and then, we got out of there. Then, Lincoln raised his left hand up into the air.

Lincoln: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Hinon Eternal Friendship Universal Cosmic Elemental Heaven Cosmos Storm Ultimate Harmony True Unbreakable Eternal Bonds True Immortal God Hero Thunderbird Buffalo Vampire Werewolf Mythological Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to finally put an end to this forever. HATRED AND SCHOOL EXTINCTION BLAST!

Lincoln fired a massive blast of rainbow, white, golden yellow, and blue energy into the air, and then, it split into a massive volley of rainbow, white, golden yellow, and blue energy that hit the Erasers and creatures loyal to The School all of them were obliterated except for the scientists who were put in the Enceladus Prison, and the final energy blast hit Dr. Blight, she was obliterated.

But The School, the building itself was still standing.

Me: Time to blow this popsicle stand!

We flew out of there!

Pterodactyl Ghost: Time to end this for good!

He pressed the button...only for nothing to happen at first.

Pterodactyl Ghost: (keeps pressing the button) Shouldn't the bombs be exploding right now?!

Nico: They should! Me and JD specifically made sure-

We then heard explosions.

Pterodactyl Ghost: Nevermind!

WE GOT OUT OF THERE AND THEN...

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION OF UNIMAGINABLE AND POWERFUL FORCE!

We saw the entire place explode with incredible force! And it destroyed for good, and Dr. Blight was sent to The Black Abyss forever along with the Erasers and creatures loyal to The School and the scientists.

We cheered as we holstered our weapons and powered down, and the new bodies, clothes, weapons, jewelry, Third Eyes, large gold halos with four large orbiting gold rings on each corner behind the heads, twenty-five large colored planets orbiting around the legs, twenty-five smaller colored planets orbiting around the waists, smaller planets orbiting around the fingers, medium sized colored planets orbiting around the wrists and ankles, and massive colored angel wings and twenty-four sets of large colored angel wings underneath the massive colored angel wings of Ma-Ti, Lori Jimenez, and Max Ride are permanent.

Ma-Ti: We did it, that's five down and three to go.

Lori Jimenez: And we did it, Mom, you've been avenged.

Nico: And we also destroyed The School along with killing the bitch.

Me: And I'm pissed that Dark Sebastian tried to steal another kill from us. (GROWLS) Now, I really hate that psychotic bastard even more!

Lincoln: We made sure to drive Dark Sebastian away and destroy Dr. Blight and The School for good, but this won't be the last time we deal with that psychotic lunatic. Now, there's one last thing to do and one last loose end to tie up: Twinrova.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of fire and ice and the fire and ice blasts were absorbed into us and it made us even stronger than ever.

Lincoln: (Caught the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here right now, Twinrova!

A figure came out, and it was none other than Twinrova.

Lincoln: I knew you'd show up here once more since you're among those resurrected by Morgana Midnight Sparkle, but you really don't know when to give up, do you, Twinrova.

Twinrova: I will destroy you for what you did to me! All of you will pay for what you did destroying me and for what you did to Lord Ganondorf!

Lincoln, Lili De Rochefort, Nico, and I went after Twinrova, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, blue and white, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Twinrova, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lili De Rochefort did the same by firing blue and white, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Lili De Rochefort, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Twinrova even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and twenty-four other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Twinrova, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Twinrova's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln morphed the tips of his tails into Cell's stingers and he stabbed them into Twinrova's chest, and he began absorbing him and he assimilated her Pyrokinesis as Koume, Cryokinesis as Kotake, Witchcraft, Merging, Mastery of sorcery, Flight on broom, Brainwashing, Teleportation, and Alchemy, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Twinrova except for her clothes and Lincoln drained Twinrova's soul of energy and banished her to The Black Abyss forever.

We cheered wildly as we holstered our weapons and powered down and Lili De Rochefort's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blonde wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, thirty-five large blue and white planets orbiting around her legs, thirty-five smaller blue and white planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized blue planets orbiting around her wrists and ankles, and massive blonde angel wings and twenty-four sets of large blonde angel wings underneath her massive blonde angel wings are permanent.

Lili De Rochefort: This is for everything you've done so long ago, Twinrova, may you suffer for eternity for your crimes. Thank you for helping me destroy Twinrova for good, Lincoln.

Lincoln (Smiles Warmly) You're welcome, Lili.

Me and Nico: Our pleasure, Lili.

Suddenly, Lili De Rochefort wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lili De Rochefort's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lili De Rochefort sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: That was an awesome job you did absorbing Twinrova's Pyrokinesis as Koume, Cryokinesis as Kotake, Witchcraft, Merging, Mastery of sorcery, Flight on broom, Brainwashing, Teleportation, and Alchemy, Lincoln.

Lincoln: And also draining her soul of energy and sending her to The Black Abyss for good.

Me: After what she did, death is what she deserves. So, Lincoln, who's the next girl we're meeting on your rescue tomorrow?

Suddenly, we saw the full moon glow and the symbol of The Harvest Moon appeared in the moon as we heard a wolf howl.

Lincoln: The Harvest Moon.

Winter Werewolf: And there's only one person whom we're meeting tomorrow: Melanie Harvest Moon, The Werewolf Angel of The Harvest Moon of September.

Me: The Werewolf Angel of September's Harvest Moon, whoa.

Selina Wolf Moon: I knew it was her, and you guys are going to love meeting her, Melanie Harvest Moon, Werewolf Angel of The Harvest Moon of September, is Lincoln's Guardian Angel from Michigan and she's an incredibly powerful werewolf of The Harvest Moon of September. Melanie Harvest Moon is a powerful master of the powers of blue wolf fire, darkness, The Harvest Moon, and all of the powers and rage of the werewolves, and over time, as she grew, she gained all of the incredible strengths and powers of the werewolves along with immortality. Melanie Harvest Moon is The Werewolf Harvest Moon Angel of The Wolf Moon Night Pack, a group of twelve girls whom Lincoln met and they each have the powers of The Twelve Elemental Wolf Moons, and she was saved by Lincoln who bit her and injected her with his excessively potent lycanthropy and vampirism after she got brutally attacked by Lori. Melanie trained Lincoln in mastering the powers of blue wolf fire, darkness, The Harvest, Moon, and the powers and rage of the werewolves, and he also gained all of the incredible strengths and powers of the werewolves, along with incredible levels of superhuman strength and he became as strong as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves and men combined along with incredible levels of incredible superhuman speed and he's able to run as fast as 999,000,000,000,000,000,000,000,000,000,000 packs of werewolves, plus it also enhanced his night vision, incredible superhuman senses of sight, smell, touch, and taste, and natural hunting instincts as well, and she found out Lincoln's a True Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she kissed him in his werewolf form on the muzzle and made out many times in his werewolf and he came back home all covered in kisses and his wolf tails were wagging like crazy. Lincoln made her a powerful claymore and gave her a wolf moon tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion and she wants nothing more than to maul her to death underneath The Harvest Moon!

Nico: And I can guess you did the same thing to her, just like with Selina.

Lincoln: Yes, I did.

Me: I still remembered that incident, and after Lincoln told me and Varie of what happened, well, let's just say it ended with Lori getting the thrashing of her life from the rest of her sisters.

Nico: For shame, Lori! For shame!

Goro: It was a delayed explosion.

Me: 5 second delay for some reason

Black Manta: Next time, you should fix that.

Nico: I'll make note of that.

Marionette Shadow: But at least those are two nightmares taken care of.

Me: Yep and the 5 major ecovillains have been destroyed.

Qin: Good riddance.

Me: 3 more left.

Metal Sonic: Let's celebrate!

Samon Shakekisutanchin: I'll make the salmon!

Me: I could go for some fish.

Nico: Me too. Great job today everyone!

Ma'Ti: (To the Viewers) This was an awesome adventure too!

Me: It sure was.

We returned home and had a great meal, and hours later, night fell on the city, and Lincoln headed to Lake Michigan and the full moon was out and he had his weapons holstered in case of trouble.

Lincoln: Ah, Lake Michigan sure is peaceful even at night.

?: (Beastly Voice) That it is, and you've made it just in time.

Suddenly, Lincoln caught the scent of a werewolf and as he turned around, he saw just who it was that sent him the letter, it was Felicia Lightning Moon, but she was in her werewolf form.

Lincoln: Felicia Lightning Moon.

Felicia Lightning Moon: (Beastly Voice) Yep. It's been years since we've had a moonlit date here in any of the lakes in Michigan.

Lincoln: That's true, it's been years since we had a moonlit date in any of the lakes in Michigan.

Then, Felicia Lightning Moon approached Lincoln and she placed her hands on Lincoln's massive pecs.

Felicia Lightning Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) Well, shall we rekindle that experience once again?

Lincoln: Who am I to refuse? Shall we?

Lincoln snapped his fingers, and the 10'0" handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Xenia Ghost Moon still enjoyed the sight even to this very day.

Then, Lincoln snapped his fingers and Felicia Lightning Moon was in a two-piece grey bikini with the symbol of the werewolf and Wolf Moon symbol The Musiqidandi Sisters and Zoey Tsukino made for her.

Lincoln and Felicia Lightning Moon dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, and then, as soon as they got back to the beach, Felicia Lightning Moon gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but she had also released some tension he'd been carrying.

Then, he did the same thing giving Felicia Lightning Moon a deep tissue massage, and when he was done, she was literally relaxed. Then, they had an awesome volleyball game, and they went into a workout area Lincoln created, and Felicia Lightning Moon got an extremely massive and deep atomic red blush on her face when she saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and she was really swooning over him especially when he started showing off by flexing his muscles.

Felicia Lightning Moon: (Beastly Voice) (Swooning) You're still the same tall, powerful, courageous, brave, and very strong warrior, True Alpha Vampire-Werewolf Hybrid, true gentleman, charismatic, rugged, manly, seductive, and handsome, and the same impressive satisfier of women and master of sex and lovemaking and you're still the same ladies man.

Then, Lincoln went up to Felicia Lightning Moon and he hugged her in his abnormally massive and powerful muscular arms, and Felicia Lightning Moon placed her hands on Lincoln's massive pecs as her breasts pressed against

Lincoln's chest and her stomach pressed against his twelve-pack abs.

And then, they shared a deep, passionate, and romantic kiss, and then, Lincoln pinned Felicia Lightning Moon to the sand as they continued their deep, passionate, and romantic kiss as she also wrapped her legs around his waist, and then, they separated.

Felicia Lightning Moon: (Beastly Voice) (Rubs Lincoln's massive pecs) And you're still the same romantic and passionate kisser. (Smirks) You ready for another intense and passionate lovemaking session once more, you hulking wolf stud?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Lincoln lifted Felicia Lightning Moon up bridal style and they came back home to The World Tree Estate and he placed her on his really extra large expanding bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Seductive Voice) (Smirks) Oh, you bet.

Lincoln used his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Next is Mizore's day to shine and we're going after Kuyo and for part 6 it's Hoggish Greedily.

See you all next time.

Earth Day 2024 Part 6 - Hoggish Greedily

Mizore and My day to shine. I am for a secondary reason though.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem, and he had a dark dream: apparently, his dream brought him to Yokai Academy, but as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place was a familiar figure: Okuto Kotsubo, the gym teacher that tried to molest Mizore, but not that far, he saw Anti-Monitor brought back my old enemy, Kuyo, once again to get revenge on me yet again! Lincoln woke up, and so did his harem and kids.

Lily the Mermaid: Linky, what happened?

Lincoln: It's not good.

Lincoln explained what happened, and they were horrified.

Mizore: You've got to be kidding me! That insane lunatic resurrected that asshole who tried to molest me, and not only that, but Anti-Monitor's resurrected Kuyo once again to get revenge on J.D. yet again!

Lincoln: Mizore, I'm not going to let that piece of shit, Okuto Kotsubo, try anything on you yet again. In the morning, we're going to tell everyone about this, and there's no doubt J.D. is going to destroy Kuyo once again, and when we get to Yokai Academy, I am going to kill Okuto. No one does this to one of my future wives and gets away with it.

Selena Mendez: We'll make that piece of shit pay with his life. But, after we get done with him and take care of The Anothers, we better hightail it back to The World Tree Estate because if that pervert werewolf finds us here, he's gonna...!

Lincoln: He won't, Selena. If he tries anything, I'm gonna beat him into the dirt, it's true he's a werewolf, but I'm a True Alpha Werewolf-Vampire Hybrid, and I outrank him in power, strength, speed, agility, reflexes, and everything.

Kurumu: That's true, and you're also a gentleman unlike that pervert. Ugh!

Lincoln and his harem and kids went back to sleep. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right. Guys, you might want to hold onto your seats for this one. Last night, I had a dream, and it brought me to Yokai Academy.

Lincoln went on to explain that as he was flying, he saw the mark of Apophis in the air and he knew Dark Sebastian was here. Then, he saw Dark Sebastian and the lunatic was saying a dark incantation, and then, a black magic circle appeared on the ground, and a massive tornado of darkness appeared. Then, as the tornado disappeared, what was in its place was a familiar figure: Okuto Kotsubo, the gym teacher that tried to molest Mizore, but not that far, he saw Anti-Monitor brought back my old enemy, Kuyo, once again to get revenge on me yet again!

WE GASPED!

Nico: Un-freaking-believable!

Me: It's bad enough Dark Sebastian's brought Okuto Kotsubo back, but Anti-Monitor has also brought Kuyo back once again to get revenge on me yet again?!

Varie: Unbelievable. First, we're going after Okuto and we're going to send him straight back to The Black Gates.

Lincoln: No, Varie, this time, he's not going to do this to Mizore ever again. There is only one place that bastard is heading: The Black Abyss.

We saw it in Lincoln's eyes: the white and blue heavenly flames raging around his deep sapphire blue eyes: he was going to get justice for Mizore by killing her.

Qin: He's serious, he's not out for blood, he's out to get justice for Mizore.

Me: That's for sure. If there's one thing I hate, it's a pervert and potential rapist like him. We're going down to Yokai Academy, and we're gonna rip Okuto Kotsubo to shreds, and later on during our main mission, I'm gonna destroy Kuyo once and for all, and I'm going to send his ass straight to The Black Abyss forever!

Nico: Looks like we got a plan for today.

Suddenly, the symbol of The Nightflame Sun, the black flame sun, appeared, and a tornado of black fire and Divine Darkness appeared, and when it faded, there stood a girl with short black hair, purple eyes, black clothes, massive black angel wings, the symbol of The Black Flame Sun on her stomach, forehead, and right arm, and she has a staff in her hand.

Lincoln: (GASPS) Xenia Vola Dappra, Crystal Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness.

Qin: I knew she'd be here, I just knew it.

Nico: It's awesome to see you again, Xenia.

Me: Lincoln, you, Nico, Qin, and their friends know her?

Lincoln: Indeed we do, J.D.

Nico: Yep, everyone, this is Xenia Vola Dappra, Crystal Mage of Darkness of The Hunters of The Nightflame Sun and Master of The Nightflame Sun and Divine Darkness, she's Lincoln's Guardian Angel from Michigan, and she's a very powerful Guardian Angel of Darkness and Dark Crystals. She's The Crystal Master Mage of The Hunters of The Nightflame Sun, a group of bounty hunters that go after the most dangerous dark magic users in the world, and their goal is to bring down Selena Mendez's insane older brother, Sebastian, and make him pay for all his crimes. Nyx, The Greek Goddess of the Night called on her and gave her and her team the powers of Divine Darkness and their mission is to bring down Sebastian and the most dangerous dark magic users ever. Xenia Vola Dappra hates Selena's evil demonic insane brother, Sebastian, not just for what he's done, but he also murdered her parents in cold blood and sacrificed her younger twin sister, Xena Vola Dappra, in a

Satanic ritual, and she swore she'd kill him if he ever got out of that insane asylum. But, when news about him breaking out thanks to The Order of The Dark Universe got out, she and the others were immediately assembled by Nyx to bring him down and end Sebastian's reign of terror. He and his followers better beware because the Hunters of The Nightflame Sun are coming for them! She met Lincoln and she also helped him master the powers of Divine Darkness and earth, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful dark magic staff, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lincoln's enemies with a vengeance and vowed to kill them all.

Me: Oh man. So, like the others...!

Nico: Yes, Selena's friends have lost their parents when Sebastian killed them in cold blood and their younger sisters were sacrificed in Satanic rituals, and all of them despise Sebastian for what he did.

Qin: Lincoln and J.D. separated Selena's brother from the black slime that made him into what he was, and it was the embodiment of his evil and more.

Selena Mendez: And unfortunately, I found out about the dark detail hidden from me about Mom and Dad, that they were Satanists and that they were part of The Dark Church of Malphas and they were going to bring Malphas to Earth and destroy us all. They did a terrible spell, but that backfired and it released The Black Ooze of The Eldritch that went into Sebastian and it possessed him and made him what he was after it killed them.

Xenia Vola Dappra: What?

Varie Yulinova: It's true, Xenia, and Selena was granted dark powers by the Nightflame of Nyx and how she became The Leader of The Hunters of The Nightflame Sun, and the spell her parents did not only backfired, but it also killed them and Sebastian became that and he was doing all of that against his will.

Xenia Vola Dappra: The Black Ooze of The Eldritch did this. So, we got to destroy it for good.

Selena Mendez: No, I'm going to destroy it, Xenia. This thing turned my brother into that demonic murderous lunatic, and by my hand, will it be destroyed.

Lyra Hikari: And you know, Trudy and the twins were right to have attacked him like that, same with all of you as well, and he's still everything Elly said about him in the past that he's far worse than the tyrant who led The Saiyans down the road into darkness.

Buster Bunny: And with what he's done, it won't be long before we finally get rid of that heartless, soulless, remorseless, murderous, monstrous, backstabbing two-faced snake.

Plucky Duck: Calling him all that? Come on, Buster, surely you can call him far worse than that.

Lincoln: Not unless you want the newborn children of me and J.D. to hear it, Plucky.

Nico: He's right. We already had to put a muzzle on Fowlmouth to keep that toxic waste he calls a beak from running.

We saw it: Fowlmouth had a muzzle on his beak.

Mizore woke to see Mega Articuno staring at her

Mega Articuno: Morning Mizore.

Mizore: Oh morning Mega Articuno.

Mega Articuno: Time for breakfast.

Mizore: Oh boy it must be my day to shine.

ZOOM!

She went and got dressed and we were having eggs and ham.

Eli: So, who's the next one we're meeting first thing tomorrow morning?

Lincoln: The last Hunter of The Nightflame Sun that we're meeting tomorrow morning is Tania Tornadora, The Weather Mage of Darkness, she uses the powers of weather and darkness.

Lucy: Her power over weather and Darkness is that powerful, no one was able to defeat her.

Lincoln: It'll be great seeing her again tomorrow. Now, let's finish breakfast and head to Yokai Academy.

Nico: And kill Okuto Kotsubo and send him to The Black Abyss.

Mizore: Oh, before we do, I have an announcement. Lincoln, I...I'm pregnant!

Dark Magician Girl: Same with me, I'm pregnant!

WE WERE STUNNED WITH AWE AND THEN, WE CHEERED INCLUDING LINCOLN AND SYRUS!

Lincoln: (REALLY HAPPY) You're...pregnant?! Oh, Mizore!

Syrus: Alright!

Lincoln and Mizore hugged and kissed, same with Syrus and Dark Magician Girl, and then, we finished our breakfast, and we set out to Yokai Academy to hunt down Okuto Kotsubo and send him along with Sergio's thugs to The Black Abyss.

Me: Good to be in Yokai Academy again.

Qin: It sure is.

Mizore: I've missed coming here too.

Camie: Same here.

Ymir: This is amazing that this is here.

Me: Yep. Yokai Academy is a place where creatures of myth, legend and folklore come and learn how to adapt among humans.

Mizore: It's true and I'm a Yuki Onna or a Snow Woman and it's good I came here.

Qin: Yep.

Laney: We all thought this was an amazing place.

Camie: Yep.

Varie: My sister Tamao went here too. She loves it.

Lola: she sure does.

Toad Man: Yeah.

Nico: Toad Man, I want to thank you, Storm Owl, and your teams for coming

Toad Man: No problem Nico. This is gonna be fun and cool!

Tsuyu: I'm looking forward to this too.

Hops croaked in agreement.

Lana: Hops is excited about this too.

Me: Yep.

Nico: (sighs) Dammit, Hops. I wish you could talk

Lana: I know you would like that Nico. But Hops can speak through me.

Me: That works. Nico I've known Lana and her pets for a long time and she loves them all.

Lana: It's true. I love all my pets so much like Fluttershy does.

Fluttershy: That is really amazing.

Lilja: (Icelandic Accent) It sure is.

Nico: I agree there.

Hops croaked.

Lana: Hops said that he is happy that he agrees there as well.

Nico: Cool.

Maria: Maybe one day, we can find a way for Hops to talk

Me: Yeah.

Qin: That would be cool.

Xenia: It sure would.

Nico: Yeah.

Me: Wow! Yesterday was epic.

Lola: It sure was! We killed Dr. Blight and destroyed The School too in Max's world.

Camie: We sure did.

Me: And Avenged Lori's mom too.

Nico: I really got to fix that detonator.

Me: Yeah we can't have anymore delays when it comes to explosives.

Camie: Yeah I agree there.

Qin: It took 5 seconds to detonate.

Nico: We can't have that anymore.

Me: Yep. And we battled Ma'Ti's Akuma who was a ghost of the Sun and the Moon. Also we met Max's Akuma who shockingly didn't want to fight us.

Storm Owl: Hey, she's more then happy to be with you guys and us.

Me: That's true.

Nico: Yeah.

Qin: But also as a great victory we destroyed the bearers of the Rings of Destruction.

Me: Yep. All that's left is me. I am the bearer of the Ring of Lightning and there is no destruction ring for me. But I have a feeling we'll battle another Akuma for me. As well as the next Ecovillain.

Camie: Yeah.

Nico: You're right on that. But we'll be ready for it.

May: Admittingly, Blight was just a secondary target. It was the School that was the main target.

Me: Yep. And Mizore has her day so we'll find out soon who is coming.

Qin: Yep.

Me: By the way Mizore, congratulations to you and Dark Magician Girl.

Mizore: Thanks guys. (Puts hand on belly) I'm so excited too.

Me: We'll have to go to the doctor after the mission today.

Nico: I hope the baby will be unharmed.

Me: Nico it'll be okay. Also Mizore is the second of the Yokai Academy Alumni to get pregnant.

Camie: Yep that's right! Kurumu was first.

QIn: And also Dark Magician Girl is the first Duel Monster with us to get pregnant too.

Xenia: That is a first.

Jaden: We're really excited! That will make me and Alexis godparents right?

Me: Yep but it's not my decision. It's Syrus and Dark Magician Girl's decision.

Qin: Yep.

Nico: But I'm sure he won't mind.

Me: Yeah.

Nico: We'll worry about that later though.

We walked around Yokai Academy.

Nicole: I hope Ginei isn't causing trouble. If he is I'm going to make sure he gets slugged in the face big time.

Ymir: Ginei?

Nicole: Oh his name is Ginei Morioka and he is a werewolf and he is what we call the Super Pervert of Yokai Academy. I hate perverts and I mangle them up to enforce the safety and dignity of women everywhere.

Nico: He isn't a concern right now

Nicole: No but it can't hurt to get him mangled up.

Nicole pointed to a window and Ginei was peaking into the girls locker room.

Nicole: That little puppy.

Nicole picked up a rock and threw it.

WHOOSH! BAP!

Ginei: OUCH!

He lost his balance and then...

CRASH!

He crashed through the window and then the girls all screamed.

Me: (LAUGHS) Now he's in for it!

The Girls went ballistic apeshit all over him and pulverized him brutally!

SMASH WHAM BIFF CRASH SMACK WHAP CRUNCH WHOMP BAM BAP ZOWIE THWACK KATOW, ZONK SLAP!

WE LAUGHED HYSTERICALLY AT HIM BEING MANGLED LIKE THAT!

Me: (LAUGHS) That is always funny!

Nicole: Yeah!

Nico: Let's let them work this out.

Lincoln: Okay, guys, we're in for one scary and brutal battle, we're here at Yokai Academy, and just as my dream foretold last night, we're here to battle Okuto Kobutso, the gym teacher that tried to molest Mizore!

The rest of the team's with us.

Varie: I can't believe Okuto is back. Dark Sebastian, you've got some nerve!

Mizore: We'll make sure he dies here and now.

Lincoln: But, not before I make that monster feel absolute pain for what he tried to do to Mizore.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio has sent some hired thugs to kill us.

Lincoln: Sergio, why you little...!

Nico: Sergio again?

Lincoln: Yes, he's sent his hired thugs after us.

Me: I thought they...!

Sly Cooper: Afraid not, the thugs were completely stupid and they forgot that Sergio was going to backstab them, and they went back to being his hired thugs.

Nico: Unbelievable, well, we'll run into Sergio's thugs along with another of your cousins, Sly.

Ed Cowart: Right.

Lori: That bird is literally getting on our nerves.

Ronnie Anne: Now, you know what Bobby and the rest of us had to deal with from Sergio. Right now, we got a potential rapist to get rid of.

Lincoln: Let's get going.

Nico: Right.

Ymir: Who is Okuto Kobutso?

Me: Oh he's the gym teacher here at Yokai Academy. He tried to molest Mizore long ago and we are really pissed at him. He's a Kraken, the Legendary Sea Monster out of Nautical Myth. Sailors told stories about them.

I went over his history.

Okuto Kotsubo is the physical education teacher at Yōkai Academy and a kraken. Mizore Shirayuki once confessed to Kotsubo that she liked him and he tried to take advantage of her, thus she froze him. When he returns, he effortlessly attempts to pin the injuries of two students on Mizore to have her expelled and tried to kill her. With the help of

Moka Akashiya's blood infusion and the borrowed vampire power, Tsukune Aono soundly defeats him and exposes the truth to the whole school.

When I was done everyone was shocked!

Mizore: And looking back I don't know what I was thinking liking him.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: This is it.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln turned the tips of his eleven massive and long brown wolf tails into Cell's stingers and they went through the portals and they came out of the portals and stabbed them into the massive pecs, necks, arms, and legs of Hawk and Hank. Then, Lincoln began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank was being absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and twenty-four sets of large white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team as our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings and other sets of large angel wings underneath our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln was done and the stingers retract themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into the portals as they closed and they changed back, we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa, that Min's Egyptian Virility Drain Curse Lincoln put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever!

Lincoln: I knew increasing the strength and potency of my Min's Egyptian Virility Drain Curse on those two was a good idea. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Okuto Kobutso) Gotcha! Time to die, bastard! I've just spotted Okuto Kobutso, he's 20 yards away, but he's coming after us right now.

Nico: Time to put an end to this asshole.

Tommy Himi heard a Pokémon cry

Tommy Himi: Look guys!

We saw a Lopunny!

Me: Cool a Lopunny!

Dawn: Awesome! Looks like my Buneary is gonna have a friend.

Tommy Himi: Yep.

Lopunny: This is an amazing place.

Tommy Himi: It sure is. Here.

He gave her some apples.

Lopunny: Thanks.

She ate them.

Nico: What do you think?

Lopunny: Aweosme and good.

Tommy Himi: Cool! Want to come with?

Lopunny: Sure!

Qin: Awesome!

Me: Yep.

Lana: Hey guys look!

We saw an Arcanine!

Me: Whoa an Arcanine!

Nico: What's that doing here?

Me: No idea but this is cool. WHOA! I'm sensing an enormous energy from it.

Jean Grey: Me too. I wonder.

She used her Telepathy and then gasped!

Jean Grey: That's my sister Penelope!

Professor X: (British Accent) My god! I can't believe Lady Firebird is here.

Mystique: She's one of us.

Me: So she's a mutant. Wow this is gonna be interesting.

Cyclops: She's a powerful member of the X-Men and a very talented member of the Xavier School for Mutants. Also a very strong advocate for Mutant-Human Equality Rights. She was also born with fire and phoenix powers and also the younger sister of Jean Grey. She is also one of the most powerful mutants ever and even 500,000,000 times more powerful than Magneto.

WE GASPED IN SHOCK!

Me: WHOA! A mutant that's that strong!?

Qin: Amazing!

Horsea: Cool!

Me: She would definitely give Apocalypse and Magneto a run for their money! But Apocalypse was given the Black Abyss and Magneto is with our Frenemies.

Nico: Yep.

Me: Lets go help her Jean!

Me and Jean went to face her.

Jean: Calm down Penny! It's me Jean!

All she did was use Overheat and fired a MASSIVE BLAST of fire at us and we absorbed it and it made us stronger than ever!

Qin: WHOA!

Me: GEEZ! That is hot! Looks like we do this the hard way. But Jean try using your powers on her.

Jean: Okay.

Jean used her telepathy to contact her.

Jean: Penny it's okay. Concentrate and control this power in you. You can do it.

Arcanine then did so. Then she reverted back and got red hair and red eyes and fire angel wings and tail feathers and had red and orange clothes and had Arcanine on her forehead and skirt and shirt and had an X-Men belt buckle and had a Phoenix Sun and X-Men Symbol cutie mark and had a Phoenix Sword!

Penelope Grey: (Groans) Whoa! What a rush. Jean?

Jean Grey: Hey Penny.

They went and hugged!

Me: Awesome!

Jean brought her over.

Nico: You're not naked?

Penelope Grey: No thank goodness. When I reverted back my clothes came back too. And yes I know it all. I was transformed by Dark Gale.

Me: Yeah and you aren't the only one. But you'll be happy to know that Dark Gale is gone for good.

Penelope Grey: Thank goodness.

Me: Also humans and mutants no longer hate each other. They are now working together.

Wolverine: It's true kid.

Me: And you have me to thank for it.

Penelope Grey: Wow! How did you do it?

Me: Lets just say that I gave everyone a really good reprimanding. And thanks to that they put aside their differences and are working together.

Storm: It's all true Penny. J.D. and his friends have helped all of us step out of that shadow forever.

Rogue: That is for sure sugah.

Penelope Grey: I'm so glad.

Me: Yep.

Nico: Remember how you got Gene-slammed?

Penelope Grey: I sure do.

She concentrated and showed a memory projection of it. She was in an orange suit and we saw her get injected and in a burst of fire she turned into an Arcanine and busted out after blasting the base all over. It was done showing.

Jean Grey: She knows how to use Memory Projecting like I do.

Me: Wow! That is cool!

Jubilee: It sure is.

Me: Yep.

Nico: And we defeated Apocalypse.

Me: Yep. He was no match for our power.

Penelope Grey: That's incredible!

Me: It sure is.

Penelope Grey: I can tell and also my role in Sonya's team is that I am the Flamemancer. I use my powers over fire to incinerate my enemies. Outside I work to help my fellow mutants bring peace between humans and mutants.

Me: Well it appears we already did that for you a while back.

Nico: We sure did.

Poromon: It's true.

Penelope Grey: I'm glad. Thank you all.

Me: Anytime. Now the fun starts.

Nico: You read my mind.

We then took off into the air to destroy Okuto Kobutso and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, but then, we saw our target: OKUTO KOTSUBO AND HE WAS AFTER MIZORE AGAIN!

Lynn: There's that rapist right now!

Okuto Kotsubo: YOU'RE MINE, BITCH!

Lincoln: GET THE HELL AWAY FROM MY PREGNANT FUTURE WIFE, ASSHOLE!

Suddenly, one of The Elemental Beast Cards of Myth came out of Lincoln's 28th Century Miracle Box Backpack: it had The Mermaid surrounded by waves of water on the front and it went onto Lincoln's massive greatsword which he unholstered from his back and the 9'6" massive, wide, double-edged gold blade was surrounded by water.

Lincoln: I CALL UPON THE POWER OF THE MERMAID OF EUROPEAN MYTH! DROWN IN THE SEAS FOR YOUR CRIMES, OKUTO KOTSUBO!

Then, Lincoln swung his massive greatsword and fired massive waves of water with a mermaid riding on it that hit Okuto Kotsubo and he couldn't even fight back, and he got hit and drenched hard and was sent flying into a wall and the card returns back into his backpack.

Sakura Avalon: Whoa!

Li Syaoron: It's just like The Water Card.

Then, Mizore fired a wave of ice that froze the water and froze Okuto Kotsubo in his place only for him to burst out and we landed.

Varie: Dark Sebastian has gone way too far bringing you back from the dead, you goddamn rapist!

Tsurara: I knew all along you were behind this! I'm so glad Mizore's with Lincoln, at least, he treats her not only with respect, but he's also a gentleman too, unlike you, you pig!

Okuto Kotsubo: SHUT THE FUCK UP, BITCH! ALL OF YOU WILL DIE AND THE ICE BITCH WILL BE MINE!

Lincoln: GO TO HELL, YOU PIECE OF SHIT!

POW!

LINCOLN PUNCHED OKUTO KOTSUBO HARD IN THE FACE, THEN...!

SQUELCH! SCREAMS!

LINCOLN THEN GOUGED OUT HIS RIGHT EYE WITH HIS LEFT HAND!

Mizore: OH! BRUTAL!

Miyumi Shirayuki: Jeez! Mizore, your future husband sure knows no mercy towards perverts and rapists!

Kurumu: And it's about to get even uglier!

Me: Yep.

I went over to him and kicked him in the face.

Me: You will never get to Mizore you jerk! Also you should know some things Okuto. I've read a lot of stories about the legendary Kraken and how it destroyed entire ships and more. The Kraken was a dangerous monster.

Okuto: Then you know what I am capable of.

Me: That's right. Because we battled a Kraken in Norway long ago. That one put up a fight.

Lopunny charged at him and blasted him with an ice beam blast and froze.

?: YEAH! Take that!

We then saw a girl with red hair and red eyes and had orange and red clothes come.

Emiyo Akiko: I am Emiyo Akiko. And I've had it with this guy too.

She flared up a fire aura and sprouted a snake tail.

Me: WHOA!

Brittney: (GASP) WHOA! You're a Boitatá, the Fire Serpents of Brazilian Folklore.

Me: WHOA!

Emiyo Akito: That's right and I hated what Okuto did to Mizore and that is awful!

Me: It was!

Mizore: Thanks Emiyo.

Emiyo Akito: Anytime. FIRE SERPENT FIRESTORM!

She fired a blast of fire and it formed into a ferocious fire snake and blasted Okuto all over!

Orion got out his Gashat.

Orion: Time for the Six Rangers to bring justice!

He activated it.

Zocks: Lets dance! (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Will and the Mascots danced to his singing.

Will: We love that song!

Poromon: YEAH!

Orion and Zocks: GOLDEN GOKAI BLAST!

They fired waves of energy and blasted Okuto all over!

Nico: Take that!

THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Out of a thunderstorm came a girl with purple hair and blue eyes and had purple and yellow clothes and had angel wings surging with intense lightning and crackling with thunder and she had a thunderbird in the middle of her forehead.

Emily Thundercrow: I'm Emily Thundercrow and this jerk will pay for his crimes.

Brittney: Wow! You're the Thunderbird of Native American Myth.

Emily Thundercrow: That's right and I am lightning in pure form. LIGHTNING WING THUNDERSTRIKE!

She fired a massive blast of lightning from her wings and it hit Okuto and electrocuted him all over the place!

Me: WHOA! Shocking!

Orion: I'll say!

Jake Holling: So is this!

Orion and Jake: MEGAFORCE FURY BLAST!

They fired waves of energy and blasted Okuto all over!

Emily Thundercrow: I hated Okuto because of his violent personality and the rules he uses for this!

Me: I don't blame you.

Rinoa: I think it'll be good to unleash the light.

Orion: Lets do it.

Orion and Rinoa: LIGHT WING BLAST!

They fired waves of light and energy and blasted Okuto all over!

Then Okuto transformed and revealed his true form! HE WAS AN UGLY AND HORRIFYING KRAKEN!

Me: WHOA!

Qin: UG-LY!

Okuto: You know what's dangerous about us Kraken? We have intense strength and power!

He sent tentacles at us and I slashed them all over the place and blasted and cut them all over.

Jimmy got out his Gashat.

Jimmy: Wanna wrestle huh!?

He activated it.

Clyde: Lets age him!

Jimmy and Clyde: TIME BEAM BLAST!

They fired waves of energy and it hit him and turned him into an old man!

Me: NICE!

Okuto released a NASTY LOUD FART!

Me: WHEW! Better lay off the prune juice buddy!

He growled!

?: That is for sure!

Out came a girl with aqua blue hair and green eyes and had blue clothes and had the symbol of Jörmungandr on her arm.

Carol Anne Thorfinnsson: (Norwegian Accent) Carol Anne Thorfinnsson, and I hated this monster and the Lizardmen jerks for all these rules.

Me: Nice!

She flared up a water aura and a Jörmungandr appeared in it.

Brittney: WHOA! You're a Jörmungandr!

Me: The Midgard Serpent of Norse Myth!

Carol Anne Thorfinnsson: That's right. Watch this. MIDGARD WHIRLPOOL BLAST!

She fired a wave of intense water and blasted him all over.

Me: She was talking about Takeshi and his goons. Glad she stood up to those clods.

Sage got out his Gashat.

Okuto tried strangling Mevya

But Mevya was too slippery.

Mevya: Nice try!

Kevin bashed his face in with a mace club!

Kevin: Hands off my fish!

Qin: YEAH!

Suddenly, Lincoln let out a growl as his abnormally massive and powerful upper and lower body muscles bulged even

more and veins formed on his body and his deep sapphire blue eyes and rainbow iris of his Third Eye remain the same, but the pupils turned into slits, his fangs grew longer and his rows of straight teeth remained the same, his massive white angel wings and twenty-four other sets of large white angel wings underneath his massive white angel wings remained the same, his eleven massive and long brown wolf tails and large brown wolf ears remained the same, his long wild rainbow hair going down to his upper back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair became wilder and his large gold halo with four large orbiting gold rings orbiting the corners behind his head turned dark blue, and he let out a loud howl as he transformed into Lincoln The Nocturnal!

Lincoln: (HOWLS AS HE BEATS HIS CHEST LIKE A GORILLA)

Varie: I knew he'd resort to that as well!

Lincoln: (Beastly Voice) You should've never returned from the dead, Okuto! Now, I'm gonna rip you apart and tear your head right off of your body!

Then, another Elemental Beast Card of Myth came out of Lincoln's 28th Century Miracle Box Backpack: it had The Werewolf surrounded by darkness and howling under The Full Moon on the front and it went onto Lincoln's massive greatsword and the 9'6" massive, wide, double-edged gold blade was surrounded by moonlight and darkness.

Lincoln: (Beastly Voice) I CALL UPON THE POWER OF THE WEREWOLF OF ANCIENT MYTH! MAUL YOUR VICTIM TO PIECES!

Then, Lincoln swung his massive greatsword and fired a massive wave of darkness and moonlight and a werewolf formed and it began mauling Okuto Kotsubo and when it was done, the bastard had claw marks on his face and body and the card returns back into his backpack.

Eli: That'll teach him!

Lincoln: (Beastly Voice) He's not done yet!

Suddenly, Okuto Kotsubo transformed into his true Kraken form!

Varie: Figures.

Lincoln: (Beastly Voice) You piss off a monster that much, then they reveal their true form. Now, this is where the real action begins.

Suddenly, the full moon shined down, and Lincoln's rainbow, white, golden yellow, and blue energy aura flared up extremely as he gained a massive power boost, and he was continuing to grow even stronger because of the infinite power of the full moon and the sun.

Nebula Lanaia: Whoa, Lincoln's growing stronger and stronger still, how is this...?! (GASPS) The infinite power of the full moon and the sun!

Suddenly, we saw the marks of The Wolf Moon, The Storm Moon, The Wild Moon, The Fire Moon, The Mirror Moon, The Ghost Moon, The Lightning Moon, The Harvest Moon, The Blood Moon, The Oak Moon, The Frost Moon, The Super Moon, and The Lunar Eclipse on Lincoln's back glowing, and he was suddenly growing even stronger still.

Nico: What the?! What's happening?!

Suddenly, Lincoln placed his left hand on Nico's shoulder and he had a gentle smile on his face.

Lincoln: (Beastly Voice) It's okay, Nico, this is natural for me, since I became a True Alpha Werewolf-Vampire Hybrid along with being named The True Alpha Werewolf Angel of The Twelve Elemental Wolf Moons, I not only have the powers of The Twelve Elemental Wolf Moons, but I also have the power of the two Wolf Moons: The Super Moon, resulting in extra powerful & aggressive hulked out werewolves who are at their most powerful, and The Lunar Eclipse, which means I have the natural power to not only take the powers of evil Alpha Werewolves and other Werewolves and make them my own, but I also have the power to cure them underneath The Lunar Eclipse and get them back to normal.

Me: Whoa. That's unreal!

Kibal: But, it's all true. Which means, Lincoln accepted both the vampire and werewolf inside of him and they merged with him and he became what he is now.

Lincoln: (Beastly Voice) This is where you die here and now! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: (Beastly Voice) I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your friends for you will not live much longer.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive muscle mass, massive physical strength, virility, and testosterone, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and twelve sets of large white angel wings underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (Beastly Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss forever.

Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and Lincoln snapped his fingers, and as soon as he did, orbs of rainbow energy with elements appeared surrounding Sergio, and then...!

LINCOLN SENT THE ORBS AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK AND HE GOT HURT BAD!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, Sly Cooper, and Rayman went after Okuto Kotsubo, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, blue, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed and punched at him with their massive greatswords and gauntlets and greaves leaving scars on him.

Okuto Kotsubo: YOU...! YOU!

POW!

LINCOLN KNOCKED OUT OKUTO KOTSUBO'S TEETH WITH A MEAN NASTY LEFT HOOK!

SLASH! SLASH!

THEN, HE SLASHED OFF OKUTO'S TENTACLES AND HE SCREAMED IN PAIN!

Lincoln: (Beastly Voice) Not another word, you filthy rapist.

Suddenly, Lincoln's eleven massive and long brown wolf tails went at and grabbed Okuto's tentacles and devoured them, and then, Okuto's tentacles sprouted out of Lincoln's back and they're behind his massive white angel wings and twenty-four sets of large white angel wings underneath his massive white angel wings, and he used them to beat the shit out of that rapist!

Me: Awesome!

Then, they sank back into Lincoln's back.

Lincoln: (Beastly Voice) Alright, let's put an end to this bastard once and for all! Caleb, Cage, Travis, Gabriel, James, get him!

But then...

WHOOSH!

A figure swooped in and swiped their loot.

Sergio Thug: Our loot!

?: (Dutch Accent) Ja you mean MY loot!

We saw the next member of the International Clan of The Coopers!

Lincoln: Annika Jansen Cooper! Wow!

Annika Jansen Cooper: Ja good to see you again Lincoln!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Annika Jansen Cooper, The Astral Ace Pilot of The Sky of The International Clan of The Coopers, she's Lincoln's Guardian Angel from The Netherlands and an amazing ace fighter pilot and is very skilled in flying many planes and more. She knows all about how to use planes to steal from her targets and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from The Netherlands and she helped him on lots of dangerous jobs. She's known as The Astral Ace Pilot of The Sky because she has this amazing power to make an Astral image of herself that can't be seen by anyone and it swoops in unnoticed and swipes her targets valuables. She steals from criminals and dangerous competitors. She is also the champion of A.C.E.S. and is an amazing pilot and dominated the competiton while stealing from her opponents. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Annika came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of the astral images and planes and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Annika Jansen Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Awesome to meet you Annika.

Annika Jansen Cooper: Same here.
